Father Michael J. McGivney Assembly 2595

The Sextant February, 2020 Vol. III, No. 8

Assembly Meeting on Thursday, February 27

This is just a reminder that our February Assembly meeting will be held at 7:30 pm on Thursday, February 27, at St. Peter the Apostle, Libertytown. The meeting will be held in Sappington Hall. We will be reviewing/approving applications from new candidates, and discussing our upcoming events, particularly preparations for the Meet the Candidates reception on March 1 and for our Assembly's Navigator's Room for the March 13-14 Exemplification weekend in Ocean City.

Meet the Candidates Reception on Sunday, March 1

It has been a tradition in our Assembly for many years to welcome candidates for the Patriotic Fourth Degree in a reception a couple of weeks prior to the Exemplification, to describe our Assembly's activities, and to inform both them and their ladies about our plans for the weekend hospitality surrounding the Exemplification. This year's "Meet the Candidates" reception will be held at 1:30 pm on Sunday, March 1, at St. Michael's, Poplar Springs. A complimentary lunch will be provided, followed by informal presentations by our Assembly and Color Corps leadership.

All Assembly members and their ladies are invited to attend. Dress is casual. We would especially welcome the attendance of our new Sir Knights who were exemplified in the fall of 2019. If you plan to attend, please contact Faithful Navigator Steve Mason by e-mail at swmmason@aol.com so that he can plan for the proper amount of food and refreshments.

March 13-14 Exemplification Weekend Details

Details of the Exemplification weekend on March 13-14 at the Princess Royale Hotel in Ocean City have been previously forwarded and are attached at the end of this newsletter. If you intend to stay at the Princess Royale, reservations must be made by this Saturday, February 29. If you are planning to attend the Saturday evening banquet, payment for banquet tickets (\$50) is due by March 6. Please be sure to enter that you are part of Assembly 2595. Also, if you are planning to attend the banquet, please notify our Assembly's Faithful Comptroller Rick Murray by e-mail at murray20794@comcast.net to make sure you are seated with our Assembly members.

The Navigator's Room will be a "team effort" by many of our Sir Knights. There will be a dinner on Friday evening, followed by a reception. On Saturday morning before the Exemplification, there will be a full breakfast provided by PFNs Marty Nau and Mike Jacobs. There will be a great lunch on Saturday after the Exemplification, and hospitality both in the afternoon and after the banquet on Saturday evening.

Donations of homemade desserts (cookies, cupcakes, and brownies) will be greatly appreciated. Please contact Faithful Navigator Steve Mason by e-mail at swmmason@aol.com if you can donate a dessert – if you are not going to Ocean City, transportation of the dessert can be arranged. Our Navigator's Room has always been a great venue both for honoring our new Sir Knights and interacting with many Sir Knights across the Maryland District and the District's leadership.

From the Navigator's Stateroom ...

Sir Knights of Assembly #2595, the upcoming month will see us add new members to our Assembly. I am proud of the efforts of our three parish-based Councils who have done an outstanding job of encouraging their Council brothers to join the Fourth Degree.

At 1:30 pm on March 1, at St. Michael's Church in Poplar Springs, we will host a reception to "Meet the Candidates" and their families, who will be exemplified to the Fourth Degree later in the month in Ocean City. I request that you join them as they complete their journey to full Knighthood in the Fourth Degree in Ocean City on March 13-14. I will also need your assistance in staffing and welcoming all to our "best-of-the-best" Navigator's Room. We want our new Sir Knights and their ladies to truly enjoy this event weekend, and to let them know that they are family to Assembly #2595.

Additionally, I don't want you to forget our Renewal of Promises on Thursday, March 26, at St. Michael's in Poplar Springs at 7:30 pm. Furthermore, on March 28, our Assembly will host the Biennial Meeting of the Maryland District of the Fourth Degree at St. Michael's. Our Assembly will have three delegates: Faithful Navigator Steve Mason, Faithful Purser and Past Faithful Navigator Martin Luchansky, and Faithful Trustee and Past Faithful Navigator Jim Coolahan, who will represent our Assembly at this meeting. I also want to thank Worthy Color Corps Commander Marty Nau for organizing our Assembly's Color Corps for the many events in the past several months.

