**Dates to Remember :** August 31, Cooking for Labor Day barbecue Sales  
September 1, Labor Day Barbecue Sales

**July Fourth Barbecue Sales:** The July Fourth Barbecue was the biggest Barbecue event we've ever had. Thanks to all who made this possible. We are planning an even bigger sales day for Labor Day> The cooking and preparation will be only slightly more ambitious, but we will need a lot more help on Labor Day morning for sales. Contact the Grand Knight if you can help out!

**Golf Tournament:** The Golf Tournament was a huge success! Many thanks to all who helped out! Let's start planning to make next year's tournament even bigger and better. This has the potential to be our most profitable fundraiser, when considering the ratio of manhours expended to dollars received. And besides, it's just plain fun!

**Volunteer Positions:** We still need a maintenance/handyman to take care of minor repairs and upkeep around the hall. Also, we need a custodial person to keep the hall clean and neat and ready for rentals. The need for rental income cannot be understated, since we need to defray some of the expense of maintaining the building. It costs thousands of dollars a year for taxes, licenses, permits, insurance and utilities, not to mention minor maintenance, repairs, and upkeep. Rental income helps reduce this somewhat, so that we can use more of the monies from our fundraisers for charity. Contact the Grand Knight if you can help out in one of these positions.

**Payment of dues:** If you are receiving this newsletter by email, your dues notices were also sent out by email. In some cases, a spam filter may prevent receipt of some mail, such as dues notices. As of this writing, we have more than 50 members who have yet to pay 2014 dues, despite the fact that two separate notices were sent out. If you have not paid your 2014 dues, please send them to Joe Weitlauf, 4400 Schneidman Rd, Paducah, KY 42003-3514. For more info, contact the Grand Knight.

## YOUR SHIELD FOR LIFE

Dear Brother Knight,

Congratulations on your membership in the largest Catholic fraternal benefits society in the world! The Knights of Columbus was founded by the Venerable Fr. Michael J. McGivney in 1882 to care for the widow and orphan, *"to render financial aid to its members and the beneficiaries of its members,"* as well as to unite and strengthen Catholics in their faith.

As your assigned KofC Insurance Agent, it is my duty to inform you of upcoming changes, and that **YOU MUST ACT NOW** to take advantage of the low rates for Long Term Care Insurance from **YOUR** Knights of Columbus **Insurance Program!!**

The **first door has closed** with the phase-out of Lifetime benefit policies, but the **3 year and 5 year plans are still available** at the same low rates, that have not changed since **introduction in 1999!! These will also be phased out in the near future!! (August??)** For eligible married couples, shared care benefits can extend the benefit period of either person for up to double the stated benefit period. OR, if both apply for and are approved for identical coverage, then a **15% discount** of premium applies!! **Please carefully consider whether the opportunity to apply before the rate increase is to your benefit.**

Safe and Secure; there is no more highly rated Insurer in North America than **your** Knights of Columbus **Insurance Program**. I look forward to meeting with you in the near future to determine how Long Term Care Insurance can provide benefits that assure comfortable living conditions in your elderly years and enhance the value of your financial plan and that of your heirs. Please contact me at the number below **if you would like further details about this low cost alternative that is about to become unavailable.**

# Knights of Columbus Announces: Accelerator Term Insurance Series

Adding to its portfolio of top-quality insurance products, the Knights of Columbus announced the new [Accelerator Term Insurance](#) series available to Knights and their eligible family members, effective this July.

The new series will offer term insurance protection up to age 85, a 15-year increase from previous term products.

Level Term Insurance offered in the Accelerator Term Insurance Series includes a special acceleration feature that automatically increases the initial death benefit of the policy by five percent for each of the first five years of the policy.\*

Accelerator Term Insurance is also convertible to permanent insurance, and comes with an optional full term conversion rider, which extends many of the guaranteed conversion options of the policy.

Term Insurance from the Knights of Columbus is an economical way to cover short-term needs such as income replacement, mortgage protection, debt protection, and tuition expense protection.

“We are always looking to update and to innovate to better serve our members and their families,” said Chief Insurance Officer Thomas P. Smith, Jr. “With the new Accelerator Term Insurance, we are giving our members and their families another fantastic option for protection.”

The release of the Accelerator Term Insurance Series comes amidst a year of records and firsts for the Knights of Columbus Insurance program. The program, founded by Venerable Father Michael J. McGivney in 1882, topped \$94 billion of insurance in force early in 2014, while also earning its 39th consecutive year of the highest possible ratings for financial strength (A++, Superior) from A.M. Best. The Knights was also named a 2014 “World’s Most Ethical” Company by the Ethisphere Institute.

Earlier this year, the Knights of Columbus launched the Young Adult Insurance Program, which offers term insurance protection to Knights and their spouses from ages 18-to-29.
