COLOR CORPS ACTIVITIES

The Assembly's Color Corps joined Color Corps members from Fr. Richardson Assembly (#3174) and Bishop Flaherty Assembly (#1678) to march in the Annual Dale City 4th of July Parade. Unfortunately, the Color Corps was also called upon to stand watch at SK Jean-Claude Turgeon's viewing as well as perform Honor Guard duties for his funeral Mass.

Preparing for the Dale City 4th of July Parade

Assembly members at SK Jean-Claude Turgeon's Memorial Mass

Of note, eight of our 15 Color Corps members attended the Memorial Mass. This level of participation for a fellow Sir Knight is a testament to our Assembly's esprit de corps, as well as the impact SK Jean-Claude had on us all.

Monthly Regular Business Meetings & Socials: (Every 4th Monday)

- 1830 – Mass
- 1900 – Regular Meeting
- 2000 – Social

Note from the Navigator

My Brother Sir Knights,

It's a new Fraternal Year, and I'm proud to serve this year as your Faithful Navigator and look forward to successful, fun and patriotic year. Fr. Kelley Assembly has continued its tradition of excellence in supporting our councils and parishes. As the visible part of the Knights, our Color Corps has represented the Assembly well, and I invite everyone to prayerfully consider joining the Color Corps and purchasing the Official Regalia Dress uniform. Remember, the Assembly has a reimbursement line in the budget to help off-set some of the cost. Please contact me or our Color Corps Commander, PFN Ted Zagrobelny, for more information.

Several years ago, Supreme started the Star Assembly Award program, very similar to the Star Council Award program most of us are familiar with. One of the requirements is a monthly newsletter, so we are reviving the Navigator's Log, last published in 2014. If you're interested in taking over the duties of NavLog editor, or if you have anything to contribute, please send me an e-mail.

The next Fourth Degree Exemplification is fast approaching, and now is the time to recruit your fellow Knights into the Assembly. Our purpose is to not only support our Councils (and their parishes), but to also increase patriotic awareness and support patriotic efforts in our community. I think you'd all agree with me when I say that this is more important now than ever before.

I'd like to thank all of this year's officers for stepping into their roles and look forward to a great year.

For God & Country,

Greg
