Brothers,

We have just concluded another successful state convention. All the state officers were again elected to their state offices. Congratulations to all my fellow state officers on their reelection. We were also privileged to have with us our Deputy Supreme Knight, Logan Ludwig. We extend our thanks and appreciation for his attending our annual state convention.

Kathie Difiore, from Several Sources Shelters, was our guest speaker at the banquet. Kathy gave a very moving and inspiring presentation of the tremendous work her organization is doing to save babies and help the mothers.

At our annual state convention banquet, the following awards were presented:

- Family of the year- The DiLoreto Family, Lou and Kathie, and their children Donnie, Brianna, Dakota and Sierra from Marlton N.J.;
- The DD Circle of honor:
Trenton Diocese - Paul Donini, Ed Michalak;
Paterson - John Walsh and Dave Coppola;
Metuchen - Scott Williams and John Brower;
Newark - Paul Pinkman and Charles Collins;
Camden - Mathew Gagnon and Joseph Williams
- DD of the Year: Paul Donini for his leadership in starting the "Shoulder to Shoulder" program, leading our support for the Police. My congratulations to all.

The end of the fraternal Columbian year is fast approaching. All councils are requested to send in their completed Sp-7 form by June 15-no later. If there are any discrepancies on the form we still have time to correct them and resubmit them to Supreme. All councils should clear their completed forms with their DD before sending them in.

On behalf of all the state officers, my congratulations and appreciation to all the DD's, councils and members for their continued commitment and dedication to our order. This past year New Jersey State Council again had a banner year. We are looking to do even greater things in 2017.

God Bless you all for what you do for our order.

My Brother Knights.

As the calendar turns from May to June, our thoughts turn to warm weather, long weekends at our favorite beaches, trips to visit family in locations other than where we live, basically vacation time with friends and family.

Two dates to remember during the summer months are important in the history of these United States of America. The first one is Flag Day, June 14, a day when people across America honor the National Colors and commemorate the Flag's adoption. On June 14, 1777, a Resolution was adopted by the Continental Congress following the report of a special committee that was assigned to suggest the Flag's design. The Resolution read as follow:

"That the flag of the United States shall be of thirteen stripes of alternate red and white, with a union of thirteen stars of white in a blue field, representing the new constellation."

Observation of the adoption of the flag was not soon in coming, though there are many claims to the first "Official observance" of Flag Day. One from a Hartford, Ct, celebration during the summer of 1861. At that time, schools all over the United States, as well as individual communities, held Flag Day programs to contribute to the "Americanization" of immigrant children.

Another claim is from New York, where, on June 14, 1889, the principal of a free kindergarten for poor school children had his school hold patriotic ceremonies in observance of the anniversary of the passing of the resolution. Shortly thereafter, the state legislature passed a law making it the responsibility of the school superintendents to ensure that schools hold observances for Lincoln's Birthday, Washington's Birthday, Memorial Day and Flag Day.

On June 14, 1954, President Eisenhower signed the bill inserting the words "Under God" to the Pledge of Allegiance, which many have tried to have reversed recently. Can you imagine the uproar if someone tried to do today what was done in Connecticut in 1861, or in New York in 1889?

The other major day in the history of our great country is July 4th. I believe we all know the significance of this date in our country's history and I am sure most know there were 5 citizen of New Jersey that signed that document: Richard Stockton, John Witherspoon, Francis Hopkinson, John Hart and Abraham Clark.

I hope you all have a splendid and safe summer with your friends and family, enjoying all this great country has to offer.

John

Membership Corner

June is here and it's filled with many different messages. Hopefully we are working on fulfilling our quotas for **STAR COUNCIL**, bringing in those last remaining members and working with our Insurance Agents to sign up fraternal benefit members. Even if we have not reached our goal of STAR COUNCIL it is time to check why we have fallen short. With a new year approaching, Grand Knights doing a second year or a newly elected Grand Knight must start planning now if you are to attain your goals. The State and Supreme will be providing membership training and hopefully you will take advantage of it.

