**Words From Your Faithful Navigator**

. It is good to think that winter is getting behind us and we can enjoy the warmth that is to come. Along with that is our State Convention right here in Middleton and a chance to be with Knights from around the state. Anyone can attend this event, for more info, contact one of the knights listed under State Convention. Our Assembly has the Honor Guard duties at this convention and needs your help and backing.

Parade season is just around the corner! Let me know when where and who to contact so that I can put this info into the newsletter. Jerry has the trailer stored at his place so you will have to make arrangements with him before the date of event. You will need to have a tow vehicle for trailer unless Jerry is going to be at the event.

**For the Good of the Order**

**PURPLE** (Family circle)

Every child is an artist. The problem is how to remain an artist once he grows up. – Pablo Picasso

In first grade, Mr. Lohr said my purple tepee wasn't realistic enough, that purple was no color for a tent, that purple was the color for people that died, that my drawing wasn't good enough to hang with the others. I walked back to my seat counting the swish-swishes of my baggy trousers. With a black crayon, nightfall came to my purple tent in the middle of an afternoon.

In second grade, Mr. Barta said, "Draw anything." He didn't care what. I left my paper blank, and when he came around to my desk, my heart beat like a tom-tom while he touched my head with his big hand and in a soft voice said, "The snowfal, How clean and white and beautiful."

Thank God for what you have. Trust God for what you need.
