My Brother Knights,

Someone once said "Time Flies – Look at the Clock" How often do we say to others "I can't believe it's October already" Well guess what? It's November and four months of the fraternal year have passed. So I'll ask - WHERE HAVE THE PAST 4 MONTHS GONE? ANSWER – Look at a calendar! Lots of Grand Knights, DD's and others are saying what I said to them back in June - "Don't Blink"!

Look around. The leaves are turning, the temperatures are getting colder by the day; as I prepare this message Halloween is a week away and don't look now but Thanksgiving is 30 days away with Christmas following closely behind. We just finished a wonderful State retreat and now we move into the heart of the fraternal year with so many wonderful charitable and fraternal activities happening in the next few months!

What does this all mean to you? It means that right now, as you read this Crusader, one third (33%) of the Fraternal Year is over! We at the State Office are preparing for the Mid-Term Meetings for District Deputies in December and the Grand Knights in January!

I pose this question to all of you? "Have you assisted your Council and its officers in accomplishing one third of the goals set at the beginning of this year? I hope you have been part of these activities and are doing something to assist your Grand Knight and his officers in making a difference in your Parish, Community and Council. If so, that's great and congratulations. If not what can you do to assist to help move your council forward? Let me give you a few ideas.

These next 8 months can be very fulfilling and exciting for you and your council. We have so many programs available in the Church, Community, Council, Fraternal and Culture of Life areas that whatever time you can provide will bring you satisfaction and your council to new heights!

Our membership numbers in the State continue to grow, not as fast as we would like but we know it will get better! Do you know someone who wants to get involved in worthwhile Faith based activities and programs? I'm sure you do so ask him to join our order. This is what we are all about and we all know our Church and communities need our help today more than ever.

So many activities are available to you to make a difference in the lives of so many such as: free throw, poster and spelling bee contests for children through our Youth Activity programs; showing people in our Parishes what we do as Catholics by our Church and Faith in Action programs in Advent and at Christmas time; helping to feed and clothe those less fortunate through our Community and Fraternal Programs during the upcoming months when so many don't have the means to celebrate the holidays as we do. .

These are just a few and I ask you to seek out the Grand Knight and council officers and look at the programs you might be interested in and get involved! Help your council to grow in Charity and Fraternity! I ask you to look at the information in this edition of the Crusader for many current activities and those to consider for the future!

On behalf of my wife Maryann and me we want to wish you and your families a very Happy Thanksgiving! We hope God blesses you with good health and an abundance of joy at this special time!

Dear Brother Knights:

November is here and four months of the Columbian Year have passed...as we prepare for Thanksgiving, Advent, and Christmas we need to reflect back on the past four months and recall the goals established in July and our progress made towards those goals.

Every District Deputy was asked to bring in two new members per district, per month. Many of our 71 District Deputies have not met this goal. In fact, as of the end of October, the State of New Jersey has taken in only 325 new members for the entire Columbian Year. At this pace, we will not bring in 1,000 new members for this Columbian Year – our goal set by Supreme is 2,200 members. We have time this year to rebound from this weak start and we need to reflect on where we have been and where we are going!

In the State of New Jersey, **245 councils** have not brought in a single new member this year. There are approximately 340 active councils in New Jersey – that means that 72% of the active councils have not brought in a new member this Columbian Year. Being a glass is half full guy, I look at this as an opportunity for the remaining eight months of the Columbian Year. Moving forward, I am asking every member of the Order to bring in one new member this year. Ask your family members...do you have a member of your family who will be turning 18 in the next couple of months? When that family member is filling out their voter registration form, have them fill out a Form 100. What a great gift. What about that catholic gentleman you see at mass every week. You sit next to each other...you politely say hello to each other every week...do you even know his name? Introduce yourself and introduce him to the principles of Columbianism. As we have always been told, the reason men have never joined is the Order is that they have never been asked.

