KNIGHTS on Sunday October 30th**

**Whether you are Democrat, Republican, or Independent forget about all the
Clinton e-mail. On April 8th2008 Hillary Rodham staff attorney for the House
Judiciary Committee during the Watergate investigation. Her Supervisor Jerry
Zeifman said “I fired her because she is a liar, she was an unethical, dishonest
lawyer, she conspired to violate the Constitution, the rules of the House, the
rules of the Committee, and the rules of CONFIDENTIALITY.” And she was still
appointed SECRETARY of STATE (Thanks Rocco)**

**RETIRED NEED A JOB!! CAN YOU BABY SIT, LOOK NO FUTHER APPLY AT
THE WHITE HOUSE. (THANKS ROCCO)**

**Congress just blew the whistle on the most outrageous waste of taxpayer money by the crooked
Obama family: First Grandma Marian Robinson, 79, will receive a LIFETIME \$160,000.00
government pension when she leaves the White House next year, according to congressional budget
statements.**

According to documents obtained through the **Freedom of Information Act (FOIA)**, Mrs. Robinson earned the lifetime pension for “services rendered as full-time/in-home caregiver” for granddaughters Malia, 18, and Sasha, 15, during President Obama’s two terms in office. This is shameful, blatant stealing! Michelle Obama’s mom not only got to live like a queen in the White House, but **they are going to pay her \$160,000 EVERY YEAR for the rest of her life for babysitting her own granddaughters.**

WOODROW WILSON, JAMES MADISON, THOMAS JEFFERSON, THEODORE ROOSEVELT**

**In which state is it illegal to dress up as a priest on Halloween?
MISSISSIPPI, DELAWARE, UTAH, ALABAMA, VIRGINIA**

**Which man died on Halloween from a ruptured appendix?

**What Irish Tradition Turned the Fortunes of a Once-Unpopular Food?
In the olden days, people didn't really like pumpkins, and they were more something farmers had to deal with getting rid of than something harvested for delicious pies. But in the 19th century, Irish immigrants started coming to America, bringing their traditions with them. Traditions that included carving turnips into lanterns for the Celtic festival of Samhain - a key originator of the Halloween holiday. And they found the perfect American substitute for the turnip: The pumpkin. Pumpkin sales and they became a staple of fall eating. All in all, it's hard to argue that it's a better choice than cabbage.**

THE LIGHTER SIDE TOUGH BEING OLD

#1 I very quietly confided to my best friend that I was having an affair. She turned to me and asked, "Are you having it catered?" And that, my friend, is the sad definition of "OLD"!

#2 Just before the funeral service, the undertaker came up to the very elderly widow and asked, "How old was your husband?" "98," she replied: "One year older than me" "So you're 97," the undertaker commented. She responded, "Hardly worth going home, is it?"

#3 Reporters interviewing a 104-year-old woman: "And what do you think is the best thing about being 104?" the reporter asked. She simply replied, "No peer pressure."

#4 I've sure gotten old! I have outlived my feet and my teeth I've had two bypass surgeries, a hip replacement, new knees, fought prostate cancer and diabetes I'm half blind, can't hear anything quieter than a jet engine, take 40 different medications that make me dizzy, winded, and subject to blackouts. Have bouts with dementia.

Have poor circulation;
hardly feel my hands and feet anymore.
Can't remember if I'm 85 or 92.
Have lost all my friends. But, thank God,
I still have my driver's license.

#5 I feel like my body has gotten totally out of shape,
so I got my doctor's permission to join a fitness club and start exercising. I decided to
take an aerobics class for seniors.
I bent, twisted, gyrated, jumped up and down, and perspired for an hour. But,
by the time I got my leotards on,
the class was over.

#6 An elderly woman decided to prepare her will and told her preacher she had two
final requests.
First, she wanted to be cremated, and second,
she wanted her ashes scattered over Wal-Mart.
"Wal-Mart?" the preacher exclaimed.
"Why Wal-Mart?"
"Then I'll be sure my daughters visit me twice a week"

A nervous passenger decided to purchase flight insurance at the ticket counter.
She had some time before the flights departure, so she stopped in a Chinese restaurant in the
concourse.
She started to shake as she read her fortune cookie...
"Today's investment will pay big dividends!"
