GRAND KNIGHT'S MESSAGE

Worthy Brothers--

Valentine's Day is always near and dear to one's heart. While driving to work after my morning prayers, I thank God for my great life and great wife.

Just like the Knights of Columbus, as one we can accomplish anything together with a little prayer.

Thank you to Brother Brian Kohler and his group of helpers for a fun filled Basketball Free Throw competition.

Upcoming events to organize are Friday Night Fish Fries during lent, St. Patrick's Day Party and a Spring Fling with the Red, Hot and Blue Band.

Anyone with any suggestions can email me or come to any meeting posted in the Navigator.

Have a great month and my God bless,

Joe Flatley, GK

Substance Abuse Poster Contest

Flyers were given to Maude Wilkens, Steinhauer and Our Lady of Perpetual Help for our Substance Abuse Poster contest. The posters have been picked up and I will bring them to our officers meeting on Tuesday, February 2nd for judging. If the meeting runs late, we can decide when a good time to do the judging will be.

FIELD AGENT'S REPORT

Plan for this Tax Day and into the Future

April 15 (tax day) is right around the corner. It's become popular this time of year to encourage the opening of an IRA or similar retirement annuity, or the depositing of additional funds into an existing account, as a tax-savings vehicle. Or perhaps someone has tried to convince you to open an account, touting the rate of interest that money in one of these accounts can earn. Let me join the chorus of folks encouraging you to open or add funds to an annuity, but for a different reason.

Certainly, contributing money to a Knights of Columbus annuity will allow you to save some money on your income tax return. And, our annuities do pay a very competitive interest rate, consistent with our primary goal of absolute safety of principal. Opening or adding to an annuity for these reasons, however, strikes me as taking a short-term view of a product that is designed to provide long-term security. How much security? How does retirement income that you cannot outlive — guaranteed — sound to you?

Here at the Knights of Columbus, you can open a retirement annuity for as little as \$300. Consistent and disciplined savings placed into that annuity over time can guarantee you an income at retirement that you cannot outlive. That guarantee — along with the fact that no one has ever lost money left in a Knights of Columbus annuity (remember — absolute safety of principal) — really will provide you with peace of mind.

I am happy to meet with you — at your convenience and in your home — to explain in detail the benefits of opening a Knights of Columbus annuity, along with the benefits of our top-rated life insurance, disability income and long-term care insurance plans.
