On the evening of that first day of the week,  
when the doors were locked, where the disciples were,  
for fear of the Jews,  
Jesus came and stood in their midst  
and said to them, "Peace be with you."  
When he had said this, he showed them his hands and his side.  
The disciples rejoiced when they saw the Lord.  
Jesus said to them again, "Peace be with you.  
As the Father has sent me, so I send you."  
And when he had said this, he breathed on them and said to them,  
"Receive the Holy Spirit.  
Whose sins you forgive are forgiven them,  
and whose sins you retain are retained."

**Grand Knight's  
Message  
Jaime Santos**

"Behold, how good and how pleasant it is for brothers to dwell together in unity."

~ Psalm 133:1-2

Dear Brother Knights, Ladies, Families, and Friends,

Brothers as we close this fraternal year, I'm in agreement with Psalm 133. This last fraternal year was a busy one for the Council. The Council continues to make great strides towards making sure all Brothers are heard. I'm also proud and humbled to be working, side-by-side, with dedicated Council Brothers. I anticipate the next fraternal year will bring more exciting times for the Council to continue building our bonds of unity and brotherhood.

**2nd and 3rd Degrees Congratulations:**

Congratulations to Brothers **Patrick Bennett** and **Dr. Dean Bancroft** for going through their 2nd (Formation) and 3rd (Knighthood) Degrees exemplifications on Saturday, 18 May 2019, at Our Lady of the Pines Catholic Church. These exemplifications help Brother Knights strengthen their dedication to the Order, his fellow Brother Knights, and the Catholic faith.

**During this Fraternal Year July 2018 – June 2019, Supreme implemented a new program (Faith in Action) to replace Surge in Service. This new program seeks to balance all of our key priorities – Faith, Family, Community, and Life. Council 9993 have completed the following programs:**

#### **FAITH**

**Building the KIOSK:** Helping strengthen the domestic church by providing exceptional religious education materials to all Catholics. The Kiosk is located in the Bonzel room immediately to the right after the double doors and is available year-round. All materials are free and are replenished by our Worthy Grand Knight as needed.

**RSVP:** Supporting seminarians and postulants by providing moral, financial and spiritual support to our future priests and religious at all stages of their formation.

**Rosary Program:** Encourages devotion to Mary, the patroness of our Order, and emphasizes the importance of prayer in the community and as a family through rosary prayer. Council 9993 holds a rosary prayer at each Corporate Communion.

#### **FAMILY**

**Keep Christ in Christmas:** Promotes the true spirit of Christmas in our homes, schools, parishes and communities. Council 9993 has promoted this program by selling Christmas cards, car decals, pins and stickers.

**Family of the Month/Year:** Promotes and supports the development of strong and vibrant Knights and families each month. Every month our Council selects a Knight that has demonstrated our principles of being a Knight of Columbus. In addition, each month a Family is selected that models Christian family values and visibly lives them every day.

**Food for Families:** Helps end hunger in communities across North America and around the globe. Each year Council 9993 helped distribute food through the parish Thanksgiving and Christmas holiday food baskets. This year over 300 food baskets were distributed.

**Consecration to the Holy Family:** Helps families live out the joy of Christ through prayer. Our Supreme Chaplain Archbishop William Lori has composed a prayer through which families will come together to consecrate themselves under the protection of the Holy Family. In this prayer, we ask for the intercession of the perfect son Jesus Christ, Mary the perfect mother, and Joseph who is a model for every father.

#### **COMMUNITY**

**Helping Hands:** Designed to recognize the important work many councils already do to care for the most disadvantaged members of our communities. Through this program, councils will aid the needy through activities they feel best suit their community. St. Patrick's Council 9993 is active in this program by our Brother Knights helping out at the Marian Soup Kitchen on a weekly basis.

**Coats for Kids:** Providing warmth for deserving children during cold winter months. While families struggling to make ends meet use their scarce resources to meet the most basic needs and cannot always afford the vital essential of a new winter coat. Our Council provided 60 kids with new coats which were distributed during the Holiday Food baskets campaign.

#### **LIFE**

**Special Olympics:** Allows the Knights of Columbus to help disabled athletes train for and compete in games around the world by assisting with all aspects of the program through fundraising or volunteering for events. On March 9, our Council assisted Special Olympics in their Annual Polar Plunge. Our Knights provided beach patrol and monitored the plunge corrals for all team participants. This summer, we will be assisting athletes in their golf program at the Air Force Academy golf course.

**Novena for Life:** Promotes the protection of life. To commemorate and bolster this important cause, each council is required to promote a novena for nine days of sustained prayer. Thanks to SK **Ron Krom** for organizing a Novena for Life. Our Council prayed the novena from Wednesday Feb. 27 to Thursday March 7. Those who participated prayed it at the end of daily mass. Some also prayed at home with their families. Flyers were also available at church to encourage all parishioners to pray the novena with us. It was also requested that we pray for our church, our clergy, and for healing.

**Pregnancy Center Support:** Its purpose is to change public hearts about abortion by showing love for both mother and child before and after birth. Councils can provide material, financial, labor and other support to pro-life pregnancy centers. Council 9993 has supported this program both financially and by participating in the 40 Days for Life campaign in Oct and March.

