

St. Padre Pio

Assembly 2813

DECEMBER 2020

**From Our
Faithful Navigator
Kenneth Sharp**

Message From the Faithful Navigator

We hope you and your families had a Blessed Christmas and are looking forward to a better New Year. It has been a difficult year for all with the pandemic threatening our health and limiting our religious and social gatherings. However, we were able to continue limited in-person and zoom meetings to enable the membership to participate in Assembly business decisions and planning for upcoming activities.

We also were able to continue some of our fraternal activities including Color Corps participation at the Respect Life March at Planned Parenthood in September, presence at funeral and memorial masses for departed Knights when possible, and presentation of chalices for departed Sir Knights. In addition, we made extra efforts to stay in contact and offer assistance to our sick and distressed members as well as our widows.

Our major patriotic activity was collecting donations and placing wreaths at the gravesites of departed Knights, parishioners, family members, and friends who were veterans as part of the Wreaths Across America program. We received many thanks from veteran's families and widows for expanding this program for the entire parish.

Thanks to all our members who participated in these activities and continued support of our Assembly's activities. Hopefully we will be able to increase our fraternal activities with the vaccination of our members and friends in the upcoming months. We continue to pray for an end to this terrible pandemic and tremendous toll it has taken on all.

Vivat Jesus

Ken Sharp
