NEWSLETTER OF THE YEAR

COUNCIL 9058 NEWSLETTER

Grand Knight's Report

The Grand Knight started by thanking all the volunteers for their help with the Senior Dinner, he appreciated everyone's patience for working through a different kind of dinner with different challenges.

Monthly planning meetings continue to be a valuable tool in considering the details of upcoming events. If you have any input to this meeting, contact one of the facilitators of the Faith in Action Program, or a particular committee chairman. If you wish to attend, all are welcome.

The existing budget is an informal guide based on historical data. According to the data, we are pacing about \$3000 behind. This data is posted in the Members Only section of the council site in the "Council Documents" section. There will be a new budget created for the remainder of the fraternal year (January – June) based on new facts and figures. It will be reviewed by the Finance Committee (GK, DGK, FS, TR) and then sent to the council electronically for review. The council can share feedback before a vote to approve is taken hopefully at the January meeting. Once approved expenditures will then be considered authorized after a vote from the council. Anything outside the budget will need a motion and vote. Without additional income new donations will be limited.

The Grand Knight is seeking members to form a Dinner Committee to improve and streamline the event. If interested contact the Grand Knight or Deputy Grand Knight.

The Grand Knight highlighted the busy month with three more dinners to be served. He encourages all brothers to support and serve.

The Grand Knight then presented the Knight of the Month to Dan Beaulé. His well deserved recognition comes for his work with the Veterans Appreciation Dinner and consistent support of the Grand Knight.

Puzzles by the Social Media Committee

1. How can you add eight 8's to get the number 1,000? (only use addition)
2. A merchant can place 8 large boxes or 10 small boxes into a carton for shipping. In one shipment, he sent a total of 96 boxes. If there are more large boxes than small boxes, how many cartons did he ship?

On The Lighter Side

So Jesus came upon a crowd who were about to stone a woman. He looked at the crowd and said "let the person who has not sinned cast the first stone".

Shortly after saying this a woman came out of the crowd and hurled a stone. Jesus turned and said, "I hate when you do that Mom."

Moses was leading the Hebrews to the Red Sea and the Egyptians were coming fast.

Moses turned to his PR agent: "Where are all those boats I told you to get!"

The PR man said, "What boats? You never mentioned boats to me."

"Just great" said Moses; "what am I supposed to do, lift my staff and part the waters???"

The PR man answered: " If you can pull that one off, I can get you a whole section in the Bible."
