KNIGHTS OF COLUMBUS — SAINT THOMAS MORE COUNCIL 2188

## GRAND KNIGHT'S MESSAGE

# A thriving culture

We're in October and the season of Fall is upon us. Get out and enjoy God's gift of beautiful weather, charge your batteries. The holidays are just around the corner.

My message this month is to all members but especially to those who aren't active. Knighthood is a wonderful thing to be part of. I believe that under past leadership the culture of our council has changed; I vow to have that culture change continue.

I realize a lot of you find it difficult to attend quarterly business meetings. I understand family and life in general has changed nowadays.

Many of you who fit the above always answer our call when there is a special need or project. For that, I'm extremely grateful.

At 2188, we have started a few programs that have produced fruit. Our monthly members night, for example — where we get together, socialize, and enjoy some of DGK Joe's good food, watch sporting events or play some enjoyable games — has brought in new members this past Columbian year. Every invite that's emailed always encourages you to bring a friend, and it always will.

In the next week or so you will be receiving a checklist of our activities and projects for this Columbian Year.

Read review it and determine if there's any events you can assist us with. I ask, Can you give us 12 hours of service time this Columbian Year? If all of you give us just 12 hours service time, our council could reach new heights.

The four pillars of Knighthood

"Charity, Unity, Fraternal & Patriotism" are all there for your taking.

Upon closing, please enjoy this great month of October and look forward to receiving our checklist and reviewing it. Again, I'm asking 12 hours of service time this year.

As always, if any of you have a any questions, please don't hesitate to email me. I promise to connect with anyone who reaches out to me.

## Knights helps Spectrum for Living get families and their dogs moving

On September 25, Overpeck Park in Ridgefield Park was the setting for Spectrum for Living's annual Family 5K, Walk, and Doggie Dash. Participants included individuals, teams, civic groups, and businesses, all eager to run, walk, roll, and stroll in support of adults with intellectual and developmental disabilities.

"We are pleased to have been able to offer the community a safe and family-friendly way to support our organization and the many individuals that we serve," says Christopher Perry, President and Chief Executive Officer of Spectrum for Living. "Our event was well-attended, Mother Nature blessed us with a beautiful day, and our more than 200 participants were all enthusiastic to show their support for Spectrum for Living."

"Through the generous volunteerism and contributions of the Knights of Columbus of Westwood 2188 and Ramsey 3962, we offered each participant a barbecue lunch at the close of the race," says Elizabeth Boyajian, Director of Development at Spectrum for Living. "Even our furry friends received custom Spectrum for Living water bowls."

Our council donated hamburgers, cheese, buns, condiments and paper products while Council 3962 with the help of John Flynn, cooked and served the meals.

# Pray the Rosary

**LECTURER'S  
REFLECTION**  
KEN FODOR

October is dedicated as the Month of the Rosary. And on October 7, we celebrate the memorial of Our Lady of the Rosary.

The feast has a remarkable story behind it, and its origins go back to the 16th century. The Ottoman Empire was threatening Western Europe and sent a fleet of ships to attack the Christian strongholds around southern Europe.

Pope Pius V organized his own armada that he called the Holy League to push back the invading Turks. On October 7, 1571, the two great navies engaged in a pivotal sea battle — The Battle of Lepanto — involving more than 400 ships. It was to be the largest naval battle in Western history for centuries. At stake was control of the Mediterranean, Adriatic, and Aegean seas and indeed Western Europe itself.

Pius, recognizing the do or die nature of the battle, requested that the faithful pray the Rosary, asking for the Blessed Mother's intercession for the success of the Holy League navy. At the Battle of Lepanto, the Turks were defeated and the maritime expansion of the Ottoman Empires was permanently thwarted. Incidentally, this year marks the 450 anniversary of the Battle of Lepanto.

A year later, Pius V established a feast on October 7 in honor of the Blessed Mother as Our Lady of Victory. It was later changed to Our Lady of the Rosary to recognize the power of the prayer that wrought the triumph of that day.

As knights, we should be well acquainted with the Rosary and its efficacy as a spiritual weapon. When we are inducted into the order, we receive a new set of beads and are

told "to carry this Rosary with you always and to pray it as often as you can."

Many, many saints have recommended the Rosary as a daily prayer.

Louis de Montefort said that devotion to Mary brings us closer to Jesus.