**Ultrasound Program:** Helps women with crisis pregnancies to choose life by viewing their unborn children on an ultrasound machine. Our council supports this program by donating funds towards the purchase of new machines.

## WALK TO SAVE LIVES

So many of us have been blessed with children and grandchildren. Just being around them can add sunshine and love to our lives. My wife and I were blessed to have great support when expecting those precious bundles.

Unfortunately, some women find themselves with an unexpected or crisis pregnancy, and without the support they need. Desperate and without help, they may turn to abortion as a way out. But thanks to Life Network, they can get the care and support they need, from ultrasound and pregnancy tests, to prenatal and postnatal support. They even offer help, not judgment, for women suffering after having an abortion.

Life Network provides education and practical support from pregnancy until a child is two. All of their services are free because of generous individuals like you! Last year, 212 women chose life after seeing their baby on an ultrasound at Life Network. Isn't it wonderful to imagine 212 first birthdays that will be celebrated next year? You can be a part of those lives.

The Walk for Life on June 1st was the main fundraiser for Life Network. Volunteers ran a 5k "fun run" or did an easy 2-mile walk around Prospect Lake. There were also fun activities for kids and a kids' race. Sponsors provided information booths, water, and a few snacks. Several Knights and family members from St. Patrick participated. In particular, I want to thank at least 17 Brother Knights, Assembly 3049, and others who helped me raise \$769.76 for this great cause. If you want to join in, I am sure that donations would still be accepted at <http://www.walkforlife.com>, and there will be more information there about Life Network as well.

This is an annual event, and I look forward to many more Brother Knights and family members joining in the fun next year. It is a nice family outing in the park, with many other activities going on, and a place to have a picnic by the lake afterward. I'll see you there!" -Fraternally yours, **Ron Krom**, Council Life Director

*UPDATE FROM RON: Thanks so much for helping me on the walk for life. It was a great day, and I saw a few there from St. Pat, including Stevens's and Andersons. Thanks to you and other Brother Knights, I raised over \$700 to help Life Network in their wonderful ministries. It is an easy walk around the lake.*

The Diocesan team gathering before the event.

Ron at the finish line. The 2 mile walk is actually 2 laps around the lake and is paved the whole way.

## The History Of Flag Day

The Fourth of July was traditionally celebrated as America's birthday, but the idea of an annual day specifically celebrating the Flag is believed to have first originated in 1885. BJ Cigrand, a schoolteacher, arranged for the pupils in the Fredonia, Wisconsin Public School, District 6, to observe June 14 (the 108th anniversary of the official adoption of The Stars and Stripes) as 'Flag Birthday'. In numerous magazines and newspaper articles and public addresses over the following years, Cigrand continued to enthusiastically advocate the observance of June 14 as 'Flag Birthday', or 'Flag Day'.

On June 14, 1889, George Balch, a kindergarten teacher in New York City, planned appropriate ceremonies for the children of his school, and his idea of observing Flag Day was later adopted by the State Board of Education of New York. On June 14, 1891, the Betsy Ross House in Philadelphia held a Flag Day celebration, and on June 14 of the following year, the New York Society of the Sons of the Revolution, celebrated Flag Day.

Following the suggestion of Colonel J Granville Leach (at the time historian of the Pennsylvania Society of the Sons of the Revolution), the Pennsylvania Society of Colonial Dames of America on April 25, 1893 adopted a resolution requesting the mayor of Philadelphia and all others in authority and all private citizens to display the Flag on June 14th. Leach went on to recommend that thereafter the day be known as 'Flag Day', and on that day, school children be assembled for appropriate exercises, with each child being given a small Flag.

Two weeks later on May 8th, the Board of Managers of the Pennsylvania Society of Sons of the Revolution unanimously endorsed the action of the Pennsylvania Society of Colonial Dames. As a result of the resolution, Dr. Edward Brooks, then Superintendent of Public Schools of Philadelphia, directed that Flag Day exercises be held on June 14, 1893 in Independence Square. School children were assembled, each carrying a small Flag, and patriotic songs were sung and addresses delivered.

In 1894, the governor of New York directed that on June 14 the Flag be displayed on all public buildings. With BJ Cigrand and Leroy Van Horn as the moving spirits, the Illinois organization, known as the American Flag Day Association, was organized for the purpose of promoting the holding of Flag Day exercises. On June 14th, 1894, under the auspices of this association, the first general public school children's celebration of Flag Day in Chicago was held in Douglas, Garfield, Humboldt, Lincoln, and Washington Parks, with more than 300,000 children participating.

Adults, too, participated in patriotic programs. Franklin K. Lane, Secretary of the Interior, delivered a 1914 Flag Day address in which he repeated words he said the flag had spoken to him that morning: "I am what you make me; nothing more. I swing before your eyes as a bright gleam of color, a symbol of yourself."

