## **A new Lord's Prayer**

**BY A 15-year-old SCHOOL KID who got an A+ for this entry**

**The Lord's Prayer Is not allowed in most  
US Public schools any more.**

**A kid in Minnesota , wrote the following**

### **NEW School Prayer:**

**Now I sit me down in school  
Where praying is against the rule  
For this great nation under God  
Finds mention of Him very odd.**

**If scripture now the class recites,  
It violates the Bill of Rights.  
And anytime my head I bow**

Becomes a Federal matter now.

Our hair can be purple, orange or green,  
That's no offense; it's a freedom scene.  
The law is specific, the law is precise.  
Prayers spoken aloud are a serious vice.

For praying in a public hall  
Might offend someone with no faith at all..  
In silence alone we must meditate,  
God's name is prohibited by the State..

We're allowed to cuss and dress like freaks,  
And pierce our noses, tongues and cheeks...  
They've outlawed guns, but FIRST the Bible.  
To quote the Good Book makes me liable.

We can elect a pregnant Senior Queen,  
And the 'unwed daddy,' our Senior King.  
It's 'inappropriate' to teach right from wrong,  
We're taught that such 'judgments' do not belong..

We can get our condoms and birth controls,  
Study witchcraft, vampires and totem poles...  
But the Ten Commandments are not allowed,  
No word of God must reach this crowd.

It's scary here I must confess,  
When chaos reigns the school's a mess.  
So, Lord, this silent plea I make:  
Should I be shot; My soul please take!

Amen

**REFLECTIONS**

**THE BACK NINE**

**You know ... time has a way of moving quickly and catching you unaware of the passing years. It seems just yesterday that I was young, just married and embarking on my new life with my mate. Yet in a way, it seems like eons ago, and I wonder where all the years went. I know that I lived them all. I have glimpses of how it was back then and of all my hopes and dreams.**

**But, here it is... the “back nine” of my life and it catches me by surprise...How did I get here so fast? Where did the years go and where did my youth go?**

**I remember well seeing older people through the years and thinking that those older people were years away from me and that “I was only on the first hole” and the “back nine” was so far off that I could not fathom it or imagine fully what it would be like.**

**But, here it is...my friends are retired and getting gray...they move slower and I see an older person now. Some are in better and some worse shape than me...but, I see the great change...Not like the ones that I remember who were young and vibrant...but, like me, their age is beginning to show and we are now those older folks that we used to see and never thought we'd become.**

**Each day now, I find that just getting a shower is a real target for the day! And taking a nap is not a treat anymore... it's mandatory! Cause if I don't on my own free will... I just fall asleep where I sit!**

**And so...now I enter into this new season of my life unprepared for all the aches and pains and the loss of strength and ability to go and do things that I wish I had done but never did!! But, at least I know, that though I'm on the “back nine”, and I'm not sure how long it will last...this I know, that when it's over on this earth...it's over. A new adventure will begin! Yes, I have regrets. There are things I wish I hadn't done...things I should have done, but indeed, there are many things I'm happy to have done. It's all in a lifetime.**

So, if you're not on the "back nine" yet...let me remind you, that it will be here faster than you think. So, whatever you would like to accomplish in your life please do it quickly! Don't put things off too long!! Life goes by quickly. So, do what you can today, as you can never be sure whether you're on the "back nine" or not!

You have no promise that you will see all the seasons of your life...so, live for today and say all the things that you want your loved ones to remember...and hope that they appreciate and love you for all the things that you have done for them in all the years past!!

"Life" is a gift to you. The way you live your life is your gift to those who come after. Make it a fantastic one. LIVE IT WELL! ENJOY TODAY! DO SOMETHING FUN! BE HAPPY ! HAVE A GREAT DAY Remember... "It is health that is real wealth and not pieces of gold and silver. LIVE HAPPY IN 2016

LASTLY, CONSIDER THIS: ~Your kids are becoming you.....but your grandchildren are perfect! ~Going out is good.. Coming home is better! ~You forget names.... But it's OK because other people forgot they even knew you!!! ~You realize you're never going to be really good at anything.... especially golf. ~The things you used to care to do, you no longer care to do, but you really do care that you don't care to do them anymore. ~You sleep better on a lounge chair with the TV blaring than in bed. It's called "pre-sleep". ~You miss the days when everything worked with just an "ON" and "OFF" switch.. ~You tend to use more 4 letter words ... "what?"..."when?"..." ??? ~Now that you can afford expensive jewelry, it's not safe to wear it anywhere. ~You notice everything they sell in stores is "sleeveless"?!!! ~What used to be freckles are now liver spots. ~Everybody whispers. ~You have 3 sizes of clothes in your closet.... 2 of which you will never wear. ~~~But Old is good in some things: Old Songs, Old movies, and best of all, OLD FRIENDS!! Stay well, "OLD FRIEND!" TODAY IS THE OLDEST YOU'VE EVER BEEN, YET THE YOUNGEST YOU'LL EVER BE, SO ENJOY THIS DAY WHILE IT LASTS.