Please don't forget to register online for the Exemplification hotel rooms and banquet in Ocean City. I certainly want to see you there helping and supporting our new members.

Please see the attached document provided by District Master Fritz Leach regarding the new Fourth Degree dress (Color Corps) uniform being provided by the Supply Room. Note also that colored patches for the berets are ordered through the Supply Room – the Supreme Master's office no longer mails those out. If there are any additional questions regarding the uniform please contact the Supply Room phone number provided in the attachment.

Finally, I again request prayers for our Sir Knight Mike Lee's daughter Anna, who has undergone significant surgery this month. Details have been previously communicated through St. Peter's Council channels, and to other Assembly members in my e-mail of February 18.

I wish you all a great March. God Bless and stay safe.

In Remembrance and Honor of Iwo Jima Flag Raising on February 23, 1945

During the bloody Battle for Iwo Jima, U.S. Marines from the 3rd Platoon, E Company, 2nd Battalion, 28th Regiment of the 5th Division take the crest of Mount Suribachi, the island's highest peak and most strategic position, and raise the U.S. flag. Marine photographer Louis Lowery was with them and recorded the event. Americans fighting for control of Suribachi's slopes cheered the raising of the flag, and several hours later more Marines headed up to the crest with a larger flag. Joe Rosenthal, a photographer with the Associated Press, met them along the way and recorded the raising of the second flag along with a Marine still photographer and a motion-picture cameraman.

Rosenthal took three photographs atop Suribachi. The first, which showed five Marines and one Navy corpsman struggling to hoist the heavy flag pole, became the most reproduced photograph in history and won him a Pulitzer Prize. The accompanying motion-picture footage attests to the fact that the picture was not posed. Of the other two photos, the second was similar to the first but less affecting, and the third was a group picture of 18 Marines smiling and waving for the camera. Many of these men, including three of the six Marines seen raising the flag in the famous Rosenthal photo, were killed before the conclusion of the Battle for Iwo Jima in late March.

In early 1945, U.S. military command sought to gain control of the island of Iwo Jima in advance of the projected aerial campaign against the Japanese home islands. Iwo Jima, a tiny volcanic island located in the Pacific about 700 miles southeast of Japan, was to be a base for fighter aircraft and an emergency-landing site for bombers. On February 19, 1945, after three days of heavy naval and aerial bombardment, the first wave of U.S. Marines stormed onto Iwo Jima's inhospitable shores.

The Japanese garrison on the island numbered 22,000 heavily entrenched men. Their commander, General Tadamichi Kuribayashi, had been expecting an Allied invasion for months and used the time wisely to construct an intricate and deadly system of underground tunnels, fortifications, and artillery that withstood the initial Allied bombardment. By the evening of the first day, despite incessant mortar fire, 30,000 U.S. Marines commanded by General Holland Smith managed to establish a solid beachhead.

During the next few days, the Marines advanced inch by inch under heavy fire from Japanese artillery and suffered suicidal charges from the Japanese infantry. Many of the Japanese defenders were never seen and remained underground manning artillery until they were blown apart by a grenade or rocket, or incinerated by a flame thrower.

While Japanese kamikaze flyers slammed into the Allied naval fleet around Iwo Jima, the Marines on the island continued their bloody advance across the island, responding to Kuribayashi's lethal defenses with remarkable endurance. On February 23, the crest of 550-foot Mount Suribachi was taken, and the next day the slopes of the extinct volcano were secured.

By March 3, U.S. forces controlled all three airfields on the island, and on March 26 the last Japanese defenders on Iwo Jima were wiped out. Only 200 of the original 22,000 Japanese defenders were captured alive. More than 6,000 Americans died taking Iwo Jima, and some 17,000 were wounded.

Knights of Columbus Uniforms • 230 Supply Room Road • Oxford, AL 36203

KNIGHTS OF COLUMBUS
UNIFORM PROGRAM
MANAGED BY
THE SUPPLY ROOM

The Supply Room is a small Veteran owned business located in Oxford Alabama. We have been in business for over 37 years serving all beaches of our armed forces. Most of the Government agencies who started with us 37 years ago are still our largest customers today. The owner of the Company is a Former Army Officer and I am a Retired Navy E9/CWO, both the owner and I understand specifications, quality control and paying attention to the details. These qualities are what has kept the Supply Room at the top of a highly competitive industry and it will also serve us well as we work toward building a first class Knights of Columbus program.