Inspired by these three decades of state and local celebrations, Flag Day - the anniversary of the Flag Resolution of 1777 - was officially established by the Proclamation of President Woodrow Wilson on May 30th, 1916. While Flag Day was celebrated in various communities for years after Wilson's proclamation, it was not until August 3rd, 1949, that President Truman signed an Act of Congress designating **June 14th** of each year as **National Flag Day**.

## FAMILY

Current Programs:

Upcoming Programs: Consecration to the Holy Family;  
Family of the Month/Year

**PROGRAM DIRECTOR**

Steve "Smitty" Smith  
[smitty91845@gmail.com](mailto:smitty91845@gmail.com)

**Consecration to the Holy Family:** Father Michael has been contacted about this program and is in support of it. The Pastoral Council is now being consulted to determine the best time for the Consecration to occur as the program recommends a parish activity after the Consecration as a celebration. Right now it is being suggested that the Consecration coincide with the parish picnic, however this is not finalized yet and other possibilities are being explored. Prayer cards that will be handed out a week prior to the event, will be ordered soon to have on hand and ready to go. In terms of volunteers, we will most likely need a couple Knights after the end of each Mass to hand out these prayer cards to families the week before.

As many of you all are aware, last week Colorado Springs experienced a snow storm that caused a lot of tree damage to properties throughout the city. St. Patrick also experienced some tree damage and help was needed to clear the damaged tree limbs. I would like to thank the following Brother Knights who helped in this endeavor. Brothers **Ron Krom, Chris McDermott, Al Peifer, Dan Rolenc, Ernie Rodriguez and Val Gallegos and John Darnielle from the parish.**

WELCOME  
NEW  
KNIGHTS

Please welcome to Council 9993 as well as Assembly 3049, Brother **Sir Knight Raymond Meadows**. Brother **Raymond** transferred in from Tennessee and has already stepped up and been elected as the Outer Sentinel for Assembly 3049. When you see Brother **Raymond**, be sure to welcome him!

**4242739**

AT-TA  
BOYS

Congratulations to Brothers **Patrick Bennett** and Dr. **Dean Bancroft** for advancing in their 2nd (Formation) and 3rd (Knighthood) Degrees exemplifications this Saturday, 18 May 2019, at Our Lady of the Pines Catholic Church.

All Brother Knights are encouraged to advance to full knighthood through these exemplifications--they will strengthen your dedication to the Order, your Brother Knights, and your Catholic faith.

Of note, if you want to be an Officer in the Council, you must be a Third Degree Knight--it's a rewarding experience!

### Incorrupt Heart of St. Jean Vianney

On Friday May 10, the major relic of St. Jean Vianney's whole, incorrupt heart was at St. Mary's Cathedral for veneration. The Knights of Columbus sponsored this event and the Honor Guard was on hand to help pilgrims to venerate this relic. For a video of the closing procession, please see the Council's Instagram site at [www.instagram.com/stpatknights9993](http://www.instagram.com/stpatknights9993)

**Deputy Grand Knight Ernie Rodriguez** with members from BSA Troop 268 and 1268 L-R: Isabella "Izzy" Olivarez (T1268 Senior Patrol Leader), Ruben Olivarez (Troop 268 Committee Chairman), Nathan Francois, Kaiden Francois. **DGK Ernie** presented the scout troop with a check for \$500 on behalf of Council 9993 to help build a new storage building for the scouts. The new storage building will be located in the lower parking lot near the south side of the church.

On May 26, St Patrick's held their Young Adult get-together for great times and fellowship. Though this was on Memorial Day weekend, it was well attended and brats and beer were served and volleyball, corn hole and ladder ball challenged these young adults. This was a great recruiting opportunity for future Knights and our tri-fold pamphlet was handed out to all adult males that attended. Special thanks to SK **Ron Krom** who cooked all the brats and cheese dogs and SK **Ernie Rodriguez** for getting those adult beverages ready.

**Ladies Auxiliary President Jeanne Patalano, Colorado State Ladies Auxiliary Treasurer Sidney Rodriguez and Ladies Auxiliary Treasurer Melissa Anderson** present a \$1000 check to Executive Director Lindy Havens of Restore Innocence. Restore Innocence exists to aid victims of human trafficking in the rescue, restoration and reintegration process by addressing their physical, emotional and spiritual needs. Learn more about this organization by visiting <https://www.restoreinnocence.org/>. The St Patrick's Ladies Auxiliary submitted Restore Innocence to the State Ladies annual convention charity competition and won \$1,000.00 by vote of the all delegates attending.

On Tuesday, July 16, the Council will be having a tailgate prior to the Rocky Mountain Vibes (Sky Sox replacement) baseball game. Tickets are \$2 each. We have a total of 80 tickets available. Family, friends, prospective Knights and Ladies are all welcome.

Contact WDGK **Ernie Rodriguez** for tickets.

A moment of tension in Vatican. If the bishop moves forward the queen can take him.

**Editors Note:** Last month I inadvertently forgot to add the membership number of a random Brother Knight to find and contact me to obtain a small prize. I have included that number in this months newsletter along with this months member number. So there are two member numbers to be found in this newsletter. If you find your number, send me an email at [smitty91845@gmail.com](mailto:smitty91845@gmail.com) and let me know where it is found and you'll win!