It is time to sit down and speak with your Insurance Agent to map out a strategy to educate our members on the insurance programs.

Financial Secretaries and Retention Chairmen should definitely be taking leadership training and financial secretary training. Remember retention starts the day a member takes his first degree. Doing retention correctly makes all the difference in the world as to whether we lose a brother or retain him.

A strong membership team with an outgoing leader is an important part of the puzzle. Start planning your membership drives (**BLITZ**) and always remember that everything you do is a membership drive. **THINK OUTSIDE THE BOX**. Perhaps what you have been doing is not reaching your perspective members.

If you are struggling, let's talk. Either I or a member of the membership team will be more than happy to work on a plan that will be successful.

Your friend in Christ,

General Agents Corner

“Nobody says it’s too much.....”

In the years that I have been an agent, I have done the paperwork for hundreds of death claims. I have had the privilege of helping countless widows and widowers and grieving children who have lost a loved one. Taking the time to sit with them, do the paperwork for their Knights of Columbus policies and annuity contracts and helping them with forms for any other entity that they needed help with.

In all those years there is one constant.....No one has ever said, “**It’s too much I don’t need that much money.**”

Not one widow when faced with the loss of her husband, and the loss of some of her income, says, “No, take it back I don’t need it”. More often than not they say that they could use more and wished their husbands had taken out more insurance. Not one brother Knight who has lost his wife ever says, “Keep it, and give it to someone who needs it more”, when his wife has died. The more common comment is, “I wish I had taken out more, I have a lot of bills to pay.”

Most people are blissfully ignorant when it comes to what their true needs in retirement are. And what liabilities remain, when the ability to earn new money ends. Too often we hear from members, “my investments will cover, I don’t even need insurance”. Only to find out a few years later, when they lose a loved one that they really did need more insurance, as it ended up being a better value than trying to time or beat the market.

In a time when there are huge fluctuations in the value of the market from year to year and fees and taxes often eat up most or all of the gain you do make, we sell guarantees.

We guarantee that the death benefit will be there, when you or your loved one passes, as long as your premiums are paid.

We guarantee that, if applicable, you can access cash values of your policy in times of need.

We guarantee that, when everyone else is asking you for a check to pay off a debt resulting from the death of a loved one, that we will be there, bringing you a bucket of income tax free cash, to help you keep your head above water.

Permanent life insurance has been described by Forbes and CNBC as an asset class that needs to be in every family’s portfolio. And we are the best permanent insurance company in America, bar none. Top ratings for financial strength, and ethical conduct. A promise made by our founder Fr. Michael J. McGivney to be there when you need us the most. 134 years of fulfilling his vision and making it our vocation to help our brothers and their families. That’s what a Field Agent and General Agent does. That’s who we are and what we do.

Program Corner

Brothers,

Amazingly, we are reaching the end of the 2015-2016 Columbian Year. It has been a truly remarkable year. This year was an eye opening experience for the team and me, where we have seen an increase in service program involvement throughout the State. We found ourselves amazed at the creativity of Council's and Individuals who crafted new programs in response to the ever changing environment we live in. My sincerest thanks goes to Hal Delaney, Deputy Program Director, Joe Miller, Youth Activities Director, Peter Briody, Columbian Squires and Squire Rose Director, Rich Connor, Community Activities Director, Peter Kueken, Church Activates Director, John Castagna, Council/Fraternal Activities Director and Joe Wickham Special Programs Director, for their leadership by example. I would also like to thank our State Council Web Master, Bernie Ernst for keeping our online presence up to date and accurate. In addition, I would like to thank John Gazis for his hard work and effort on supporting Bernie with the website as well as for being the Editor in Chief of the Crusader, our e-Newsletter.

