Another Successful Golf Outing

Monday, September 21 was an ideal day for golf unlike last year when the Parish Golf Outing sponsored by the KofC was rained out after six holes. The weather was ideal for golf as 23 teams took to the links at Plum Creek. With a mulligan package of extra shots and throws (whatever that meant), some fantastic team scores were posted (21-22 under par). There were plenty of door prizes and silent auction items awarded plus the usual goody bag and a nifty SEAS golf shirt. The committee obtained a significant number of sponsors for the event which certainly will benefit the Little Sisters of the Poor, the Gibault School and the parish. Although, at this writing, the numbers are not known, the charities will certainly benefit greatly. Thanks go to Scott Ehnes, Ken Barthuly and Denny Davis for organizing this great event. If you missed it, make sure you put it on your calendar for next year. Note: Your editor and his team could only manage a score of five under even with a sub for the injured Scott Cunningham. Thanks, Mike!!!!

Men and Women Together

On Tuesday, October 13, The KofC Council 12387 will join the SEAS Women's Club for a night of fun. It is billed as a Trivia Night, but who knows what else will happen when these two get together. More info in the Oct 4 parish bulletin. Plan to be there to meet and greet your friends

40 Days For Life Needs You

Unless you have lived under a bushel basket lately, you know that videos of Planned Parenthood have exposed some horrific practices by this organization. You have an opportunity to try to stop this by spending an hour of prayer at either the Fishers or Georgetown Rd locations. Right to Life organizations have made great progress in shutting down PP at several locations. The power of prayer is not to be denied. Please help. Our assigned day is Monday, but you can go anytime.

Safe and Sacred Protocol Program

At the last Council Business Meeting, Roger Helmkamp introduced the Safe and Sacred Protocol program. An instruction sheet is available for members in our Council to complete this program. It is designed for those who work with our young people and it should be completed before the end of this year. A list of members that need to do this will be provided.

Advertising on the Council Web Site

The Council website hosted by UKnight is now completely functional thanks to Troy Sipes (congrats on the new baby) and several other Members. Justin Nevitt is looking for companies that would like to advertise on the site. If you can provide a lead, let him know.

Category-You Can't Keep Them Down

There are two Knights in this Council who have undergone serious surgery procedures recently. Bob Crisci had open heart surgery and Walt Gillespie had back surgery. Both are still in recovery but you just cannot keep them down. Bob was at TMIY last Friday and Walt, whose surgery was on 9/21 was at Mass last Sunday. Tough guys!!!

Guardian Angel Program

Deputy Grand Knight Larry Schulz will be introducing a new program designed to orient new members and encourage them to participate in Council activities. This program called Guardian Angel will involve our members as mentors to the new Knights. More info will be coming.

Pope Francis

He captivated Americans of all faiths during his visit last week. He must be worn out after such a schedule. There were many prayers offered by the Pope for many reasons, but if I could have talked with him, I would have asked him to pray for our country. We need it!! Ed.
