NEWSLETTER OF THE YEAR

COUNCIL 9058 NEWSLETTER

Grand Knight's Report

The Grand Knight, in recognizing the first business meeting of new officers called on the council to continue to build on the great accomplishments of the past year. He asked that we as members stay engaged and try to call on those Brothers who have become less engaged over time.

The Grand Knight then discussed the Golf Tournament taking place on August, reminding us it is our largest fund raiser of the year. He also reminded the council Brother Nick would need help with finding sponsors and would need about half a dozen members to help with setup and work for the day.

The Grand Knight then discussed the well-received scholarship presentation at the last 11:00 mass.

The Grand Knight then discussed the work he and Treasurer John Cussen did around the creation of a budget to closely track expenses and donations. It will be revisited in January.

He then thanked Brothers Dan Beaulé and Tom Di Benedetto for reorganizing the supply closet.

He awarded the Knight of the Month to Richard Botteron for his diligence and his willingness to be involved immediately after transferring into our council. He was then presented with his award.

PUZZLES BY NICK MASELLI

Carl has seven fewer than twice the number of course credits than Steven has. Steven has five more course credits than Gary has. If Gary has eight course credits, how many does Carl have?

A motor boat traveling at 18 mph traveled the length of a lake in $\frac{1}{4}$ of an hour less time than it took when traveling at 12 mph. What was the length of the lake?

On The Lighter Side

A sales rep, an administration clerk, and the manager are walking to lunch when they find an antique oil lamp. They rub it and a Genie comes out. The Genie says, "I'll give each of you just one wish" "Me first! Me first!" says the administration clerk. "I want to be in the Bahamas, driving a speedboat, without a care in the world." Poof! She's gone. "Me next! Me next!" says the sales rep. "I want to be in Hawaii, relaxing on the beach with my personal masseuse, an endless supply of Pina Coladas and the love of my **life**." Poof! He's gone. "OK, you're up," the Genie says to the manager. The manager says, "I want those two back in the office after lunch."

Moral of the story: Always let your boss have the first say.

A crow was sitting on a tree, doing nothing all day. A rabbit asked him, "Can I also sit like you and do nothing all day long?" The crow answered: "Sure, why not." So, the rabbit sat on the ground below the crow, and rested.

A fox jumped on the rabbit and ate it.

Moral of the story: To be sitting and doing nothing, you must be sitting very high up.
