THE PREMIER CATHOLIC LIFE INSURER IN NORTH AMERICA

The Knights of Columbus is the premier Catholic life insurer in North America. The KOC life insurance program strives to help secure our Catholic families future and to provide the protection they need. This is done by putting families before dollars and doing the right things for the right reasons. This achievement is an obvious indication that this program is one of trust and that it certainly meets our needs.

A few months ago when we surpassed \$100 billion in life insurance in force, the Supreme Knight gave an interview explaining the significance of the achievement, and the relevance of the Knights of Columbus insurance in the marketplace. He stated that the program does not invest in companies that participate in abortions, contraception, human cloning, or embryonic stem cell research. He also emphasized that the \$100 billion of life insurance in force represents \$100 billion to protect lives and to save homes – it’s a \$100 billion of trust and of financial protection for our Catholic families.

A full interview of what the Supreme Knight conveyed regarding what this achievement means for the Knights of Columbus is available in: <http://kofc.org/un/en/insurance/news/detail/suprene-knight-carl-anderson-reflects.html>.

To find out the specifics of the financial protection offered by our Knights of Columbus life Insurance program, contact our Council Field Agent SK Pedro Webber at pedro.webber@kofc.org.

LENTEN FISH DINNER

Brothers, we did it again by surviving another successful Lenten Fish Fry. Over 100 to 200 fish plates were sold at each of the Lenten Fish Fry events. Following are pictures of many of our “Brother Fish Set Uppers, Cookers, Servers, and Clean Uppers” plus many of our “Joyful Customers”.

Thanks go to:

- all of our Brother Knights that helped with all six of our Lenten Fish Fry events
- the Women’s Guild for their delicious cakes and cookies.
- SK Richard Lee for leading and coordinating all the 6-weeks of Lenten Fish Fry’s.

LIVING STATIONS OF THE CROSS

Serving many of the needs of the Living Stations of the Cross was GK Ysau Flores as a Lector (see pictured below with two other Lectors) and SK Stephen Rohrbough as the Logistics Committee Chairman. Members of the Logistics Committee include: Arthur Sosa, SK Ron Hrcir, SK Jon Klauenberg, SK John Thabet, SK Chris Huggins, SK Marvin Boroski, SK AC Rogers, Bill Burckhardt, Mary Peterson, Roy H. Rodriguez, and George Hide.

Also serving the event (shown below) were two of our Brother Knight musical entertainers (singing & guitar) Ron Tutt and mark Franki.

The Shepherds (some of which are shown below) used “rope in hand” to clear the path for Jesus and the soldiers to reach each of the stations and to provide a “fence” around each station. The “moving rope fence” which was recommended by our Logistics Committee, proved to be very successful to not only controlling the crowd but to give most everyone a clear view of Jesus undergoing his heartfelt venture in carrying his cross.

The Logistics Committee, composed of our Brother Knights, provided the following services for the Living Stations of the Cross:

- Five golf carts with driver to transport passengers to and from the far north parking area
- Parking signs
- First Aid station
- Drinking water stations
- Temporary “roped off” areas for crowd control
- Shepherds rope

Following are a number of pictures of our Brother Knights serving the event and of some of the Living Stations of the Cross.
