Grand Knight's Korner

Dear Brother Knights and Ladies,

I often struggle with the decision whether or not to watch the evening news. On one hand, I know it's good to be informed about what's going on in our community, especially when it comes to local weather, traffic, and sports. Let's GO Blues! However, it doesn't take long before I'm fed up with a news story about our city, particularly the crime and violence. This past week, I was caught up in the news regarding the actions taken by our governor to close the only remaining abortion clinic in Missouri. I was excited, celebratory, but it didn't take long to realize that the media was portraying this as a dark moment in our society, showing angry crowds of people. There were very brief glimpses of priests surrounded by prayerful people. The media did not interview any of our courageous faith-filled men or women. The media did not cover the great works of the Catholic charities and hospitals who provide care for women and children every day, no matter the circumstances. The media tries to silence our efforts in ending abortion, yet we are being heard. Can you sense the momentum of change? The Knights and Ladies have contributed to this momentum through awareness and education; charitable contributions; diligent voting; hours of peaceful sidewalk presence; chaperoning busloads of youth to Washington DC so our voices can be heard; and MOST importantly by unceasing prayer. This is HOPE. I encourage you to google search **"Do it Anyway"**, these inspiring verses were supposedly written on the wall of Mother Teresa's home for children in Calcutta. I find them reassuring when the rest of the world makes us feel like we don't belong.

God Bless,

Ed

*"Therefore I urge you, brethren, by the mercies of God, to present your bodies a living and holy sacrifice, acceptable to God, which is your spiritual service of worship. And do not be conformed to this world, but be transformed by the renewing of your mind, so that you may prove what the will of God is, that which is good and acceptable and perfect." **Romans 12:1-2***

Knights of Columbus Council 9522 Golf Tournament

The annual Knights of Columbus golf tournament is scheduled for Saturday, September 21, 2019 at Aberdeen Golf Club in Eureka. Registration will open at 11:30 with a light lunch prior to a 12:30 shotgun start. We will also have a delicious BBQ dinner catered by Dalie's Smokehouse following the golf. The entry fee of \$125 per player and \$500 per team is the same as last year. This includes food, beverages, and range balls. Hole sponsorships are available for \$125. There will be several on-course games, prizes, and an awesome raffle basket auction.

The worthy beneficiaries of this event will remain the same as recent history. Our primary charity is Challenger Baseball, which is an amazing organization for kids and adults with developmental disabilities. The goal of Challenger is to allow these individuals to bond with teammates with disabilities and their buddies without disabilities, who volunteer to assist the players. The goal is to have fun and make friends. We also support Lafayette Industries and their program to provide meaningful employment for adults with disabilities. St. Joseph Church is also a recipient of the proceeds. We rely heavily on the generosity and support of the Knights and will need even more support to achieve our goal for this year. We are in desperate need of more players, volunteers, and donations.

Please consider supporting us this year by sponsoring a team, sponsoring a hole in the name of a loved one or your business, donating raffle basket items for the auction, and volunteering for a few hours during the event. We hope to see you out at Aberdeen on Saturday, September 22!

BUILDING THE DOMESTIC CHURCH

While Strengthening Our Parish

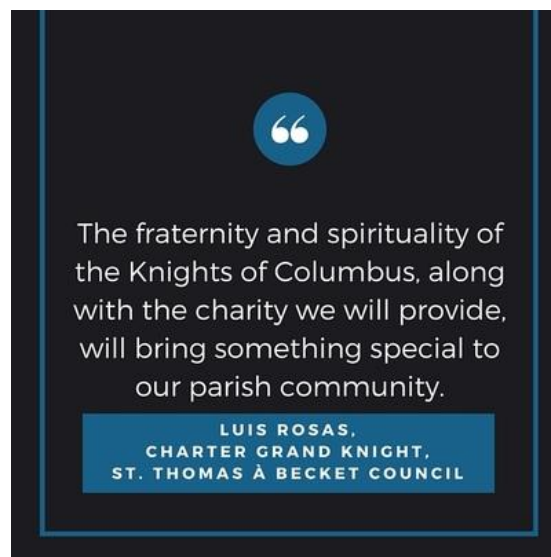

This Month's Challenge

Jesus said, "My children, I will be with you only a little while longer. I give you a new commandment: love one another. As I have loved you, so you also should love one another" (Gospel for May 19, Jn. 13:34).

"I give you a new commandment: love one another," we hear in the Gospel reading. We've heard this saying of Jesus before, but do we personalize it this and truly know it to be true? Statistically, we as Catholics in America today are not renowned for loving one another to the point that we risk sharing our faith with others. One recent poll found that only 6% of Catholics characterized sharing their faith as a "high priority." But Jesus invites us to do more. He does not call the equipped; he equips the called. And each one of us is called to love one another in the most profound way—by caring about others' eternal well-being.

Challenge by Supreme Chaplain Archbishop William E. Lori:

This month I challenge you to invite one person out for coffee, to your home, or an event at your parish. Tell them what you enjoy about the Catholic faith. Secondly, if they have been away from the Catholic Church, invite them back. If they are not Catholic, ask them if they would consider joining. Either way, be welcoming and nonjudgmental when they give their response.