I look forward to meeting with the District Deputies at their Mid Term meeting on Dec 8 and with Council Officers around the state at the Mid Term Grand Knight meetings scheduled for several Saturdays in January, 2019. If you are the Grand Knight and can not attend, please make sure that your council is represented. If the State Membership Team can be of assistance to you or your council, please feel free to reach out to us.

May the Holy Season of Advent be a time of prayerful reflection and service to others for you, your family, and your Council.

Vivat Jesus,

Russell Petrocelli, FDD, State Membership Director

Program Corner

Brother Knights,

In light of the recent resignation of Brother Hal Delaney, FDD, I would like to thank him for his excellent work with all the State Council Programs. I am honored to have been asked to assume his role as we continue the vital mission of the Order. As a Catholic, fraternal, service organization, we perform so many great charitable works that help our Catholic Church, our community, and those less fortunate or vulnerable. In doing so, we receive great personal satisfaction and, fortunately, we are able to extend an offer of membership to those eligible so they, too, can share in this feeling. Remember that Membership and Programs go hand-in-hand. To keep our Order vibrantly alive, we must continue to bring in new members to help expand our programs and, likewise, we must offer worthwhile programs to attract new members. Therefore, I ask that you implement some new programs during this year and exemplify the principals of our Order for all in the community to see.

The goal of every Council should be the Star Council Award, and one of its components is the Columbian Award which demonstrates excellence in service programs and charitable outreach. Every functioning council should be able to fulfill this program requirement with some thoughtful planning! Besides filing the Report of Chosen Officers (Form 185), the [Service Program Personnel Report](#) (Form 365 due 8/1/18), the [Annual Survey of Fraternal Activity](#) (Form 1728 due 1/31/19), and the Columbian Award Application (Form SP-7 due 6/30/19), as well as remaining in good standing with Supreme Council assessments, there are three important additional requirements which are explained further in the [Faith in Action Guidebook](#) (Form 10590) :

- 1) Full compliance with [SAFE ENVIRONMENT](#) requirements including prompt training for the Grand Knight and Program Director, as well as prompt training and background checks for the Family Director and Community Director.
- 2) Four mandatory programs (one for each "Faith in Action" category): For Faith: [Spiritual Reflection](#), For Family: [Consecration to the Holy Family](#) , For Community: [Helping Hands](#), For Life: [Novena for Life](#).
- 3) Total of FOUR major programs (1 mandatory above and 3 others) in EACH of the Service Program categories: FAITH, FAMILY, COMMUNITY, and LIFE. (16 programs in all)

Please plan early for your future events and consider the following for November:

- Mass and Memorial Service for Deceased members (Faith) (*Pg145)
- Family of the Month and Knight of the Month – monthly by 15th (Family) (*Pg111)
- State Soccer Challenge (Community) (*Pg210)
- Order Basketball Free Throw Kit (Community) (*Pg199)
- Keep Christ in Christmas Poster Contest (Family) (*Pg 213)
- Keep Christ in Christmas Program – Order cards by 11/23 (Faith) (*Pg137)
- Keep Christ Before Us Christmas Coloring Books-Order by 11/15 (Faith) (*Pg131)
- Seminarian Letters Program and RSVP Program (Faith) (*Pg138&144)
- Child ID Kits (Free!)(Community) (*Pg189)
- Marian Devotion Program (Faith) (*Pg305)
- Coats for Kids – Order now! (Community) (Pg163)
- Food for the Hungry – especially for Thanksgiving (Community) (*Pg169)
- American Wheelchair Mission (Community) (*Pg182)

*Note: Details for each of the above are in the [Grand Knight Handbook!](#) TAKE THE TIME TO LOOK!

In closing, the General Programs Team wishes you and your family a safe and happy Thanksgiving. God bless you for your dedication to the Order and to our Catholic Church.

