Robert Louis Stevenson.**

**" Fear keeps us focused on the past or worried about the future. If we can acknowledge our fear, we can realize that right now we are okay. Right now, today, we are still alive, and our bodies are working marvelously. Our eyes can still see the beautiful sky. Our ears can still hear the voices of our loved ones. "**

**How to start a fight!!!**

**One year I decided to buy my mother-in law a cemetery plot on Christmas as a Christmas Gift. The next year I didn't buy her anything. When she asked me why? I replied, because you still haven't use the gift I bought you last year. AND THE FIGHT STARTED.**

**I took my wife to a restaurant**

**The waiter, for some reason, took my order first.**

**"I'll have the rump steak, rare, please." I said,**

**"Aren't you worried about the mad cow?"**

"Nah, she can order for herself."  
And that's when the fight started.....

My wife was hinting about what she wanted for our upcoming anniversary. She said, "I want something shiny that goes from 0 to 165 in about 2 seconds." I bought her a bathroom scale. And then the fight started

**My wife was standing nude, looking in the bedroom mirror. She was not happy with what she saw and said to me I really need you to pay me a compliment.'**  
"I feel horrible; I look old, fat and ugly  
I replied, "Your eyesight's damn near perfect."  
And then the fight started.....

After retiring, I went to the Social Security office to apply for Social Security. The woman behind the counter asked me for my driver's license to verify my age. I looked in my pockets and realized I had left my wallet at home. I told the woman that I was very sorry, but I would have to go home and come back later. The woman said, 'Unbutton your shirt', So I opened my shirt revealing my curly silver hair. She said, 'That silver hair on your chest is proof enough for me' and she processed my Social Security application. When I got home, I excitedly told my wife about my experience at the Social Security office. She said, 'You should have dropped your pants. You might have gotten disability too.'  
And then the fight started...
