

THE KNIGHTLY NEWS

Council #14171

November 2016

After a short hiatus, we now have a new newsletter editor. Tony Pieranunzi has graciously agreed to put this together for us. At this point, Tony will be getting up to speed and you can expect to see abbreviated versions for now.

We will need to provide him with newsletter content, so any time you have good pictures from events, or anything of interest to the council, please forward the information to him!

Tony's email address is cornerstonex2@aol.com, and his phone number is 847-630-6500.
