CONGRATULATIONS LEW HADLEY - KNIGHT OF THE MONTH

We need **12 Knights** to help out at the **Oktober Feast Dinner Saturday, October 14th from 2:30pm to 6:30pm**. Please call Nick S if you can help (603) 231-0622. Please try to be there for 2:30pm.

Nick Sarbanis will go over the dinner teams for the final time this year. Two months in a row we were shorthanded four members. There will be a new list and phone numbers by our next dinner.

ARTICLE FROM THE NEW YORK POST

I do not understand how living in a country with its democracy established over 200 years ago, and now, for the first time in history, suddenly we have one of our former presidents set up a group called "Organizing for Action" (OFA).

OFA is 30,000+ strong and working to disrupt everything that our current president's administration is trying to do. This organization goes against our Democracy, and it is an operation that will destroy our way of governing. It goes against our Constitution, our laws, and the processes established over 200 years ago. If it is allowed to proceed then we will be living in chaos very much like third world countries are run.

What good is it to have an established government if it is not going to be respected and allowed to follow our laws?

If you had an army some 30,000 strong and a court system stacked over the decades with judges who would allow you to break the laws, how much damage could you do to a country? We are about to find out in America!

Our ex-president said he was going to stay involved through community organizing and speak out on the issues and that appears to be one post-administration promise he intends to keep. He has moved many of his administration's top dogs over to Organizing for Action.

OFA is behind the strategic and tactical implementation of the resistance to the Trump Administration that we are seeing across America, and politically active courts are providing the leverage for this revolution.

OFA is dedicated to organizing communities for "progressive" change. Its issues are gun control, socialist healthcare, abortion, sexual equality, climate change, and of course, immigration reform.

OFA members were propped up by the ex-president's message from the shadows: "Organizing is the building block of everything great we have accomplished. Organizers around the country are fighting for change in their communities and OFA is one of the groups on the front lines. Commit to this work in 2017 and beyond."

OFA's website says it obtained its "digital" assets from the ex-president's re-election effort and that he inspired the movement. In short, it is the shadow government organization aimed at resisting and tearing down the Constitutional Republic we know as AMERICA.

Paul Sperry, writing for the New York Post, says, "The OFA will fight President Donald Trump at every turn of his presidency and the ex-president will command them from a bunker less than two miles from the White House."

Sperry writes that, "The ex-president is setting up a shadow government to sabotage the Trump administration through a network of non-profits led by OFA, which is growing its war chest (more than \$40 million) and has some 250 offices nationwide. The OFA IRS filings, according to Sperry, indicate that the OFA has 32,525 (and growing) volunteers nationwide. The ex-president and his wife will oversee the operation from their home/ office in Washington DC.

Think about how this works. For example: Trump issues an immigration executive order; the OFA signals for protests and statements from pro-immigrant groups; the ACLU lawyers file lawsuits in jurisdictions where activist judges obstruct the laws; volunteers are called to protest at airports and Congressional town hall meetings; the leftist media springs to action in support of these activities; the twitter sphere lights up with social media; and violence follows.

All of this happens from the ex-president's signal that he is heartened by the protests.

If Barack Obama did not do enough to destroy this country in the 8 years he was in office, it appears his future plans are to destroy the foundation on which this country has operated on for the last 241 years.

If this does not scare you, then we are in worse trouble than you know.

We are losing our country and we are so compliant. We are becoming a "PERFECT TARGET" for our enemy!

THANK YOU ROCCO

PUZZLES BY NICK

Three brothers, identical triplets, are named John, James, and William. John and James tell only lies. William tells only the truth. John is a gambler and owes money to a lot of people. One day John was seen on the street by one of the people to whom he owed money. The man could not tell which brother it was, but figured out how he would find out. He asked one question. Can you guess what the question was?

Which popular soft drink brand was named after a slang term for moonshine?

THUNDERBIRD, MELLO YELLOW, MOUNTAIN DEW or RIPPLE?

The Renaissance Center is the tallest landmark in which city?

SAN FRANCISCO, SAN JOSE, BELAIR, DEROIT or HOUSTON?

According to a recent study, what is the world's deadliest animal?

SHARKS, SPIDERS, CROCODILES, MOSQUITOES or SNAKES?

THE LIGHTER SIDE

Two Blondes With Hammers...

Lynn & Judy were doing some carpenter work on a Habitat for Humanity House.

Lynn was nailing down house siding, would reach into her nail pouch, pull out a nail & either toss it over her shoulder or nail it in. Judy, figuring this was worth looking into, asked, "Why are you throwing those nails away?" Lynn explained, "When I pull a nail out of my pouch, about half of them have the head on the wrong end & I throw them away." Judy got completely upset & yelled "You moron! Those nails aren't defective! They're for the other side of the house!"

The pastor asked if anyone in the congregation would like to express praise for answered prayers. Suzie Smith stood and walked to the podium. She said, "I have a praise "Two months ago, my husband, Tom, had a terrible motorcycle wreck and his scrotum was crushed. The pain was excruciating and the doctors didn't know if they could help him." You could hear a muffled gasp from the men in the congregation as they imagine the pain that poor Tom must have experienced. "Tom was unable to hold me or the children," she went on, "and every move caused him terrible pain. We prayed as the doctors performed a delicate operation, and it turned out they were able to piece together the crushed remnants of Tom's scrotum, and wrap wire around it to hold it in place."

Again, the men in the congregation cringed and squirmed uncomfortably as they imagined the horrible surgery performed on Tom. "Now," she announced in a quavering voice, "thank the Lord, Tom is out of the hospital and the doctors say that with time, his scrotum should recover completely." All the men sighed with unified relief. The pastor rose and tentatively asked if anyone else had something to say. A man stood up and walked slowly to the podium. He said, "I'm Tom Smith." The entire congregation held its breath. "I just want to tell my wife the word is sternum."
