Brother Knights

Our busy year has begun! We will be opening with our Bowling League and our Golf Tournament this coming month. The Bowling has met but if you are still interested please contact Bill Umstead or Jerry Lichteig. I know some teams might need subs on occasion and it's always nice to have a pool of interested bowlers to choose from. The Golf Tournament is September 10th at Teetering Rocks. You can pay \$70.00/person at the door but you need to make sure you are registered BEFORE the tournament. You can contact me or Manny Cano. If you find yourself out at the Golf Course, you can also talk to John Hernandez. For those that don't want to play, we will need all the help we can get during the morning getting golfers registered, taking money and generally getting things organized. I'll be making phone calls to see if you can help out. This past month we had our two newest members, Josh Snow and Jordan Johnson, give a talk about their ministry, FOCUS, at the general meeting. It was very informative and represents our newest outreach arm for our Council. If you'd like to help them both, please look them up at the FOCUS website or contact me. The Council decided to help each young man do their work with a monthly gift of \$50.00/month for the next year. It's through our hard work and all of our fundraising efforts that we can support such work as Josh and Jordan's. It really makes me proud to be a Knight to see these young men evangelizing and helping young Catholics retain/maintain/sustain their relationship with Christ. Just around the corner we have our Council Picnic at the Hall, October 2nd starting at 3:00 p.m. Barbeque will be provided and we will watch the Chiefs game afterwards. Bring a side of your choice and the Council will have the drinks and Barbeque ready for you! We'll follow that event with our annual Tootsie Roll drive at Hyvee and Wal-mart. Contact Gerry Sharkey, myself or Rick Maude for details. The month ends with our annual, Ed Columbus organized, Bishop attended Religious Appreciation dinner. I know that Ed will be making phone calls looking for people to help.

Yours in Christ

I am in the beginning stages of talks with an organization that provides support services for homeless youth. The organization is called HALO. You can check them out at <https://haloworldwide.org/kansas-city/>. HALO routinely puts on job fairs and mock interviews for the older children involved with their organization. I am looking for members involved in the trades that can spend a day teaching children about their trade and how a young man or woman soon to complete their high school degree can get into that field. I am hoping that interested children can then go out and job shadow for a couple of hours to see what you do. For me, it is about showing disadvantage youth that there are skilled jobs available to them and that there is a wide variety of them as well. High Schools have eliminated shop classes, welding classes and auto mechanic training, etc. - how do you young men and women find out about these great jobs? If you are involved in a trade and can help out or know someone in your union that can help, please contact me via phone (816)-786-7512 or email Michael.sweetland@yahoo.com. I'd like to get a minimum of 5 different trades represented and we would shoot for sometime after the Tootsie Roll Drive and before Thanksgiving depending on your schedules and that of HALO. Please let me know and as always

Yours in Christ
