## COUNCIL 9058 NEWSLETTER

### Grand Knight's Report

The Grand Knight reiterated the success of the service programs last year. Our activities followed a framework from Supreme's "Surge...with Service" guidebook which outlined suggested activities and categories for a well-rounded council. Last year we made donations just under \$14,000 within the six categories documented and recognized through the Columbian Award. This year Supreme has issued an updated version of the service program called "Faith in Action" and its' framework is now four categories of activities which we will strive for this year. The new categories are Faith, Community, Family and Life. The following facilitators will monitor activity in each of their assigned category:

- Faith activities -- Tom Fahey
- Community activities -- Nick Sarbanis
- Family activities -- Tom Di Benedetto
- Life activities -- Dan Beale

We as a council then reviewed a summation of the categories and suggested activities published in the "Faith in Action" guidebook.

The Grand Knight then announced the Knight of the Month John Faro. He also accepted it in his excused absence.

**PUZZLES BY NICK MASELLI**

In a certain college class, each student received a grade of A, B, C, D or incomplete. In the class,  $\frac{1}{6}$  of the students received A's,  $\frac{1}{4}$  received B's,  $\frac{1}{3}$  received C's and  $\frac{1}{6}$  received D's. If 3 students received an "incomplete", how many students were in the class?

If 11 less than 7 times a certain number is 7 more than 4 times the number, what is the number?

## On The Lighter Side

A shy priest greets the wedding guests to the Chapel. He's very nervous and doesn't say much.

As the couple approach the altar the priest steps up and gives the best speech anyone has ever heard. He's full of confidence, incredibly expressive and has everyone in fits of laughter!

After the vows, the priest is extremely shy and barely says a word to anyone.

The groom approaches the him and asks, "Why are you so shy? You seemed like a different person when you were giving that speech!"

"I know..." Says the priest, "but that was just my altar ego".

---

A lost dog strays into a jungle. A lion sees this from a distance and says with caution "this guy looks edible, never seen his kind before".

So the lion starts rushing towards the dog with menace. The dog notices and starts to panic but as he's about to run he sees some bones next to him and gets an idea and says loudly "mmm...that was some good lion meat!".

The lion abruptly stops and says " woah! This guy seems tougher then he looks, I better leave while I can".

Over by the tree top, a monkey witnessed everything. Evidently, the monkey realizes the he can benefit from this situation by telling the lion and getting something in return. So the monkey proceeds to tell the lion what really happened and the lion says angrily "get on my back, we'll get him together".

So they start rushing back to the dog. The dog sees them and realized what happened and starts to panic even more. He then gets another idea and shouts "where the hell is that monkey! I told him to bring me another lion an hour ago..."

---

A man walks into a bar with his dog.

"This is a talking dog. If this dog can answer my questions, who will buy me a drink?" he asks.

"You can have one on the house," the bartender says.

The man turns to his dog. "What goes on the top of a house?"

Dog: "Roof!"

Man: "What does tree bark feel like?"

Dog: "Rough!"

Man: "Who is the greatest baseball player ever?"

Dog: "Ruth!"

The bartender is clearly annoyed and snaps at the man. "That's enough. You and your dog, get out."

After the man and the dog are thrown out, the dog looks sadly at his owner. "Should I have said DiMaggio?"