Most of all, I thank our program chairmen for their involvement and enthusiasm. Their contribution makes the difference. I have learned a great deal from the feedback on our programs we have received from our State Officers, District Deputies, Grand Knights, and Brother Knights. Your knowledge and support is always appreciated and makes a difference in how we respond to our organization's needs. The contributions and efforts of all these individuals were evident at the NJ State Knights of Columbus Convention during the Programs Award section of the agenda. Over 130 awards were given out in the 7 program areas, where many worthy Councils were eligible for recognition. But of course, only one can win.

I can say without hesitation that the New Jersey State Council is very fortunate to have such councils of distinction and caliber involved in our many service program activities. We can be very proud of the fact that they go the extra mile. As in the passage from Mathew 25:40 -- "The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.' Our NJ State Councils truly act as Disciples of Christ through their actions. They make a difference in our communities and they define just what the Knights of Columbus are all about: **Charity, Unity, Fraternity and Patriotism.**

As always, here are a few reminders:

Programs:

06/25 – **Grand Knights Meeting**, 7:45 am Mass, 8:15 am Registration. Invitation forthcoming.

06/26 - **State Tank Pull Competition**, Clifton. Register on line www.tankpullkofc.org

REPORTS DUE:

06/30 – Columbian Award Application **Due** (Form SP-7) (There's no reason it can't be sent it early)

07/01 – Report of Chosen Officers **Due** (Form 185)

I look forward to the coming Columbian year 2016-17. Let us, together, do our best to develop a calendar of programs with the tools supplied by our State Council and Supreme. Remember to have fun and work together to *Protect God's Kingdom.*

SPECIAL PROGRAMS

My Brother Knights,

Every year thousands of people are diagnosed as having an '*Autoimmune Disease*'. An autoimmune disease is one wherein the body's immune system turns on itself, what's called an immunity response, attacking its organs and internal systems, slowly destroying them. Autoimmune diseases can affect the connective tissue in your body (the tissue which binds together body tissues and organs), as well as other parts of your body such as nerves, muscles, the endocrine system (the system that directs your body's hormones and other chemicals), and the digestive system.

There are more than 130 diseases, which fall into this category of illness. Individually, autoimmune diseases are not very common, with the exception of thyroid disease, diabetes, and systemic lupus. However, taken as a whole, they represent the fourth largest cause of disability in the United States.

There is no definitive explanation as to the causes of most autoimmune diseases and most have no cure. They remain among the most poorly understood and poorly recognized of any category of illnesses. Individual diseases range from the benign to the severe. Symptoms vary widely, notably from one illness to another, but even within the same disease. But because the diseases affect multiple body systems, their symptoms are often misleading, which hinders accurate diagnosis. To help patients live longer, healthier lives, a better understanding of these diseases is needed, as well as a means of providing early diagnosis and treatment

The following is a short list of the better-known autoimmune diseases:

| | |
|----------------------|--------------------------------------|
| Multiple Sclerosis | Systemic Lupus Erythematosus (Lupus) |
| Rheumatoid Arthritis | Type 1 Diabetes |
| Scleroderma | Ulcerative Colitis |
| | Crohn's Disease |
| | Myasthenia Gravis |

For a complete list of autoimmune diseases as well as more information about them, including local or regional support offices point your Internet browser to www.aininc.org

The purpose of this program is to promote awareness and education of the diseases, which fall into the autoimmune category. As you can imagine research and progress into finding not only a cure but also the causes of many of these diseases is hampered by a lack of awareness and availability of funding for their research

You and your council can help those afflicted with autoimmune diseases, including your councils' members and family members, by hosting an 'Autoimmune Disease Education Talk' led by program chairman Jim Stoeber at a social meeting in your council, assembly, chapter or federation or after a Sunday mass in your church.