PROGRAM of the MONTH

PATRIOTIC CORNER

Brothers,

With Thanksgiving this month and Christmas next month, that means it is getting to be time for indoor activities for the children. This is a great time to start planning your Council's Free Throw Tournament, which will take place in January. With School and Township Tournaments under way, it might be wise to reserve a gym now, don't wait until January.

The Tournament is open to boys and girls age 9 – 14. The child's age is determined by the age they are on January 1, 2019. Children under 9 or older than 14 on that date may not compete in the "Official Tournament", but that doesn't mean you can't hold a Council Tournament for the younger children, or a 3 pt competition for the older children

Free Throw Tournament kits can be ordered from Supreme or if you have forms left over from previous years, you may use them.

Competitors MUST be accompanied by a parent or guardian and MUST bring a copy of their birth certificate to every round of the Tournament they compete in.

After the Council competition is completed in January, your District Deputy will hold a round in February and the winners of the District Round will advance to the Diocesan Round in March. The Diocesan winners will compete in the State Finals, scheduled for early April 2019. Letters will be provided informing the Diocesan Champions of the location and time schedule for the State Finals.

In the past few years, we have had some of our State Champions go on to win the International competition and we hope to be fortunate again.

<u>ROUND</u>	<u>DEADLINE</u>
Council Free Throw:	January 2019
District Free Throw:	February 2019
Regional Free Throw:	March 2019
State Free Throw:	April 2019

Dear Brother Sir Knights:

Summer is over and Fall has arrived along with a new Master of the New Jersey First District, SK Paul Pinkman. November, with its cool temperatures, is a month of various endeavors. It is the month where we welcome all the new Sir Knights joining our Patriotic order at the Fourth Degree Exemplifications which will take place for both the Second District on Nov. 11th and First District on Nov. 18th, 2018. As Sir Knights, we are the eyes of the Knights of Columbus, as people see the Sir Knights in regalia at their churches, parades and other community functions. The Knights do so much for the church and community with donation, community work and other various activities.

Another significant date in November is Veteran's Day where we pay homage to all Veteran's for their sacrifices that they made in their lives so that we can enjoy the various freedoms we have in our country today and hopefully will have in the future. I ask that when you see a person in a Military uniform, or someone you know that is a veteran, please thank them for their service to our country. Hold a degree in honor of them or volunteer at a Veterans Home. Those who are still active military or first responders, inform them that they can protect their children with the Matthews and Swift Educational Trust Fund, among many other Fraternal Benefits.

It is also the month in which we honor our deceased members with a Mass to show our appreciation to them and their families, for their past service in our order and to show that they are not forgotten.

We take this time to be thankful. Thankful for what we have, for what our nation has provided for us, and that we are able to worship and practice our Catholic faith freely.

I look forward to working with Christopher Tomasello, Master of the 2nd New Jersey District, for his experience and support.

As for the Former Master, Russell Petrocelli, I have big shoes to fill and I will do my best as successor to such a Great Former Master. It is truly my honor to have been chosen for this position.

Vivat Jesus,

Paul Pinkman – Master 1st NJ District

P.S. Don't forget to get your police, fireman and EMT of the year names in by February 1st, to the respective chairmen.

SPECIAL PROGRAMS CORNER

Brother Knights,

November is National Alzheimer's Disease Awareness month. As discussed in last month's article, I hope all councils have planned a fundraiser or "shake the can" weekend to raise funds for **Alzheimer's Caregiver Respite Care**. See this [LINK](#) for where to send your donation. Even if you didn't specifically raise funds for this cause, you may still send a council check to help out!

Another Special Program truly needing your help is the **Autism Awareness and Family Support** program. Autism is the fastest growing disability in this country with the highest incidence rate in NJ where one in 41 persons are born with or develop autism. These families desperately need your support while they struggle with trying to understand their child's needs. They struggle with school systems that don't understand their special learning needs, and with a general public that thinks they don't know how to discipline their child. Through the "Autism Awareness and Family Support Program", the State Council is asking you to support the 501(c)(3) organization Parents Of Autistic Children (POAC) www.poac.net. POAC's mission is to improve the lives of children and adults with autism by providing scientifically-based training to parents, teachers, and other direct-service providers. In addition, POAC provides free recreational events for children and adults with autism and their siblings throughout the year. POAC also provides safety training to first-responders from every NJ county.

