At Convention, Knights of Columbus Call Attention to Suffering Middle Eastern Christians

During my annual report at our Supreme Convention this week, the delegates from every jurisdiction in our Order stood and held up an olive wood cross made in Bethlehem as a pledge of support for our

brothers and sisters suffering persecution in the Middle East. Then, at our States Dinner, we heard stirring testimony from Archbishop Bashar Warda of Erbil, Iraq, and Archbishop Jean Clement Jeanbart of Aleppo, Syria. Rarely in the history of our Order have we heard such words, delivered by men who daily risk their lives for the Faith.

We have already donated more than \$3 million to this cause, and, as an Order, we have pledged to redouble our efforts to do even more.

Please visit www.ChristiansAtRisk.org and help support these brave men and women who have lost everything, simply for their belief in the One who taught us to love one another.

As I noted in my report on Tuesday, we need "a season of truth," to help bring their story to the attention of the world. I also said: In Iraq alone, the Christian population has fallen by at least two-thirds, from 1.5 million to less than 400,000. Many of these Christians have fled to the city of Erbil. In Syria, almost 10 percent of the population is

Christian. There, too, violence against Christians has caused a refu-

FAITHFUL NAVIGATOR'S REPORT

S.K. Jacob N. Floris

Now that the first two somewhat quiet months of our Assembly's fraternal calendar year are behind us, we start to move into a busier time with more events where the formal duties of our Assembly are front and centre. We begin with the Installation of Officers which is slated for Sept 23, 2015 in Georgetown. Everyone is encouraged to come out and support the men who will not only hold office but will also take on the responsibilities of leading the Assembly to our future!

On the "Brainstorming" front, we hope to get more people involved in sifting out what needs to happen to give our members the satisfaction of being involved in practical services. We are learning so much from these sessions. We have spoken about the power of our "To Be A Patriot" program within the community, the need for the men of our Assembly to find ways to support the day to day requirements of the Assembly without leaving home or coming out to meetings, and the importance of leading, teaching and mentoring new members through our various programs.

Beginning in September all "Brainstorming" sessions will be held on the first Wednesday of the month starting at 7:30pm at Marian Hall. It is my hope, while the Brainstorming meetings are in progress, our spouses will come together to meet and enjoy each other's company. After the meeting is finished, I hope they will then join with the attending Sir Knights, their husbands, for some social time!

On the service front, we have a series of Color Guard requests coming in from the Chancery office, the Town or Oakville, the Oakville Councils along with other local Assemblies. I can personally attest to how rewarding an opportunity it is to represent the Knights of Columbus in these public forums. Please consider setting some time aside to join us for events like the Oakville Remembrance Day Celebrations in November; where we commemorate the sacrifices of those who fought for our freedom and try to honour them through our ceremonial remembrance and display of Patriotic solidarity. We are constantly looking to create opportunities such as these for our members to share their talents.

I want to share a few of my own experiences on the topic of sponsoring men to join our Order and sponsoring our 3rd Degree members to join the Assembly. I offer some of my own recent recruitment activities:

* I made an offer to sponsor James Doig, son of deceased SK Wilson Doig, to join the Knights. He said that nobody asked him in all these years! Let's learn from this to "reach out and ask."

* At St. Matthews's parish I offered to sponsor two men (Don and Joe) whom I have known for quite a number of years. Both have accepted an invitation to sit down with me to discuss the opportunity for them to become First Degree Knights! Let's learn from this that its "never too late" to reach out and ask.

* I missed a chance, and apologize to our Assembly members, for not offering to sponsor a 3rd Degree member to join the Assembly in August. I promise to look for more of these opportunities over the next few months! Let's learn from this that the time to reach out and ask is now.

I advertise my efforts, not for personal glorification nor to admonish the efforts of others, but to let all Knights know that I believe we must all, in order to grow and share the gifts of service within the Knights, put out the hand of welcome to other practicing Catholic men. There will be more to come on this topic of outreach once we complete the first objective of our Brainstorming sessions! Until that time we ask each of you to ask yourself, "Who did I offer to sponsor to join either our Council or Assembly today?"

