## THE LIGHTER SIDE

### Just joking

A father and son went deer hunting together for the first time. Out in the woods the father told him, "stay here and be very QUIET. I'll be across the field."

A few minutes later, the father heard a blood-curdling scream and ran back to his son.

"What's wrong?" the father asked. "I told you to be quiet!"

The son answered "Look, I was quiet when the snake slithered across my feet. I almost called out to you when the bear breathed down my neck. But when the two squirrels crawled up my pant legs and said, 'should we eat them here or take them with us?' I just panicked!"

## JUST JOKING

A Mafia godfather, accompanied by his attorney, walks into a room to meet with his former accountant.

The godfather asks the accountant, "where is the three million bucks you embezzled from me?" The accountant does not answer. The godfather asks again,

"Where is the three million bucks you embezzled from me?"

The attorney interrupts, "Sir, this accountant is now a deaf mute and can't understand you, but I can interpret for you." The godfather says, "Well ask him where my damn money is!"

The attorney, using sign language, asks the accountant where the \$3 million is.

The accountant signs back, "I don't know what you

are talking about."

The attorney relays this to the godfather.

The godfather shakes his head, pulls out a 9 millimeter pistol, puts it to the temple of the accountant, cocks the trigger and says, "now let's try this again. Maybe now he remembers where my money is!"

The attorney signs to the accountant, "He wants to know where the money is!"

The accountant signs back, "OK! OK! OK! The money is hidden in a brown suitcase behind the shed in my backyard."

The godfather saw that and said, "Well....what did he say?"

The attorney tells the godfather, "Oh, we've got a real wise guy here! He called you an SOB and said go to hell... and that you don't have the guts to pull the trigger!"
