## COUNCIL 9058 NEWSLETTER

**FROM THE DESK OF THE GRAND KNIGHT**

### **Knight of the Year Pat Bracken**

Would our council be known, respected and viable without Brother Pat Bracken? Pat has exemplified the true Knight of Columbus, with Charity, Fraternity, Unity and Patriotism by his successful Tootsie Roll, Youth and Blood Drive programs. Elderly day care; school and scout programs; disadvantaged youth, both in family resources and physical capacity as well as blood for our military and community needs can be traced to Pat's leadership and devotion to the values of the Knights. After 22 years and as a founding member of our K of C Council, Pat is moving to Maine.

Pat - we each will miss you as a true Brother, friend, wise advisor and leader our Council can never be the same.

## **KNIGHTS CORNER**

### **WE NEED HELP**

We are looking for several of our Brothers to step up and take over some of our Programs. First of all our Brother Pat Bracken is will be moving to Maine at the end of June. But first. from all us Brothers, we can't thank you enough for 22 years of dedication to Council 9058. Pat has headed up our Blood Drive & Tootsie Roll Drive for the past several years. We would like at least 2 brothers to take his place on the Blood Drive and the Tootsie Roll Drive as Brother Tom Battaglia, who has Co-Chaired with Pat for the past several years, will also be stepping down. The ground work has been set, just following the template, the main thrust is scheduling people to work. So if you would like to help with the Blood Drive, THANK YOU John Cussen stepping up taking over for Pat on our Blood Drives. As to the Tootsie Roll Drive, you can sit and talk to both Pat & Tom before he leaves and Tom will stay on this year and finish up and we would like 2 people to shadow him to take over for next year. Questions Call Pat 329-4356 or Tom 329-6338

### **D-Day Trivia Questions**

On June 6, 1944, thousands of Allied troops landed on the beaches in Normandy, France, in one of the largest amphibious assaults in history. As we know it today, D-Day. How much do you know about D-Day? Test yourself with these trivia questions.

**What Were The Original Plans For The D-Day? *Troops arriving on the beaches on D-Day.*** The assault, code-named Operation Overlord, required extensive planning, and General Dwight Eisenhower was the man in charge.

Thousands of ships carried supplies and troops, backed by thousands of aircraft to provide support needed for the mission. The allies sent false intelligence causing the German army to believe the target was Pas-de-Calais, not Normandy. This information was spread with false radio transmissions, fake equipment, and a non-existent army commanded by George Patton.

The original target date was June 5, 1944, but the weather on the previous days caused the landings to be delayed by 24 hours. The go-ahead was given late on June 5th for the mission to begin, with Eisenhower's famous words:

"You are about to embark upon the Great Crusade, toward which we have striven these many months. The eyes of the world are upon you."

**How Did The D-Day Landings Take Place? *General Dwight D. Eisenhower speaks with troops before the operation.*** By sunrise on June 6th paratroopers and glider troops were already behind

enemy lines. They secured bridges and exit roads while the troops began arriving on the beaches by 6:30AM. British and Canadian troops captured beaches codenamed Gold, Juno and Sword, while Americans captured Utah beach facing very little opposition. More opposition was to be found at Omaha Beach, where the American Forces took 2,000 casualties. By June 11th the beaches were secured and over 326,000 troops, 50,000 vehicles and 100,000 tons of equipment had landed at Normandy.

**Why Was There So Little Opposition When The Allies Landed?**  
***Most of the troops had been stationed away from Normandy expecting an assault elsewhere.*** Allied counter-intelligence operations had worked and the German troops were not expecting an assault in Normandy. The German army were confused by the assault as they had expected it to take place at Pas de Calais, even as troops were landing in Normandy. The absence of Commander Erwin Rommel did not help the situation. Hitler believed the attack was taking place to distract the Germans from a planned attack north of the Seine River and refused to send reinforcements.

Once the German army realized it was not a distraction, more troops were deployed, but they had to be sent in from further afield as they were not expecting an assault on Normandy. The German troops had more difficulties as Allied air support took out important bridges, sending German troops on long detours.

**Why Is It Called D-Day?** ***The date the original D-Day taken place was originally known as D+1.*** Many people believe that the "D" stands for a word, such as Deliverance, Doom or Debarkation. It doesn't. The D doesn't actually stand for anything, but is derived from the word "day" and D-Day simply means the day the operation begins. The day prior to D-Day becomes D-1 and the day after becomes D+1. So if the date changes, all of the dates in the planning do not need to be changed too. The H-Hour is also used to mean the hour that operations would start.

## THE LIGHTER SIDE

During his physical, the doctor asked the patient about his daily activity level.

He described a typical day this way:

*“Well, yesterday afternoon, I waded along the edge of a lake, drank eight beers, escaped from wild dogs in the heavy brush, jumped away from an aggressive rattlesnake, marched up and down several rocky hills, stood in a patch of poison ivy, crawled out of quicksand and took four leaks behind big trees.”*

Inspired by the story, the doctor said,

*“You must be one hell of an outdoors man!”*

*”NAH,” he replied, “I’m just a shitty golfer.”*

I WILL SEE YOU SATURDAY NICK

## TWO LADIES TALKING IN HEAVEN

1st woman: Hi! My name is Sherry.

2nd woman: Hi! I'm Sylvia. How'd you die?

1st woman: I froze to death.

2nd woman: How horrible!

1st woman: It wasn't so bad. After I quit shaking from the cold, I began to get warm & sleepy, & finally died a peaceful death. What about you?

2nd woman: I died of a massive heart attack. I suspected that my husband was cheating, so I came home early to catch him in the act. But instead, I found him all by himself in the den watching TV.

1st woman: So, what happened?

2nd woman: I was so sure there was another woman there somewhere that I started running all over the house looking. I ran up into the attic & searched, & down into the basement. Then I went through every closet & checked under all the beds. I kept this up until I had looked everywhere, & finally I became so exhausted that I just keeled over with a heart attack & died.

1st woman: Too bad you didn't look in the freezer---we'd both still be alive.
