## **Father Bob's Corner**

*At the Last Supper, Jesus gave his new commandment. He first demonstrated it. "He rose from supper and took off his outer garments. He took a towel and tied it around his waist. Then he poured water into a basin and began to wash the disciples' feet and dry them with the towel around his waist." And then Jesus made it very clear with his words, "Do you realize what I have done for you? You call me 'teacher' and 'master,' and rightly so, for indeed I am. If I, therefore, the master and teacher have washed your feet, you ought to wash one another's feet. I have given you a model to follow, so that as I have done for you, you should also do." At the Mass of Our Lord's Supper on Holy Thursday we celebrate 3 important events: the institution of the Priesthood, the institution of the Eucharist, and the command to serve. They are equally important in our lives as followers of Jesus. Therefore, serving others is not an option but a requirement for all of us. We need to humble ourselves and serve, serve our families, fellow church members, our coworkers, our community, our brothers and sisters who are hurting because of racism, economic need, lack of medical care, food, clothing, housing, etc. Jesus made it very clear what he expects of us.*

*Love & Prayers, Fr. Bob*

## **Grand Knight's Message**

*Easter greetings and blessings! I hope you and your families experience the peace and joy in the Resurrection of our risen Lord! Spring has supposedly sprung, but you'd never know it from our recent weather. Even though the days are getting longer, we haven't had too many warm days. Let's hope that March goes out like a lamb and that the warmth and sunshine will soon be here. We're trying to get in a couple more events prior to the end of the Columbian year. Once again, due to the pandemic, Supreme has modified the criteria for the program, recruiting, and insurance awards. We might be able to qualify for the Columbian award this year based on the new criteria. Please consider saying "yes" if asked to volunteer for any upcoming events. Our next meeting is scheduled for Tuesday, April 6<sup>th</sup>. We'll have an Officer Meeting at 6PM, followed by the Rosary at 6:45, and the regular Council Meeting at 7PM.*

**Pro-Life Notes**

*Our time on the sidewalk in view of the Planned Parenthood office became very interesting on my last day of marching for life during this session of 40 Days for Life. We had two unexpected visitors, God and Satan. Let me explain. On the one hand, there was Francine, who pulled up to our small group of 4 Pro-Lifers who were starting the 10AM shift. While remaining behind the wheel of her auto she thanked us for what we were doing but lamented that enough is not being done when a woman keeps her baby. Here is her story! Her rape happened 17 years ago. Her attacker was convicted and sentenced and is having a parole hearing this April. She is less concerned for herself in so much as she has a restraining order against him for herself, but because her daughter is a minor, this safe guard is not available to her. Restraining orders cost \$300 each year, and even if her daughter would be eligible for one, that would be \$600 each year, a steep price for a single mom who is working 70 hours a week just to make ends meet. She asked if there was anything we could do to help this situation because her attacker has been sending her daughter birthday cards and she expects trouble when he gets out. During the shift, we prayed for a mom who had seen the conception of her daughter as a life made in the image of God, a valuable human being, even if it was through a violent act. We prayed for the safety of her daughter, and for a change of heart of the mom's attacker. Just before the end of our shift, we became aware of two young ladies who, no doubt, were sponsored by Planned Parenthood. They were dancing at the far end of the sidewalk while holding signs promoting Planned Parenthood and abortion. They were quite athletic as they bounced around on the sidewalk in their tight tights and form fitting tops. They drew a lot of attention from passers-by on Oneida Street. Suppose they had to gyrate a ton to stay warm, as the temp was around 40 degrees and each had an exposed midriff to garner more attention. My group made two final passes through their display before the next group took over, mainly to show we were not intimidated by their misbehaving. Don't these young women realize they were once fetuses. They don't need compensation from Planned Parenthood, they need counseling. Unable to find words for counseling, I will pray for them for a conversion of heart..*

**50-50 Drawing:** *Congrats to Jim Jacque!!*

### **Did You Know?**

*Have you noticed that, although Christ's death was a most violent event, when we commemorate it during Easter, it brings us a huge measure of **PEACE**. What is **PEACE**? It is a collection of special graces that can be experienced by: **Practicing non-violence through encouraging words and compassionate actions; Evoking calm while others around us are agitated and irritable; Accepting difficult situations with grace and serenity as we work toward conflict solutions; Challenging others to seek local and global justice; and Entrusting our lives to God in faith-filled surrender and exuberant hope. Jesus did his part by offering us his PEACE....."PEACE I leave with you"** (John 14:27). Let us all strive to do **our** part.*

### **Council History**

*You will find the History of Council 4505 attached to this newsletter. I came upon some hand written notes when cleaning out our cabinet a while back and thought it would be good to make a permanent record of our history. This permanent record will also be displayed on the wall of the entrance to the Knights Room of the Gehl Center Enjoy!!!*

### **Insurance Corner**

*Ever consider a gift of life insurance for a charity that you have a soft spot in your heart for? If you qualify, the cost to you will be pennies on the dollar with the full gift being guaranteed after the first premium. A gift of life insurance is not subject to attack or contest by heirs. Your gift can be made with or without publicity. Your gift is received free of Federal income and estate taxes, probate and administrative costs, delays, brokerage fees, and transfer costs. And you know what? Your premiums are tax deductible if the charity owns the policy. Give **Jim Patz** a call, **920-264-8745**.*
