Prayer for a Sick Person

Father of mercies and God of all comfort, our only help in time of need, visit and relieve your sick servants. Look upon them with a sense of goodness, preserve them from temptations, and give them patience to endure the suffering they must accept and endure.

God of heavenly power, by the might of Your command, You drive away from our bodies all sickness and all infirmity. Be present in Your goodness with these, Your servants, so that their weakness may be banished and their strength restored. Relieve their pain, guard them from all danger, and restore them to full confidence in Your loving care. We ask this through Jesus Christ our Lord. AMEN.

Faithful Navigator's Corner

Sir Knights Brothers All,

As the sun sinks slowly in the West, we come to the end of our voyage for another year. I want to thank all our members of the crew for their support and help during this past fiscal year. Without all my Brothers help, this Navigator would have had very rough seas to handle.

Special thanks to our Commander, Pete Karculias who was always there reminding me of the next thing for me to do and be aware of. All our Assembly meetings were very enlightening because of Father Myers informative and important talks on religious issues. Thank you Father for your support.

My hearty congratulations to the newly elected officers and good wishes that you accomplish great things during the coming year buy keeping our Assembly strong and active.

Last but not least, I would like to thank all our council members that attended the monthly meetings, supported our Fund Raisers and various activities. A mere thank you hardly seems enough to express my gratitude for all the help you so willingly gave.

See you all in July as your Faithful Admiral.

Vivat Jesus

Assembly Planning to Host Exemplification

The Weber Assembly is planning to host the next Exemplification of the Fourth Degree here in Tucson, probably January 15-16. We are already in the process of selecting a site and have started recruiting Sir Knights to help in various capacities.

Most of the work involved is preparing for the event. Some of the committees and activities involved, along with names of volunteers so far are:

Registration processing – Keep records of attendees and fees; prepare registration packets; prepare goody bags; man registration table (Garvin, Blanchard)

Program book – Solicit ads, keep records, layout and prepare for printing; printing. (Weber)

Ladies Program – Prepare an entertaining program for the ladies

Mass – Obtain all resources needed for Mass; provide ushers; handle collection.

Raffles – Run a 50/50 raffle; Optional sword raffle; (Gulotta)

Hospitality Room – Stock and operate a hospitality room

We have good documentation from Larry Kiser on what needs to be done and how to go about it. If you would like to help in any way, just let us know.
