COUNCIL 9058 NEWSLETTER

FROM THE DESK OF THE GRAND KNIGHT

Knight of the Month - Brother CHRIS KOWALSKI

Chris, at our meetings you are our "Guardian Warden". You do much more than your official status, sometime visible and sometimes invisible. You always appear, without prompting, when work is to be done whether in the kitchen or outdoor projects. Chris we all thank you and are proud to call you our Brother.

Many thanks to Brother Jim Carey for standing- in as dinner team leader for Brother Nick Maselli at the February 13th dinner. Jim's cooking skills provided a chicken dinner that would out-strip any "rubber-chicken banquet" many times over (perhaps the Marsala wine?).

**MEXICO is ANGRY - IT DOESN'T MATTER WHAT PARTY YOU SUPPORT
THANKS ROCCO**

The shoe is on the other foot and the Mexicans from the State of Sonora, Mexico do not like it. Can you believe the nerve of these people? It's almost funny. The State of Sonora is angry at the influx of Mexicans into Mexico!

The state legislators from the Mexican State of Sonora traveled to Tucson to complain about Arizona's new employer crackdown on illegals from Mexico. It seems that many Mexican illegals are returning to their hometowns and the officials in the Sonora state government are ticked off. A delegation of nine state legislators from Sonora was in Tucson on Tuesday to state that Arizona's new 'Employer Sanctions Law' will have a devastating effect on the Mexican state. At a news conference, the legislators said that Sonora (Arizona's southern neighbor) made up of mostly of small towns - cannot handle the demand for housing, jobs and schools that it will face as Mexican workers return to their hometowns from the USA without jobs or money.

The Arizona law, which took effect Jan. 1, punishes Arizona employers who knowingly hire individuals without valid legal documents to work in the United States. Penalties include suspension of, or loss of, their business license. The Mexican legislators are angry because their own citizens are returning to their hometowns, placing a burden on THEIR state government instead of ours.

'How can Arizona pass a law like this?' asked Mexican Rep Leticia Amparano-Gamez, who represents Nogales. 'There is not one person living in Sonora who does not have a friend or relative working in Arizona,' she said, speaking in Spanish. 'Mexico is not prepared for this, for the tremendous problems it will face as more and more Mexicans working in Arizona and who were sending money to their families return to their hometowns in Sonora without jobs,' she said 'We are one family, socially and economically,' she said of the people of Sonora and Arizona.

Wrong! The United States is a sovereign nation, not a subsidiary of Mexico, and its taxpayers are not responsible for the welfare of Mexico's citizens. It's time for the Mexican government, and its citizens, to stop feeding parasitically off the United States and to start taking care of its/their own needs.

New Immigration Laws

- 1. There will be no special bilingual programs in the schools.**
- 2. All ballots will be in this nation's language.**
- 3. All government business will be conducted in our language.**
- 4. Non-residents will NOT have the right to vote no matter how long they are here.**
- 5. Non-citizens will NEVER be able to hold political office.**
- 6. Foreigners will not be a burden to the taxpayers. No welfare, no food stamps, no health care, or any other government assistance programs. Any who are a burden will be deported.**
- 7. Foreigners can invest in this country, but it must be an amount at least equal to 40,000 times the daily minimum wage.**
- 8. If foreigners come here and buy land, their options will be restricted. Certain parcels including waterfront property are reserved for citizens naturally born into this country.**
- 9. Foreigners may have NO protests; NO demonstrations, NO waving of a foreign flag, no political organizing, NO bad-mouthing our president or his policies. These will lead to deportation.**
- 10. If you do come to this country illegally, you will be actively hunted and, when caught, sent to jail until your deportation can be arranged. All assets will be taken from you.**

Too strict? The above laws are the current immigration laws of MEXICO! If it's good for Americans to obey Mexican laws, then it's good vice versa!!!

FOR THE GOOD OF THE ORDER

One of our Council's founding Brothers, Ziggy Ziebert and his wife has both been in poor health and are hospitalized. Brother Jean Morin was badly burned in a brush fire.

Brother Ziggy and wife, Barbara, should be in your daily prayers. We are pleased to see Brother Jean, up from days at Mass General Burn unit and walking with difficulty – hoping our Council's prayers contributed to his recovery.

We are wishing Brother Nick Maselli our prayers for impending surgery in late March

Each Friday night after work, sun, snow or rain, Jack being a Newbie in the neighborhood would fire up his outdoor grill and cook a moose steak. But, all of Jack's neighbors were all Catholic. And since it was Lent, they were forbidden from eating meat on Friday. The delicious aroma from the grilled moose steaks was causing such a problem for the Catholic faithful that they finally talked to their priest. The priest came to visit Jack, and suggested that he become Catholic. After several classes and much study, Jack attended Mass, and as the priest sprinkled holy water over him, he said: "You were born a Protestant and raised a Protestant, but now you are a Catholic." Jack's neighbors were greatly relieved, until Friday night arrived, and the wonderful aroma of grilled moose filled the neighborhood. The priest was called immediately by the neighbors, and, as he rushed into Jack's yard, clutching a rosary and prepared to scold him, he stopped and watched in amazement.

There stood Jack, clutching a small bottle of holy water which he carefully sprinkled over the grilling meat and chanted: "You wuz born a moose, you wuz raised a moose, but now you is a Codfish.

The economy is so bad that: I received a pre-declined credit card in the mail. CEO's are now playing miniature golf. Exxon-Mobil laid off 25 Congressmen. Angelina Jolie adopted a child from America. Motel Six won't leave the light on anymore. A picture is now only worth 200 words. They renamed Wall Street " Wal-Mart Street". Finally, I called the Suicide Hotline. I got a call center in Pakistan and when I told them I was suicidal, they got all excited, and asked if I could drive a truck!
