GRAND KNIGHTS REPORT

Recruitment Recruitment Recruitment

At the end of the my first meeting on July 1, 2014 I advised you of a new program that has been started by Gordon and myself to start getting new members in our council. I wish to try and fill in the details of this program.

1. We have based this recruitment on parishioners of St Francis by using the parish directory.
2. We have eliminated all known members of the Knights of Columbus Councils in our area. We have also only included the men parishioners.
3. We have made up a canned letter to introduce our council to the potential member along with this letter I have included two brochures on the Knights of Columbus. To this date we have sent out 21 letters to prospective members.
4. I have kept a copy of the letters with name, address and phone number for follow up by phone. The first set of 10 letters is ready for follow up calls to be made. The second set of 11 letters was mailed today 7-11-12. These will be ready for follow up calls in about a week to 10 days. My goal is to send out about 10 per week till completed.
5. We are going to need help in these follow up calls. It will be very important to keep notes on the letters for the contact information or lack of contact, Interest, and none interest.
6. When we get interested potential members I would suggest that we meet them at Mass to get an application filled out as soon as possible.
