Faithful Navigator's Message George Jackson

Sir Knights.

Thanks to SK Ron Krom and others for getting me access to uknight. I'm hoping this will let me reach out to every Sir Knight as possible in the future . My message this month will be short. My goal with this newsletter is to be informative and bring Sir Knights from St. Patrick, St Benedict and St. Michael together as one Assembly. Any comments or idea's on topics to add or delete would be greatly appreciated.

Things to Ponder

The world is a tinder box of matches. The fire is burning strong. As you watch it crackle and burn. You must pause and wonder. When did the fire begin? It seems that there is a new beginning. But there is no peace for all mankind. Listen to the distant war drums, beating through the night. Fallen soldiers, death, and destruction. No peace for all mankind. New beginnings waiting in the wings, Peace at the door. Love afloat, God with open arms. Seek and ye shall find, Peace for all mankind. As the fire is extinguished. A new life begins for everyone.
