COUNCIL 9058 NEWSLETTER

FROM THE DESK OF THE GRAND KNIGHT

SUPREME KNIGHT TELLS STATE LEADERS MEMBERSHIP KEY TO GROWTH AND STABILITY OF THE KNIGHTS OF COLUMBUS.

Our responsibility as the leaders of the Knights of Columbus is to assure the continued growth and sustainability of our Order. This is our first and primary responsibility,” Supreme Knight Carl Anderson told the gathered state deputies at the Mid-Year Meeting held in Orlando. The focus of this meeting was membership recruitment and retention.

“While we have other goals and activities that are necessary, no other task is sufficient to advance the Good of the Order if we do not advance membership growth. Everything we do depends upon membership,” he added.

Today there is a challenge that has to be met, he continued. Supreme Knight Anderson pointed out that the Knights of Columbus must recruit younger men and fathers of young families. Our councils need to emphasize programs more relevant to families with young children and we need to use recruitment tools that rely upon enhanced Internet and web-based connectivity.

It is necessary, he said, to recruit younger members in ways that respect the more limited time they have to dedicate to volunteer activities and to schedule council activities in ways that respond to the more limited time young fathers have to participate in activities outside the home.

“Our Building the Domestic Church While Strengthening Our Parish initiative combines two great traditions of the Knights of Columbus: building up Catholic family life and strengthening parish life,” Supreme Knight Anderson said. Parishes are the natural home of Knights of Columbus councils and where they thrive best while strengthening the parish community as a whole, he added. These parish-based councils can be the drivers within the parish that promotes Catholic family life and new charitable initiatives, and that calls Catholic men to greater spiritual formation and evangelical action.

“And these programs will do one more thing: They will help make our parishes more family friendly, especially for young families,” the Supreme Knight said. Along with this, he continued, the Building the Domestic Church: The Family Fully Alive program includes monthly themes, meditations, Scripture readings and activities for the whole family. It is a program for all families, but it is designed especially for young families. It can help families that need new ways to bring the light of the Gospel into their homes.

FROM THE DESK OF THE CHAPLAIN

My Brothers -

As you are aware, Thursday is December 8th, the Feast of the Immaculate Conception, a traditional Holy Day of Obligation. This year the day will hold a special importance for the Parish of Saint Anne.

As you know, the sanctuary furnishings have been slowly replaced, first the altar of reserve for the Tabernacle, then the pulpit and then the baptismal font. This week the crowning piece, the new altar, will arrive. At the 7:00PM Mass on the Feast of the Immaculate Conception, Bishop Libasci will be present to both celebrate the Mass and to also consecrate the new altar.

I would personally like to request that you consider making every effort to be present for this special ceremony and event in the life of Saint Anne Parish, giving witness to each other, and to Bishop Libasci, the life and vibrancy of our parish community.

Happy Advent and best wishes,
Sincerely,
Fr Marc

THE LIGHTER SIDE

Having lost most of his hearing a number of years ago, this elderly man goes to the doctor to be fitted with hearing aids which promise to allow him to hear 100%.

A month later, he returns to the doctor for a check up on his progress. The doctor tells him

that his hearing is perfect and asks if his family is pleased.

The man says, "Oh, I haven't told them about the hearing aids yet. I just sit around and listen to them talk. I've changed my will three times!"

A mother was reading a book about animals to her 3 year old daughter.

Mother: "What does the cow say?"

Child: "Moo!"

Mother: "Great! What does the cat say?"

Child: "Meow."

Mother: "Oh, you're so smart! What does the frog say?"

and this wide-eyed little 3 year-old looked up at her mother and in her deepest voice replied, "Bud."
