Brother Knights:

It has certainly been another successful month for Council 4962! At the beginning of the month Gerry Sharkey and Rick Maude raised over \$4,000.00 for special needs children. Ed Columbus brought the religious from around the Diocese for our Religious Appreciation Dinner at the Hall. The Thank You letters and praises from Sisters and Priests alike continue to roll in. Jerry Kirchner and Tom Blausner were instrumental in purchasing and installing our first High Definition projector and screen. Our District Deputy and myself tested it out for Game 4 of the World Series and we invited all of you to test it out for Game 5. As we move forward look for Chiefs and Royals Watch Parties and Youth Movie Nights. In case you've missed the October events, we have our Tuesday night group for the Our Lady of Lourdes Christmas Tree Sale starting after Thanksgiving (contact me if you're interested in helping us out) and as always our Friday night card night. We want to welcome our third Hollo generation into the council as Joe Hollo (son of Stephen Hollo, Jr.) received his 1st Degree this October. We also want to welcome John Wood, who received his 1st degree in September. Things are beginning to slow down for the next couple of months but we plan on running 1st degrees during that time so if you know of someone that is interested in charity and working with the most active council on the West side of the State let us know. If I've missed anybody or any event, let me know either directly or through one of our regular attending Knights. Thank you for your continued service to the Lord and the Knights of Columbus.

Respectfully,

Mike Sweetland

## Greetings Ladies and Brother Knights:

Well, the annual Tootsie roll drive is completed and was very successful. Rick Maude and I would like to extend our sincere thanks to all the Brother Knights who made this year's drive a success. A very special thanks and gratitude to the St. Teresa "The Little Flower Auxiliary" who were there to help at a very critical time - Due to the weekend sports activities, Royals and Chiefs games, it was difficult to fill all the time slots for the drive and The Ladies Auxiliary was there to help. Thank you very much. I would also like to thanks those special Brother Knights who brought their family to assist. They too filled a huge hole. Had they not come, Rick and I would have to had fill-in those spots, when we're really needed to run supplies and pick up donations. So, thank you too. I'd also like to take this time to recognize two new Brother Knights who also stepped in to assist. Ron Vest and John Wood. As a matter of fact, John may have started a new trend. John brought his Granddaughter, Emily with him, and she too helped with donations. I believe she had a wonderful time. So, I would like to ask all those Grandparents, next year, please consider bringing a Grandchild. I not only believe they would have a wonderful time, but the education of just what we're conducting, and of who it will benefit from is priceless. As a plus, some of the younger children could be fulfilling some community services time for their own organization, so it's a win-win situation! I only hope that when this time next year rolls around, I can count on those same individuals to volunteer when we call for help again.

Thank you one and all