This is how your council can help: **a) Donations:** Hold a fund-raiser or just write a check payable to "POAC Autism Services" & send to POAC, 1989 Route 88, Brick, NJ 08724. **b) Participate in a [Walk-A-Thon](#).** **c) Have your council, as well as members, become sponsors of/join POAC www.poac.net/ways-to-help. Send an e-mail to State Chairman Bernie Ernst, FDD to let him know what YOU and YOUR COUNCIL have done for this important cause.**

Remember that Knights are not only **men of faith**, but also **men of action!** Keep up the great charitable works! The Special Programs Team wishes you and your family a Happy Thanksgiving, as we all give thanks to God for our many blessings. [Vivat Jesus!](#) [READ THIS LINK](#)

CULTURE OF LIFE CORNER

Brothers,

I hope you have had a successful Pro-Life Month with lots of activities! But now is the time to move on to the next battle in the war for the Cause for Life. You need to act quickly before we all get bogged down in activities for the holidays.

March for Life. With Pro-Life Month over, we need to focus on the March for Life in January. It will take place on Friday, January 18, 2019. The theme will be "Love Saves Lives." Additional information can be found in the trip planner at this [LINK](#).

Naturally, New Jersey Right to Life will again be holding its Rally at the Statehouse in Trenton.

As we no longer have a Pro-Life governor, we need to let him know how many New Jerseyans stand for Life. A huge showing will also give our lawmakers something to think about; a poor showing will let them know that we aren't a threat. More information on the rally will be posted on www.NJRTL.org.

If you are going to Washington, please be sure to provide your bus information at this [LINK](#). That way those who want to go, but whose parish or council is not sending a bus, can still catch a ride. The deadline is December 16!

The 20/20 Project. The postcard campaign to pass the Pain-Capable Unborn Child Protection Act continues! After being run successfully in the Camden, Paterson and Metuchen Diocese, the other dioceses will be doing so as well, with the Archdiocese planning it for January. The Knights here in NJ have so far donated \$4,100 of the \$5,900 in initial costs. If you have not made a donation to LifeNet to support this campaign, please do so this month. Send your check, made out to LifeNet, to 171 Clifton Ave., Newark, NJ 07104.

INSURANCE MATTERS

Who do you love more, the government or your family?

That is the question. Who do you love more, the IRS/state of New Jersey or your family? Poor planning ahead of time causes the government to get a great deal more of your hard earned nest egg.

First thing you have to do is ask yourself, "When I'm gone who do I want to get my stuff and my money?" Then you need to plan to do so.

I recently had to tell a 70 year old that when he dies, the money in his annuity will be taxable to his heirs. He didn't know that the gain, (the interest earned), was taxable at the time of the distribution. He also didn't know that the remainder of his 401K, however much will be there, is also taxable to beneficiaries. (And that if those heirs are under 59 ½, they also pay a 10% penalty to the IRS). Lastly, he didn't know that when he dies, (as he expects to go before his wife), that she will lose her social security check, (she will get his since it is larger, but the surviving spouse only gets one check not both).

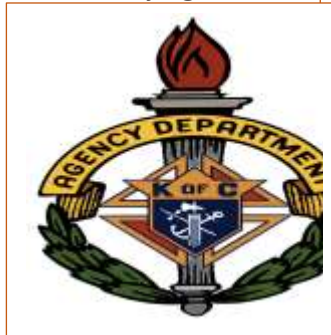

Retirement is not about how much you have. It's about replacing the income you used to make when your work. Dying without a will, (Intestate), means that you don't even get to decide who gets your stuff. A judge at the surrogate's court will appoint an attorney, at \$150-\$200 an hour to figure out what you have and who should get it. One thing to remember, is that even with a will you go through probate, but you can lower probate fees by properly structuring some of your assets so that they don't go through probate. Ask your agent how we can make that happen.

