### GRAND KNIGHTS REPORT

**FROM THE GRAND KNIGHT:** Actually the PAST GRAND KNIGHT. First of all I would like to extend to the family of JOHN MARMAUD my deepest condolences. I know John enjoyed attending the meetings when he could and I was glad to see him there. I would also like to thank the members of our council that participated in the rosary and funeral Mass for John. I hear they did a wonderful job.

Next I would like to say THANK YOU to the officers who gave so much of their time and efforts to help get the council off to such a great start. Without you guys the council would still be struggling. It was a joy to work with all of you and I look forward to great things for many years to come. We have started building our history and it looks like a bright one for many years to come.

To the new OFFICERS taking over I encourage to continue the wonderful work that has already been started plus adding new adventures in the future. One of my most important goals in establishing this new council was to make as big of impact on our parish as possible from the beginning. We have accomplished that with style and honor. I am confident that the new officers will keep the ball rolling. If not I guess I will have to get out my whip and get them started again.

Please remember our council is not even 2 years old yet. We can still have growing pains. I will be with you to assist in any manner I can to help the council prosper and grow. I know Mike will do a fantastic job in my place.

Gordon Carmichael
