To stay cool, the Knights of Columbus Meeting was held in the Church Cry Room. It was a little cozy, but served the purpose.

Knight of the Month – Brad Baker

Brad Baker has been involved steadily with the KofC over 30 years. You will find him helping in many of our events and some along with his family. This includes working at the Crab Dinner/Auction, parish breakfasts, parish picnic, etc. This year at the parish picnic, Brad and other Knights were challenged in cooking chicken that came frozen from the store and still managed to make it done for everyone. Thank you for all the years you have helped with our council and parish events.

Lady of the Month – Kathy Currie

Kathy Currie has been involved in supporting many KofC events with her husband Jim. She recently helped with the parish picnic and has helped with our dinner/auction too. Thank you Kathy.

Family of the Month – Scott & Angela Baker

Scott and Angela Baker are active parish members at St. Patrick with two growing boys. Scott has been supportive of our KofC council. Recently with Scott's good work in planning and coordination, the parish hall now has stronger WiFi throughout the building. His wife Angela, is past president of the women's club and is on several boards of charitable organizations. They also helped with the parish picnic too. Thank you to your family.

Minutes of the preceding meeting

The minutes of the preceding meeting were approved as read by the Council.

Notices and Applications

Ricardo Hernandez has filled out a Form 100 to be reactivated with the Knights of Columbus. Ricardo is a 1st degree Knight and we hope to have him go through 2nd and 3rd degree in October.

Grand Knights Report

Dave Bernklau presented the monthly awards and talked about a true story of a lady that was possessed with a demon. By citing the Rosary, the demon was exorcised from the lady with vivid images of the Blessed Mother pressing down on the ladies chest to force the removal of the demon.

profits. The snow cones were a huge hit with the kids and adults, with a line that never ended the entire evening. We soon learned that it took 3 people just to make snow cones. The response from the community was great with more donations to the Canby Pregnancy Care Center compared to the previous year. We need more help next year to reduce the shifts and allow everyone to enjoy the evening. Greg did a great job as MC for the event and was there at 6:00 A.M. to help set up and didn't leave until 2:00 A.M. after clean up. A big thanks to Paul Crawford, Ken Bepple, Bob Sheveland and Duane Kloser for helping with the setup, not only for our site, but for the Backstop Restaurant.

Family (Jim Currie, Duane Kloser)

Jim was not able to help, recovering from a virus. Duane Kloser coordinated the event with a lot of help from fellow Knights and Parishioners. Things got off to a rocky start after discovering that the chicken purchased from Thriftway was frozen and took more than an hour longer to barbecue. Even with the snafu, the picnic was a major success. A big thanks to everyone that stayed to help with the cleanup, especially Steve and Laura Heli in the kitchen. Tyler Smith and Duane Kloser did a great job using their vehicles in getting all the tables and chairs back to the Parish facility. A big thanks to the Hispanics for their help with clean up. We learned that we need more help with making snow cones and a utility trailer would be a big plus with cleanup.

Culture of Life (Duane Kloser)

Duane Kloser reported that we had approximately 200 signatures for the State Petition Drive to stop the funding of abortions in Oregon. Dave Bernklau will send them into the state. A big thanks to everyone that helped at all the masses to explain the petition to parishioners.

Membership (Dave Bernklau)

No new members.

Round Table Report (Eddie Herrera & Jesse Villarreal):

Jesse and Dave Bernklau will meet with the Hispanic Round Table on Wednesday, September 7th at 7:00 P.M.

Unfinished Business:

Duane Kloser discussed the needs to complete the 10th Street irrigation project. Mike Gorka will get in contact with Anderson Family Farms to get a quote on 220 kinnikinnick plants. Steve Heli will check to see if any of the street developers are willing to donate a couple yards of dirt to level out the areas around the boards. October 21st is the tentative date to lay down the fabric and plant the plants. Gayle Kirkpatrick is looking into the costs of getting additional

landscape timbers to complete the project and finish the area by the main entrance on 10th street.

Duane Kloser, Paul Crawford and Greg Perez met to discuss the possibility of hosting a Donna Cori Gibson concert at St Patrick Church during Lent or April. The upfront cost of \$450 was approved by a motion in August. Paul Crawford is working with Jerry Geiger to confirm a date. St. Peters Parish in Newberg is also looking into hosting a concert on the same weekend (Friday evening). In addition to airfare, other costs of \$795 must be paid to Donna for the concert. Our plan is to put on a fund raiser, such as a Spaghetti/Hispanic dinner prior to the concert.

The Wi-Fi system installed in the Parish Center is complete. Download streaming is now available in all class rooms, conference rooms and the gym. A big thanks to Scott Baker, Jim Currie, Deacon Jerry and Duane Kloser in completing this project.

A big thanks to Greg Perez in the coordination of snacks for our meetings in September.

Ron Suchanek reported that no progress has been made on the bulletin board in the auditorium.

The landscaping was completed in August around the church air conditioners. Thanks to Ricardo Hernandez for donating the money and Duane Kloser, Dave Bernklau and Jim Currie in helping with the landscaping border and the landscape rock.

New Business:

Save the date for the Pro-life breakfast. The date has been changed to Sunday, October 15th.

A 1st degree is scheduled for Saturday, September 16th at 9:00 A.M. Canby will use their degree team and not the video.

Remember, the weekend of October 7th/8th is the Ministry Fair at St. Patrick. Dave Bernklau and Ron Suchanek will attend a meeting with Jesse Villarreal to learn more about the event.

Charity Auction and Crab Dinner

Mike Schmader gave an update on the Charity Auction procurement of auction items from corporate sponsors. Bob Sheveland is heading up a team with Greg Perez, Dan Herberger and Terry Prince to procure Live Auction items. A maximum of 25 items are needed for the live auction with a maximum of 200 packages for the silent auction. No donations will be turned down, but this year multiple items will be combined into one package to make them more appealing, thus trying to limit the number of silent auction packages to 200.

A 2nd/3rd Degree is scheduled at the Abbey on Saturday, October 28th, at noon. We need to work on getting more Knights to this level. The cost is zero and everyone learns more about what it means to be a member of the Knights of Columbus.

An honor guard is requested for the Rosary Bowl on Saturday, October 7th at 9:00 A.M. Most likely, we will all be dressed in the old regalia.

Fourth Degree Report (Bob Sheveland):

A 4th degree exemplification will be held Beaverton on Saturday, September 23rd, at 1:30 PM at St. Cecilia's, which is located across the street from 5105 SW Franklin Ave. If possible, please plan to be there until 7:30 PM to attend mass and the banquet.