"We never give more honour to Jesus than when we honour his Mother, and we honour her simply and solely to honour him all the more perfectly. We go to her only as a way leading to the goal we seek — Jesus, her Son."

St. Pope John Paul II called the Rosary his favorite prayer, "in which we meditate with Mary upon the mysteries which she as a mother meditated on in her heart." (Lk. 2:19) (Osservatore Romano, 44; Oct. 30, 1979)

For those who want to move beyond vocal prayer, it is the perfect doorway to meditation and contemplative prayer and allows us to focus on the pivotal events in our Savior's life.

But sometimes it can be difficult to pray the Rosary as it really should be prayed. From what I've read, it's a fairly common challenge, one, I admit, I continually face when sitting down with my beads.

St. Jose Maria Escriva once remarked how a devout Catholic should approach the recitation of the Rosary:

"The Rosary is said not with the lips alone, muttering Hail Mary's one after the other. That is the way over-pious old men and women rattle them off. For a Christian, vocal prayer must spring from the heart, so that while the Rosary is said, the mind can enter into contemplation of each one of the mysteries."

With all due respect to St. Jose, that can be more easily said than done. Fortunately, there are many books and resources offering meditations and Scripture references that can aid us in praying the Rosary. Here are just a few that I've found helpful.

**THE ROSARY WITH BISHOP ROBERT BARRON** — a new publication that contains long and short meditations for each mystery. Bishop Barron has recorded the Rosary with these meditations on YouTube so you can pray along with him.

**THE ROSARY OF POPE JOHN PAUL II** — short meditations with commentary from the Catechism of the Catholic Church

**PRAYING THE ROSARY WITH POPE FRANCIS** — features short excerpts from the Holy Father's writing and talks.

**THE MAGNIFICAT ROSARY COMPANION** — meditations, prayers, and other commentary on the Rosary.

**THE ROSARY CHAIN OF HOPE, BY FATHER BENEDICT J. GROESCHEL, C.F.T.** — a deep dive into the history, meaning, and power of Rosary as a source of hope, with extended meditations by Groeschel. You'll need to set aside some time to pray with this volume.

**ROSARY MEDITATIONS FOR REAL LIFE, BY JAMES HAHN** — with meditations for work, children, marriage specifically written for men.

Brothers, in this month of October, let's renew our promise to carry our Rosaries always and to pray it as often as we can — for our families, our friends, our priests, our church, and our fellow brothers.

I'll close with these wise words from Pope Emeritus Benedict.

"The Rosary, when it is prayed in an authentic way, not mechanical and superficial but profoundly, it brings, in fact, peace and reconciliation. It contains within itself the healing power of the Most Holy Name of Jesus, invoked with faith and love at the centre of each 'Hail Mary.'"

**CHAPLAIN'S MESSAGE**

# Catholics in October

It was great to be with you a few weeks ago for the Installation of new officers for the current Columban Year! I pray it will be a fruitful time for the Council and for all the Knights and your families.

The Church celebrates a variety of things in October!

October is Respect Life month. This is a topic that the Knights have been dedicated to worldwide over many years – with a very solid ministry of prayer, which is absolutely central, but also with so much concrete help “on the ground,” especially in the purchase of countless sonogram machines which have allowed mothers to see their babies, and then, more times than can be counted, to change their minds about an abortion! A great tribute to the dedication of Knights everywhere!

It is so important both to pray and also to take action in the face of both Federal and State bills now in process that favor wildly expanding abortion and also limiting conscience protections for doctors and nurses. (click these links for Respect Life Month and for the proposed Federal bill).

October is the month of the Rosary! And it's also the year of Saint Joseph – who is the perfect model for every Knight. Saint Joseph is the very model of authentic manhood, of quietly (actually wordlessly, as he speaks not a single word in the Bible!) accepting what the Lord asks of him, and offering himself in sacrificial love in every moment to protect and to provide for Mary and Jesus.

In this year of Saint Joseph and in this month of the Rosary, what a great time to pray the Rosary and ask the intercession of Saint Joseph and the Blessed Virgin Mary for all the needs of our families and our Church, especially for the dignity of every human life in every moment!

Many blessings on all you do!  
 Blessed Michael J. McGivney, pray for us!  
 God bless you all!

This was the first live exemplification of the new degree ceremony to be held at our council. (A virtual degree was held in January.)

With the revised ceremony, these men completed their first, second, and third degrees in one exemplification and are now knights in the third degree. Be sure to give them a warm welcome when you see them at the next event.
