3b) Whom does this project benefit?

This benefited the students but also helped deepen the faith of the Knights who taught the classes and helped open discussion among our entire Council membership about the church, its teachings, rituals, practices and prayers. In addition, teachers at St Pius School said they learned a great deal.

3c) What problem or need did this project resolve?

For some time a many of our Council members have been troubled by how little some young Catholics know about the church and its teachings, rituals, practices and prayers. We hoped this program could help fill this void and excite these kids about the church.

3d) Why did the council select this project?

Many of us have felt the Rosary might be the key to unlocking the mysteries of the Faith for young Catholics. We wanted to get these kids excited about the Church and their Faith.

3e) Describe the success of the project:

Over the past two Octobers, almost 200 6th and 7th grade students at St Pius X Elementary School have learned a lot more about the Church and their Faith than they ever knew before. The instruction took place in their classroom in three one hour sessions, and much appreciation was shown by students