May God continue to guide us in and through all our efforts!

FAITHFUL CAPTAIN'S REPORT

S.K. Arthur O'Sullivan

Sir Knights

During our last general meeting on August 20th we reviewed and discussed the results of the survey that were submitted by us as members of the 1981 Assembly. The outcome of our discussions resulted in the following changes to our meeting dates, times and locations.

General meetings will be held on the third Thursday of every month at a specific location starting at 7:30pm. The voting indicated that we should meet at Marian Hall but the hall is not available on Thursday evenings. Therefore, we will meet at St. James Parish on the third Thursday of each month for the remainder of the year.

Our monthly Brainstorming sessions will move to Wednesday evenings and be held at Marian Hall on the first Wednesday of every month starting also at 7:30pm.

Our Advent dinner in December has been moved to a new date. We will now have the **Advent dinner on Friday, December 11th**, one day earlier than originally planned. I am looking for four Sir Knights to assist me with the preparations. If you are interested, please contact me.

THANK YOU LETTER FOR CIBORIUM AND CHALICE

Bishop Paul F. Reding Assembly has brought so many families a true sense that their beloved husband, father's name and memory continues to have purpose via the Chalice and Ciborium's presented around the World to Priests, traveling Missionaries and small Communities' that just can't afford to pay for them. Some, if not most, have used tin cups, or cans, to store, transport and distribute the Eucharist for Mass and the sick!

The letter below is just one of many thankful recipient's!

Dear Mr. Terry Murphy,

This letter is in appreciation of your generous gift of the three ciboria that you donated through Father Greg Elder. The churches of Holy Rosary, Onlon Lake, SK, St. James, Thunderchild, SK have each received a ciborium for use in their church. The third was given to a brother priest for one of his churches that was in need of a ciborium. Thank you very much for your kindness. May God's blessings shine upon you.

Sincerely,

Rev. Father Peter Nnanga, msp

gee crisis. Thousands have fled for their lives to escape forced conversion and martyrdom.

Just days ago, a headline in The New York Times asked, "Is This the End of Christianity in the Middle East?" The world remains largely silent. These refugees' cries for help remain largely unheard. ... But neither the United States government nor the United Nations are doing enough. The blood of these martyrs cries out to heaven for justice. And the blood of these martyrs cries out to you and to me for help.

Through our Knights of Columbus Christian Refugee Relief Fund, we have already delivered more than \$3 million to assist our brothers and sisters in Iraq and Syria. Our dollars provide housing and medical care, but we can and must continue to do more. The Holy Father has also expressed his support for this initiative. The papal greeting to our convention, read Tuesday, was clear.

On the issue of the "protection of religious freedom," and "in response to the attacks unleashed on minority communities, most often Christian, in various parts of our world," the letter noted that Pope Francis is "profoundly grateful for the efforts of the Knights to raise public attention to this grave humanitarian tragedy."

It also expressed the pope's gratitude "for the practical solidarity shown to suffering individuals and families through the recently established Christian Refugee Relief Fund." And the pope asked the Knights and Catholics throughout the world to pray for "a conversion of hearts, an end to fanatical violence and intolerance, and a general recognition of those fundamental human rights which are not granted by the state, but from the hand of the Creator, whom all believers invoke as a God of peace." The letter expressing the pope's sentiments was signed by Vatican Secretary of State Cardinal Pietro Parolin.

So once again, I ask for your renewed support for these brave, persecuted Christians. Please visit www.ChristiansAtRisk.org to learn more about what is happening there, to help us bring attention to their cause, and to help us support these Christian refugees financially. Every penny of your donation directly supports humanitarian assistance and raising awareness for persecuted Christians and other religious minorities, especially in the Middle East.

Sincerely, **Carl Anderson** Supreme Knight s of Columbus 1