You can also raise funds to help those combating these diseases. Since this program's inception last year, Jim has traveled the state speaking to councils, chapters and federations educating them on this topic. Each presentation was well received and many attendees came forward to acknowledge that someone they know suffers from one of these diseases. Contact me for more information on ways to help or to request assistance in scheduling an education night or a fundraiser

CULTURE OF LIFE

Brothers:

With the 2016 State Convention over, we have one month left in the Columbian Year to reach our Culture of Life goals, if we haven't already. If you have reached your goal, try exceeding it. The year isn't over just because we're back from Wildwood. June is for dads, so let's celebrate and honor all the fathers out there with a rose sale, baby bottle drive, or a donation through the Save a Life or Share in Life programs. Maybe combine that with Adoption as an Option and make the donation in the name of an adoptive father in your council!

The competition for the Huggie Award in the Diapers for Babies program was quite fierce this year, with many more councils reporting participation. From the council reports, 46,227 diapers, 30,359 wipes, 1,780 units of formula and \$3,656.95 were sent to various crisis pregnancy centers, social service agencies and food pantries! We are making a difference with this program!

Congratulations also to those winning awards for Share in Life participation:

Our Lady of the Mountains (\$8,106.65), Father Capodanno Council (\$4,800), and Queen of Peace Council (\$1,800). Kudos also go to St. Joseph's Council 3402 for raising and donation \$41,800 to Cornerstone Women's Resource Center in Salem, NJ!

Spiritual Adoption Program. Another great way to promote the Culture of Life in June is to participate in this program! Talk to your pastor about scheduling a Pledge Drive in your parish to gather the names and e-mail addresses and scheduling a virtual baby shower at the end of the selected 9 months. Now is the time to get things on calendar for the Fall! Also, anyone who took a pledge card at the state convention should please email his or her name to [Bill Harris](#) as soon as possible. If you will be attending the Grand Knight's meeting later this month, please consider signing a pledge card if you have not already.

Grand Knights Meeting. Speaking of the Grand Knights Meeting, we will be launching a new and exciting program that spans both Respect Life and Catholic Citizenship. Please be sure that your council has a representative in attendance to find out the details! Remember, just because we are starting a new Columbian Year does not mean that the battle for the Culture of Life has ended; it continues on! You should be planning out your strategies for the new year and getting ready to implement them!

Vivat Jesus!

As The Curtain Comes Down...

June is a transition month. Students end one grade and advance to the next; they graduate from one level and move on to the next; or they go out into the work force. More weddings take place in June (10.8%), barely edging out April (10.2%). June is also the month when Councils and Assemblies hold their elections (actually between May 15th and June 15th – Sec. 128 Knights of Columbus Charter, Constitution & Laws) so members are elected to an Officer Chair; advance through the Chairs; or retire.

Some Officers never really retire completely, they eagerly transition as “Immediate Past Grand Knight” or they are elected to continue serving their fellow Knights as a Trustee, Director or Chairman. Or sometimes a combination of all three! There are some of your Brother Knights who have been asked to serve the State Deputy in a variety of positions. Most stay on as the State Officers were newly elected to a 2nd term of office at the State Convention.

About 25% of District Deputies will also be retiring at the end of June, to be replaced by a batch of new, eager men. So what happens to keep everyone informed through *The Crusader* as they step up; step down; or step laterally? We have a plan!

Current Grand Knights / Navigators who are continuing another term automatically remain on the mail server. As each Grand Knight or Navigator steps down, they are shifted to a “Past Grand Knight” or Past Faithful Navigator status on the mail server and will continue to receive *The Crusader* and other important State notices. The same holds true for retiring District Deputies, Program Directors and Chairmen.

For mail server purposes, and the upcoming 2016-2017 New Jersey State Council Directory, the current and incoming District Deputies will shortly be receiving a packet from the State Office including, among other items, worksheets and instructions for registering their assigned Council’s Grand Knight, Financial Secretary and Chaplain.

Assemblies, Federations and Chapters can log on now and register their organizations. State staff have been registering since March 1st, anyone who has not already done so are asked to please take a few minutes now and complete your registration. Deadline for all registrations is June 30th.

