Prayer for a Sick Person

Father of mercies and God of all comfort, our only help in time of need, visit and relieve your sick servants. Look upon them with a sense of goodness, preserve them from temptations, and give them patience to accept the suffering they must endure.

God of heavenly power, by the might of Your command, You drive away from our bodies all sickness and all infirmity. Be present in Your goodness with these, Your servants, so that their weakness may be banished and their strength restored. Relieve their pain, guard them from all danger, and restore them to full confidence in Your loving care. We ask this through Jesus Christ our Lord. AMEN.

Faithful Navigator's Corner

Sir Knights,

I plan for our for our March 21st meeting to be a social meeting with Pizza and beverages. It will be a chance to socialize and enjoy food and beverage. Remember to save room for the food. I believe that we can also use this as a recruiting tool. What I encourage you to do is bring a potential candidate to our social and let him get to know some of us and learn about the 4th degree first hand. i would be a great time for each of our committee chairs to report on the things that they do. For those who would be VERY hungry, I thought we could start at 7 PM. If you cannot make that then come as soon as you can get there before 7:30 PM. Please bring a prospective member.

Any urgent business that must be conducted will be done after the social.

As mentioned in the last newsletter, I have been looking for a activities of a patriotic nature that we could undertake in the spring. SK Terry Lingrel and I will meet with the leadership of the VA Arizona Home and the VA hospital the week of 25 February to set up our activities. We have an ice cream social set up tentatively for the soldiers' home.

I will let you know a firm time and activity type at our first meeting in April. Some help will be needed. We

have also scheduled the delivery of our $2,000 check from out Vets dinner for delivery on 27 March.

Your committee looking over our finances met at my home several weeks ago to conduct a midyear audit. I am pleased to report that all the numbers added up. So, the end year audit should be much easier.

SK Ted Fleck has agreed to chair the nominating committee for the slate of officers for the next fraternal year. If you or any other Sir Knight who wishes to run for an officer position should contact Ted Fleck

May God bless you all and grant you a Happy and Blessed Easter.

Vivat Jesus!

Assembly Web Site

Our assembly now has its own web site. You will find it at www.weberassembly.com.

The web site will provide timely announcements, call-out information, photos, prayer requests and more.

The site is still under development so check back often to see what's new.

One feature available now is the ability to pay your assembly dues using a credit card. PayPal provides the secure service for this and we add a nominal surcharge to cover the cost.

If you have ideas for things you would like to have on the web site, send them to me.

Open House Social Meeting

As our Faithful Navigator mentioned, the March 21 meeting will be an Open House Social meeting. We will have pizza and beverages and presentations on the Fourth Degree and its activities.
