Grand Knight's Report:

Brother Knights,

Our 2017-2018 fraternal year is "in the books" as they say, and what a successful year it was! I wish to extend my sincere thanks, as well as congratulations, to the many Brother Knights who made it all happen. In particular, I want to acknowledge our newest Past Grand Knight, Dave Straka, for his outstanding service and leadership to our council over the past two years. What a fantastic job! In fact, if you haven't heard yet, our council met all the requirements needed to win the Star Council Award this past year. Way to go, Dave, and way to go

Holy Spirit Council 7264!

And now it's time to look forward. It is with humble gratitude and honor that I assume the role of Grand Knight. Brothers, we are a service organization, and I look forward to the many opportunities that we will have to lead and to serve in our parish and in our community. Just as our parish goals have been focused on renewal and outreach, I want our council to emulate those same goals, and the first step is simple – get involved! I want to challenge every Brother Knight in our council to attend at least one council event during the upcoming year – a monthly meeting, a Corporate Communion, a Burrito Breakfast, a Patriotic Rosary, the Golf Tournament or one of our other fundraising events.

Granted, summertime tends to be less busy for us, but there will still be opportunities in the months ahead. On Monday, July 16th, we will have a Patriotic Rosary in the main church at 7:15pm following Adoration. As always, we'll need volunteers to do the readings and to lead in saying the individual decades of the Rosary. On Friday, August 10th, we'll be having a Council Fish Fry and Social starting at 5:30pm. A fish fry is something we've been talking about doing for some time, and we're hoping that it becomes a regular event for us. This first one will be limited to council members and their families – please RSVP by July 27th to Dave Straka (682-239-7460 or oneitalianstallion@gmail.com).

As for the rest of the year, our 2018-2019 event calendar has been drafted and will be passed out at the next Business Meeting, or you can access it now via our website www.kofc7264.org. Just click on the MEMBERS ONLY link (on the left), login using your member number, and then scroll down to the COUNCIL DOCUMENTS LIBRARY. For those who have been in the council for a few years or more, the calendar will look pretty familiar, but remember, it's not set in stone.

Dear David:

Thank you for your recent philanthropic support of Careity Foundation. We know you have a choice in where you make your charitable contributions and we are thankful that you have chosen Careity.

Every day we get calls in our office from people that need our help. Every day we are blessed with the opportunity to be able to say yes many times over.

We do things differently at Careity and it has been well received by patients and our partners. Because of these partners, including you, we are able to get back to the patient quickly with the information and appointments they need. The patient is number one to us.

We have trusted relationships with local cancer centers, local hospitals, local surgeons and our physician advisory board. In 2017 we were fortunate enough to provide almost two million dollars of direct patient services to cancer patients.

Careity's early detection screening programs are vital to the health and well-being of the community. The mammograms and biopsies we provide to women who are uninsured or cannot afford them have saved many lives through early detection. This year, because of continued support from organizations and individuals like you early detection of men's cancers is also our focus with this endeavor. Follow-up services for further study is coordinated by Careity and The Center for Cancer & Blood Disorders.

Thank you for helping Careity save lives. With your help, Careity Foundation will reach out and serve even more patients in 2018.

Donation Amount: \$1,000-Thank You For Supporting Careity!
