A HAPPY EASTER EGG HUNT

An honorable Easter Egg hunt was carried out on Saturday, April 3. The following description of the Easter Egg hunt was provided by Chris Huggins.

Fun and happiness is shown in the following pictures of our Knights and their families carrying out such a wonderful event. We especially thank all those who helped (prayed, stuffed eggs, prepared the grounds, led the kids, scattered and hid the eggs, and took pictures) and thanks to all those that came just to participate and enjoy the kids.

The only unknown below is “who is the bunny”? The bunny is the only one not smiling. Happiness is really demonstrated by all the children searching for the Easter Eggs.

Deacon Steve lead everyone in a wonderful opening prayer and then all grouped into different age brackets and walked to each hunting zone. From there, it was time for some quick moving youngsters to find and pick up all those Easter eggs. They did that in quick fashion. Most of the baskets were full and four lucky ones even found the Bunny golden egg for a special gift.

All in all, it was a good celebration of our Christ’s resurrection.