Estate planning is not just about where will we be buried, it's about how to get the assets that you want to leave to your heirs, (kids, grandkids, charity), to those beneficiaries without the government taking a large piece, (or any piece). Father McGivney's dream was that no Catholic family would suffer financially from the loss of a loved one.....today I think he would also want every Catholic family to keep as much of their hard earned assets as they legally can.

These are the topics that your Knights of Columbus insurance agent can help you with. That way, the people you love and not Trenton or Washington will get your assets when you pass.

Protecting Catholic Families since 1882.

. Efficiency in Responses!

It is no secret that I am half German, and that is my dominant trait, especially when it comes to efficiency.

I can be very responsive to your needs when you leave a voice-mail message for me, or an e-mail if you are as precise and detailed in your query:

1. Please leave your full name and title. If you are wanting me to send or provide something that is restricted I need to know your title.
2. Please provide your member #. If you need to check or reconfirm your access to certain areas of the website, it is all linked to your member #.
3. Please provide your Council and/or Assembly #.
4. If you are changing a Degree, I need to know the county, date and host Council #.
Normally you would contact your regional Aide for this, but sometimes time is of the essence.

Can I figure, or find this, without specifics? Sure! But it will be inefficient. Help me, to help you, faster!

Mail from me will be addressed as from Knights of Columbus State of New Jersey or Bernard.ernst@njkofc.org.

Mail with attachments will have the word SAFE in the subject line, and in the body.

My closing will always have 3 exclamation points (!!!). When in doubt, ask!

NOTE: Remember to post all Degrees through the state website.

FROM THE EDITOR'S DESK

Brothers,

With November rolling in, we have many things on our plates. From the first week to the last, there will be many things for us to think about and, hopefully, act on.

The Election will be upon us soon and we need to think long and hard about the choices we will make on that Tuesday when we pull those levers. I am not telling anyone who to vote for or how to vote on the important issues that appear on the ballot. What I am suggesting is that we think about what is best for the Country, State and Municipality you reside in. One big item we must seriously consider is how the candidates stand on issues that affect us, not only as American citizens, but as Catholic American Citizens. How can we, as Catholic Americans, even consider voting for a candidate that is pro-choice or pro-abortion? That goes against God's law.

The 2 weekends after Election Day are busy weekends in the St Isaac Jogues Province. Sunday, Nov 11th is Veterans Day, a day we should honor those that gave their time, service and lives to protect our way of life in this Country, as well as protected the lives of those in other Countries. It takes a lot of courage to step away from the family and join the armed forces

The Second NJ District will hold an Exemplification of the 4th Degree on that day. The First NJ District will hold an Exemplification on Sunday, November 18th.

Then comes the Thanksgiving Weekend and all the festivities that go with it. There will be Masses of Thanksgiving at our Parishes, dinners with family and friends, not to mention the Thanksgiving Day Parade and the ever popular football games. There are many Councils in NJ that cook, serve and deliver Thanksgiving meals for those that would otherwise be spending the day alone, eating a turkey sandwich from WaWa. Those Councils can always use your help with that program.

Speaking of giving thanks, we should give thanks to God for our family and friends and all that we have, materially and spiritually.

Say "Thank You" to a Veteran for his or her service.

We should give thanks to our Pastors for their vocations. They work hard for their Parish and Diocese, serving their parishioner as Spiritual Advisor, confessor, confidant, friend and guide. We can do this by offering to serve the Parish as Usher or Eucharistic Minister, assist with the RCIA and CCD programs, volunteer to help in the office or maintainance. Let your Pastor know that he and the work he does is appreciated, take him to lunch or dinner.

Don't forget to thank the Police, Fire Fighters, & EMT's in your area for their work. [John A Gazis, FDD](#)
