Grand Knight's Report

The Grand Knight reiterated the fall schedule will be very busy and full of activities. He listed the events for each month:

- Already had our dinner on the 8th
- Tootsie Roll drive coming up on the 15th, 16th and 17th

October:

- Monthly dinner on the 13th
- Membership drive on the 13th and 14st
- Confirmation rehearsal dinner on the 12th

November

- Monthly dinner on the 10th
- Kicking off the Coats for Kids drive

December

- Senior dinner on the 2nd
- Monthly dinner on the 8th
- Confirmation rehearsal dinner
- Breakfast with Santa

With these things in mind, we had a Planning meeting the previous week and decided to push back the Social event till January 19th. Brother Richard Botteron will still head up the event and if anyone has any ideas or questions, to please filter through him. Hopefully with the increase in time, the event can be even more successful than last year.

Last month the Grand Knight introduced the “Faith in Action” service program and its four categories of Faith, Community, Family and Life. Keeping in mind the busy fall schedule, timing of our new events and activities should be more focused in the new calendar year.

The Parish 40th anniversary is next year and Father Marc and Deacon Bill will be planning several events per month, and would like to see the Knights partner up with their various committees to participate in and support events with any set up or preparations. These events will mesh with our "Faith in Action" framework, benefitting all involved.

Our next Planning meeting will be held on September 24th. These are less formal meetings for brothers to plan upcoming events or discuss ideas. They are typically attended by the Faith in action coordinators but all are welcome. If you chair an upcoming event, you will be asked to come and ensure all planning has been completed. Deacon Bill will be attending our next meeting to discuss parish events for next year.

State District Master, Rich McDermott who is responsible for the 4th Degree Assemblies has replaced Joel Plante in this role as Joel's term has ended. Rich McDermott's former role of State Ceremonial Director will be filled by Ed McCann. They are past state deputies and will be responsible for more definitive exemplification schedules, including 2nd and 3rd degree.

Last month's Knight of the month was finally accepted by Chancellor John Faro. This month's Knight of the Month was Brother Joe Tabbi for his smooth operation of the take-out component of our monthly dinners. Joe has a process down to a science and his work there is very much appreciated. Congratulations to Joe.

PUZZLES BY THE SMC

1. Flat as a leaf, round as a ring; has two eyes, can't see a thing. What is it?
2. There is a dead man in the middle of a field, nothing is around him and there are no footprints of any sort. There is an unopened package next to him. How did he die? HINT: As he approached the field he knew he was going to die.

3. I am a three digit number. My tens digit is five more than my ones digit. My hundreds digit is eight less than my tens digit. What number am I?

On The Lighter Side

Five surgeons were talking about the best patients...

First surgeon says, "Accountants are the best to operate on because when you open them up, everything on the inside is numbered."

Second surgeon says, "Nah - librarians are the best. Everything inside them is in alphabetical order."

Third surgeon responds, "Try electricians, man! Everything inside them is color coded!"

Fourth surgeon intercedes, "I prefer lawyers. They're heartless, spineless, gutless, and their heads and butts are interchangeable."

To which the fifth surgeon, who has been quietly listening to the conversation, says, "I like engineers. They always understand when you have a few parts left over at the end."

The day finally arrived: Forrest Gump dies and goes to Heaven. He is met at the Pearly Gates by Saint Peter himself. The gates are closed, however, and Forrest approaches the gatekeeper.

Saint Peter says, "Well, Forrest, it's certainly good to see you. We have heard a lot about you. I must inform you that the place is filling up fast, and we've been administering an entrance examination for everyone. The tests are fairly short, but you need to pass before you can get into Heaven."

Forrest responds, "It shore is good to be here Saint Peter. I was looking forward to this. Nobody ever told me about any entrance exams. Shore hope the test ain't too hard; life was a big enough test as it was."

Saint Peter goes on, "Yes, I know Forrest. But, the test I have for you is only three questions. Here is the first: What days of the week begin with the letter 'T'? Second, how many seconds are there in a year? Third, what is God's first name?"

Forrest goes away to think the questions over. He returns the next day and goes up to Saint Peter to try to answer the exam questions.

Saint Peter waves him up and asks, "Now that you have had a chance to think the questions over, tell me your answers."

Forrest says, "Well, the first one, -how many days of the week begin with the letter 'T'?" "Shucks, that one's easy; that'd be Today and Tomorrow!"

The saint's eyes open wide and he exclaims, "Forrest! That's not what I was thinking, but ... you do have a point though, and I guess I didn't specify, so I give you credit for that answer."

"How about the next one" says Saint Peter, "how many seconds in a year?"

"Now that one's harder," says Forrest. "But, I think and think about that, and I guess the only answer can be twelve."

Astounded, Saint Peter says, "Twelve! Twelve! Forrest, how in Heaven's name could you come up with twelve seconds in a year?"

Forrest says, "Shucks, there gotta be twelve: January second, February second, March second...."

"Hold it," interrupts Saint Peter. "I see where you're going with it."

"And I guess I see your point, though that wasn't quite what I had in mind.

I'll give you credit for that one too."

"Let's go on with the next and final question," says Saint Peter, "Can you tell me God's first name?"

Forest says, "Well shore, I know God's first name. Everybody probly knows It's Howard."

"Howard?" asks Saint Peter. "What makes you think it's 'Howard'?"

Forest answers, "It's in the prayer."

"The prayer?" asks Saint Peter, "Which prayer?"

"The Lord's Prayer," responds Forest: "Our Father, Who art in Heaven, Howard be thy name..."