A word about your passwords: If you already have a password for the state website, nothing will change. If you are a newly elected / appointed State staff chairman; Grand Knight, Financial Secretary, Faithful Navigator, or Faithful Comptroller, you will need to register for a new security level or 2.

District Deputies are automatically assigned a level 3 when we receive notification. Your password never changes, only your security level. Once you are assigned a security level you will never be downgraded (i.e. a PGK remains at level 2).

As stated before, June 30th is the deadline to let US know of moves (up, down or sideways) and it takes us a month to sort and verify data), so by July 31st the mail server will be loaded and everyone *should* receive their August edition of *The Crusader*. Remember, for each role you assume on the local or state level you will be assigned into groups. If you have multiple roles you will receive broadcast mail for each of your positions. Targeted e-mails to particular groups will be only single e-mails.

* **PRIVACY NOTICE:** By submitting your original registration, or accepting an officer or staff position, you agreed to receive official New Jersey State Council Knights of Columbus e-mails from webmaster@njkofc.org. Should you decide, at any time, not to receive official New Jersey State Council correspondence and notifications please send an e-mail to optout@njkofc.org and enter Unsubscribe in the subject line. Please allow 72 hours for us to process your request.

* **PLEASE:** Remember to notify us if you change phone numbers, addresses, or e-mail addresses as we also update the State Directory and the mail server.

Patriotic Corner

My Brother Knights,

In addition to our many civic and social projects, as well as our work to promote and cultivate patriotism and pride in our country, Flag Day holds a special place of honor for the Knights of Columbus. In that vein, more than 60 years ago, the Knights of Columbus helped lead the charge to add "under God" to the Pledge of Allegiance on Flag Day, June 14, 1954.

The Pledge of Allegiance to the Flag of the United States originated on Columbus Day 1893 with no mention of Almighty God. On April 22, 1951, the Board of Directors of the Knights of Columbus adopted a resolution to amend the Pledge of Allegiance as recited at the beginning of every meeting of the 800 Fourth Degree Assemblies by the addition of the words "under God" after the words "one nation". The adoption of this resolution by the Supreme Board of Directors had the effect of an immediate initiation of this practice throughout the Fourth Degree Assembly meetings with numerous State Councils following suit.

Over the next three years, the U.S. Congress was inundated with similar petitions and resolutions. Persistence paid off with the adoption of the resolution by both Houses of Congress. The signing by President Dwight D. Eisenhower on Flag Day, June 14, 1954, finally made official the amendment conceived, sponsored and put into practice by the Knights of Columbus more than three years earlier.

In a message to Supreme Knight Luke E. Hart, on August 17, 1954, President Eisenhower, in recognition of the initiative of the Knights of Columbus in originating and sponsoring the amendment to the Pledge of Allegiance, said:

"WE ARE PARTICULARLY THANKFUL TO YOU FOR YOUR PART IN THE MOVEMENT TO HAVE THE WORDS "UNDER GOD" ADDED TO OUR PLEDGE OF ALLEGIANCE.....FOR THE CONTRIBUTION WHICH YOUR ORGANIZATION HAS MADE TO THE CAUSE, WE MUST BE GENUINELY GRATEFUL....."

Six years ago, at the request of Supreme Council and the New Jersey State Council, we established a ceremony to honor our National Flag and have successfully carried it forward each year since. We will continue that tradition on FLAG DAY TUESDAY, JUNE 14, 2016 at the MERCER COUNTY PARK VETERANS' MEMORIAL, starting at 12:00 p.m. This is a public event and all are welcome to attend. Color Corps members are invited to participate in the ceremony and form the honor guard escorting the Flag. If you are able to attend, please contact Sir Knight A. Thomas Ponting at 609-203-2390 or atponting@gmail.com so we can make arrangements for refreshments.
