

Sir Knights,

This newsletter highlights our Assembly's variety of accomplishments during the first half of our 2022-23 fraternal year. These successes are a tribute to our Assembly's dedication and commitment towards helping others and our patriotic mission. Excellent results in the rearview mirror with continued good things to come. Here is a list of our projects initiated or with significant participation this year:

- Blue Mass for First Responders
- Pro Life Hike for Life
- Exemplifications bringing new SKs
- Ukraine Relief Fund totaling over \$56,000.
- Prince of Peace School Veterans Poster Contest awarded on Veterans Day
- Annual Wives Appreciation Dinner
- Wreaths Across America Bus Trip...sponsoring 40 American Heritage Girl Scouts
- Catholic Bowl Participation and Meals provided for two visiting Catholic schools
- Dedicated chalices for two departed SKs
- Sponsored two seminarians
- Bingo Fundraiser Proceeds provided to needy veterans' organization
- Parish Santa Station & Photo with Santa Fundraiser

Sometimes it seems like we're coasting however when the Assembly charity projects and patriotic initiatives are added up, it becomes an impressive list. It's good to take a minute and reflect on past successes because the snapshot also underscores the potential for the future. Speaking of the future, abiding our District Master's requests coupled with our Assembly's goals, the following will be our direction for the second half of this fraternal year:

- Recruit membership (a priority of our District and Supreme)
- Support Mays State Convention in Dallas (Many opportunities to participate and attend). I strongly urge all of you to participate and witness on a grander scale that our Assembly is part of a vast fraternity of likeminded Catholic Brothers who make a significant impact in our community, our state, our country, and the world.
- Build a Color Corp
- Continued Pro Life Support
- Spring Bingo Fundraiser
- Identify fundraising opportunities
- Participate in social activities to build camaraderie and attract new SKs.

Thanks to all of you my Brother Sir Knights who are dedicated towards helping those in need. That's our simplified mission, who we are and what we do. Our accomplishments are the result of team-oriented synergy (including our wonderful Lady Knights) and unselfish faithfulness to Jesus, our church, our Catholic values as Sir Knights, and each other. Being a Sir Knight is more of a privilege than duty because we're blessed to have the opportunity to serve.

Where there is a need there is a Knight!

God Bless,

Larry Hahn, FN