We took possession of the existing uniforms during the first two or three days of December. Our first step was to measure each and every garment to be sure the size label was accurate before we placed it into stock. By doing this timely and costly evaluation and by asking the right questions when the customers place their orders, we have pretty much eliminated the rejects or returns.

We are now in the process of dyeing fabric and sewing our products and will have most every product on our shelves in the April/May timeframe. Here are the actions we have taken to improve each item:

Blazer We will have two models of the blazer, the traditional fit and what we are calling, our executive fit. Both models will be made from a tried and tested pattern which have been used to make hundreds of thousands of commercial blazers over the years. The fit and style has been battle tested. The Traditional cut is for those who still have a chest and waist in proportion. We will have sizes from 32 XX-Short to 72 X-Long, so we can fit most anyone.

The Executive cut, (Portly) is for those who need a little more coat around the stomach so it can be buttoned. This will allow us to fit you properly over the back and shoulders and still take care of the buttoning issue.

Trousers

We found the trousers to be this biggest problem from the past and we have taken the necessary action to correct this problem. We have also used a tried and tested pattern for the trousers to provide plenty of room in the thigh, seat and leg. We also have added a concealed stretch waistband to provide 2 to 3 inches of ease above and beyond the waist size. If you wear a 34, these pants will fit you even if you are actually a 35 or even 36 inch waist.

Beret

We heard a lot of stories about the beret and how it fit, or didn't fit. Many said it looked like a "beanie" and just sat on the top of the head. Our military experience kicked in and we took the style we make for the Special Forces which would fit properly and allow the drape to extend over the right ear. We removed the lining, trimmed it in a top quality leather and used a fine Australian wool. From the feedback we have received, this has solved the problems. We supplied the Color Guard at the Kellenberg Assembly up in New York State who refused to wear the old style and according to Rob Timmerman, the Color Guard members now love it.

Tie

Not a lot of complaints about the tie other than the Long was not long enough, so we have added an extra long which is 64 inches and should fit the tallest member.

OPTIONAL ITEMS

We were asked if we could offer, as an option, a white shirt, a black oxford and an overcoat. We can, and we have provided prototypes of each for approval.

White Shirt

We will be offering a 100% cotton, no-iron white shirt with exact sleeve lengths. We will stock sizes from a 13" neck and 28" sleeves to a 23" neck and 37" sleeve. This should fit most every need. Shirts are like the blazer's, some need more room in the stomach area and we have addressed this. We will have an executive cut/style for those who need this extra room. We will have these available around April and they will be favorably priced for this quality and features. Once approved, they will be available on our our website, www.kofcuniform.com or toll free number 833-562-4327.

Black Oxford

We will have these shoes ready for sale in late March early April. We have used a top grain cowhide and the inside of the shoe is lined with a soft leather. From the feedback we have received from test wears is, this is one comfortable shoe.

Overcoat

There are some areas in America where an overcoat is needed in the winter time. We have developed a 19 oz., 100% wool, mid-calf coat with a heavy satin lining. The coat will be water resistant as well. The coat will have epaulets on the shoulders for the Baldric to go under and the gold KOC buttons. This coat is currently being test worn and if it is accepted as it is, we will have these available before the winter ends, especially in the northern part of the country.

In summary, we at the Supply Room feel blessed to have been given the responsibility to provide the 4th Degree Knights with a complete uniform with the highest quality in materials and workmanship. We have accepted this challenge and we think we are well on our way to meet all of the objects set before us. Let me assure everyone, we take this seriously and we will work hard to earn the respect and trust of each and every member. You will receive professional and courteous service from the moment you call us. We have a team of skilled ladies accepting your calls and if they cannot answer your questions, they give the call to me. We are also receptive to your comments and/or suggestions as to how we can improve. We must always get any changes approved by the Supreme Headquarters, but trust me, Headquarters wants the best possible program and they are trusting us to get it right. I hope this answers most of your questions, if not, let me know and I will do my best to do so.

God Bless,

Jim Craig