**When I stand before God at the end of my life, I would hope that I would not have a single bit of talent left and could say, I used everything you gave me. – Erma Bombeck**

**Ask and it will be given to you; search, and you will find; knock and the door will be opened for you. –Jesus**

### **PUZZLES BY NICK**

**Bob Tim, and Lisa are classmates, but they differ greatly in heights. Tim is 14 inches taller than Lisa. The difference between Tim and Bob is two inches less than Bob and Lisa. Tim is 6'6" tall. How tall are Lisa and Bob?**

**On the South Sea Island of Pingo-Pongo  $1/7$  of  $35 = 6$ . Never less the currency system based on dollars and cents.**

**An American tourist bought a book priced at \$1.50 in Pingo-Pongo money, and paid for his purchase with an American \$10.00 bill.**

**The storekeeper gave the buyer his change in Pingo-Pongo currency. How much money did he receive?**

**Once upon a time there was a blonde with long hair, blue eyes, she was sick of all the blonde jokes.**

**One day, she decided to get a make over, so she cut and dyed her hair.**

**She also went out and bought a new convertible.**

**She went driving down a country road and came across a herd of sheep.**

**She stopped and called the shepherd over.**

**"That's a nice flock of sheep.", she said.**

**"Well thank you.", said the herder. "Tell you what. I have a proposition for you.", said the woman.**

**"Okay.", replied the herder.**

"If I can guess the exact number of sheep in your flock, can I take one home?", asked the woman. "Sure.", said the shepherd.

So, the girl sat up and looked at the herd for a second and then replied, "382".

"Wow.", said the herder. "That is exactly right.

Go ahead and pick out the sheep you want to take home."

So the woman went and picked one out and put it in her car.

Upon watching this, the herder approached the woman and offered, "Okay, now I have a proposition for you".

"What is it?", queried the woman.

"If I can guess the real color of your hair... can I have my dog back?"

Two blondes walk into a bar, each orders a drink. They go and sit down and start toasting and cheering, "51 days! 51 days!!" About five minutes later, another blonde walks in, orders a drink, and joins the other two in the cheering. Finally, another blonde walks in with what looks like a cardboard picture. She puts the picture thing in the middle of the table, and starts cheering with the others, "51 days! 51 days!! The Bar Tender starts to get really curious, so he walks over to discover that the picture is a Cookie Monster puzzle. He walks over to one of the blondes and asks, "What on earth are you doing??" "Well," the blonde says, "everyone thinks blondes are so stupid, so we proved them wrong. On the box of this puzzle, it says 2-4 years, but we finished it in only 51 days!!!

### **Japanese Attack on Pearl Harbor**

In pursuit of its expansionist policy, fueled in part by the country's lack of natural resources, Japan planned to invade Malaya and the Dutch East Indies to take advantage of those territories' rich stores of oil and rubber. Japanese military strategists believed that knocking out the U.S. Pacific fleet in advance of these moves would reduce the chances of American intervention that would interfere with Japan's plans. A second motive for the Japanese attack was to deliver a staggering blow to American morale, which the Japanese hoped would discourage the United States from involving itself in a war that stretched into the far western Pacific and Dutch East Indies. Although Malaya and the Dutch East Indies were the

next targets of Japanese expansionism, they were not to be the last. Japan's military leaders had already set itself on a course to conquer all of

### **How Many Were Killed and Injured?**

The Japanese attack on Pearl Harbor took only about 90 minutes. When it had ended, 2,403 Americans were dead and another 1,178 were injured, according to Wikipedia. Breaking down the American casualties by branch of service, the U.S. Navy took by far the biggest hit with 2,008 sailors dead and another 710 wounded. The U.S. Army's losses totaled 218 dead and 364 wounded; U.S. Marines counted 109 dead and 69 wounded. In addition to the military casualties, 68 American civilians were killed and another 35 were wounded. Eighteen American ships were sunk or run aground. Of the vessels lost, five were battleships. Because of the nature of Japan's sneak attack, Japanese losses were much more limited. Japanese dead totaled 64 (55 airmen and 9 submariners). The Japanese air force lost 29 planes with another 74 badly damaged by anti-aircraft fire.

### **Had Japan Declared War on the United States?**

Admiral Isoroku Yamamoto, commander-in-chief of Japan's combined fleet until his death in 1943, reportedly had insisted that the attack should not begin until 30 minutes after Washington had been advised that peace negotiations were at an end and war was imminent. To that end, Japan had transmitted a 5,000-word message to its embassy in Washington that was to be handed over by the ambassador to the U.S. government. However, difficulty in translating the message into English resulted in a delay in delivering the message to the U.S. government. As a result, the attack on Pearl Harbor began before the U.S. government received any official word of the troubles to come.

### **Why Was the Death Toll on the USS Arizona So High?**

Although the USS Arizona was only one of 18 American ships either sunk or run aground in the attack, the death toll on the battleship was disproportionately high with the loss of 1,107 officers and crewmen. Japanese bombers made four direct hits on the Arizona, including one that pierced the ship's armored deck near the ammunition magazines in the forward section of the ship. Only seconds after the bomb hit, these magazines exploded, resulting in the extremely high death toll.
