### INSURANCE

#### *Have You Insured Your Most Valuable Asset?*

Is your income protected if you become sick or injured and cannot work? Your ability to work and earn an income is your most valuable asset. Yet a disability could prevent you from earning that income. Just one year of a disability could eliminate your savings.

Income Armor, an individual disability income insurance product from the Knights of Columbus, should be a key part of your overall financial plan and family's protection.

If you are ill or injured, Income Armor provides tax-free monthly benefits to help you meet living expenses and maintain you and your family's standard of living. Your monthly benefits help you pay your mortgage and other monthly bills, while your savings and retirement assets remain intact.

In short, if you have a job and don't have a way to protect that paycheck, you should seriously consider Income Armor today. I look forward to meeting with you.

**New Mexico**  
**Knights of Columbus**

This new movie is released by Ignatius Press and can only be shown in theatres. We were able to get a generous offer for the showing by Allen theatres of theatre time to make it available to the faithful.

Of course the price of the tickets is \$15/ticket as this is a fund raiser for the poor, to help pay utility bills, rents, and clothing issues which come to the Pastoral Center / Catholic Charities.

However, though this is an attempt at raising some funds, it is an effort to make available to the faithful a fantastic interpretation of the life of the Blessed Mother in relationship to her son, Jesus. We are working with the Vicar for the New Evangelization being managed by Vicar Fr. Enrique Lopez. And this has his endorsement. The movie will be shown at the Telshor 12 Movie Complex at 2811 West Telshor with time of 9:25 PM. Tickets are available now call Grand Knight Kerry Morley at 575-373-9640

### **CULTURE OF LIFE**

### **Knights give public witness for life**

Jesus says in the Gospel “whoever denies me in front of men I will deny in front of my father.” It is obvious that we as Knights are called to give public witness of Christ and His Holy Catholic Church. Nowhere is this more important that when we as Knights stand up for the dignity of the human person from conception to natural death. As Father said in his homily during the Mass in Memory of the Unborn Child on March 25 we must always stand up for life. This is on the street corners as well as in the voting booth (for while voting is a private matter it is a public statement). We as Knights gave public witness for life on March 29 when members of our Council stood with other pro-life groups and prayed in front of the El Paso abortion clinics during the 40 days for life campaign. The good news is that the abortion clinics in El Paso may close in the next year thanks to pro-life laws protecting the health of the mother in Texas. The bad news is because New Mexico has no restrictions on abortion these clinics are re-opening in Santa Teresa. So as we look to Good Friday let us ask ourselves as Knights are we willing to give public witness to Christ and maybe suffer as he did or will we hide in the upper room.
