

Dear Mike,

Greetings to you and the entire community. I have taken a while to make a reply because I had to first save the funds for paying the taxes against the chalices. The good Lord has enabled me to accomplish that.

I am attaching the photos of both Frs. Jerome and Charles as evidence of having received the chalices. They were very grateful and it was very timely that we are in the special month of the Souls in Purgatory. I am sure they cannot forget to pray for them.

Once again, send my sincere gratitude to your community and we look forward to more precious relationship especially through Prayer.

Regards

Anthony Mateega
