April 2009

## Grand Knight Message

**B**rother Knights—I want to thank the Knights and their spouses for the outstanding job that they have done representing the Knights during the Lenten season at the Fish Fry's and St. Joseph Table. Without your outstanding support we would not have had the success that we had and be able to provide for the Parish and the community. Special

thanks go to the following suppliers: South Point Casino, Pacific Seafood, Southern Wine and Spirits, Joseph James Brewery, Fresh Cut Sales, Families of our Brother Knights, and many other private donors. Our drive now is to bring in more good Catholic gentlemen into our order and to grow our council. GK—Al Benedetti

## Lenten Fish Fry was a SUCCESS!!!

**W**ith our last Lenten Fish Fry completed we can all be extremely pleased with the success of the season. On the average we served 160 adult meals and 11 children meals for a total of 1032 meals over the 6 Friday's in Lent. Our net receipts were \$6,853 of which \$3,400 will go directly to the Parish. The balance will fund many services and charities that our Council is involved with. We had entertainment provided by The Las Vegas Accordion Club

(Margaret Cantwell, Dave Maher, Mike Goldwasser), Karaoke with (Matt and Tina) and our very own Pat Ruvolo. We had great conversations and stewardship among all that enjoyed the feast and those that diligently prepared the meals. Through the efforts of many of our Brother Knights we had a good portion of our supplies donated from various businesses and private donors. Brother Knight Alfred Barnard (joining us in spirit) and his wife Virginia gave a personal donation. We ask that you support these businesses that have been so generous to us.

## Financial Secretary's Corner—Membership

To Brother Knights From Financial Secretary:

We still have several brother knights that have not sent in their annual dues. From time to time the question comes up on "disability", if any brother knight is on a permanent disability, they may file for an exemption from paying dues as follows:

Those brother Knights who are unable to engage in any occupation for a period of at least six months may apply for waiver of dues under Section 118(e) of the Order's Laws. Evidence of total disability must be furnished to the Supreme Council, along with the Form 1831--Application for Relief from Payment of Council Dues and Supreme and State Council Per Capita Charges. All disability waivers expire on the December 31 of each year and must be renewed during the 90 days prior to expiration.

Again, continue to send in your change of address or phone numbers, so that we can update our mailing lists and records. And, as always, have you asked a fellow Catholic gentleman to join the Knights? With your help, our membership can explode. We also have a new form "100" for new members, if you need some copies, feel free to pick them up at our next meeting.

Faithfully yours, Ray Lanfear, F/S 702 202 1693

**365 Club** - A penny a day will help a Brother Knight in need. That is the mission of the 365 club. This is a State Council Project which all councils support. Remember this fund is to help our council exercise the virtue of charity to our brothers, who are in need and only costs a penny a day (Three Dollars and Sixty Five cents a year). Bring your pennies to each council meeting.

## District 10 Free Throw Competition Winners

Council 8282 wants to heartily congratulate the winners for the District 10 Free Throw Competition. Also a job well done to all those students that participated. We plan on making it bigger and better next year and look for an outstanding turnout. Each winner will receive a District Medallion.

**Congratulations** to all the winners:

## The Money Making Machine—Your Insurance

If only we could purchase a machine where we could insert blank paper in one end and \$100 bills would come out the other end.

What price would you put on it? Could you put a price on it?

But suppose for a moment that there was such a machine available and you owned it. Wouldn't you want to protect it from all hazards such as fire, earthquake, hurricanes, theft, breakdown, etc.? Sure you would!

In fact, isn't everyone a "money machine?" We use all our talents, skills, education and disciplines to "manufacture" money.

What will happen to the production of this money if you "break down"? If your ability to make money is destroyed by an untimely death or disability, how will your money machine be replaced? With a properly prepared and coordinated life insurance and disability program, you can continue the flow of money to your loved ones at the time of your death. Call me James Donovan (702)438-4425

## EWTN—Your Catholic Television Station

The Eternal Word Television Network, or EWTN, is a United States-based broadcasting network that carries Roman Catholic-themed programming. The programs include a daily Mass from its Birmingham, Alabama monastery and studios. Daily Rosary, Benediction, doctrinal instruction programs, entertainment/variety shows, children's programming, live coverage of world Roman Catholic events such as bishops' conferences and papal travels, music shows and youth programming are also provided. It is an independent charitable organization based in Irondale, Alabama. The network is also a member of the World Catholic Association for Communication.

Mother Angelica, from Our Lady Of The Angels Monastery, visited a video studio to have her talks for speaking engagements produced. She was extremely impressed with the little studio and wondered why she could not duplicate a situation like this.

In 1980 she converted an old garage on monastery property into a TV studio in Irondale, Alabama, a suburb of Birmingham. This developed into the worldwide broadcast center that is currently known as "EWTN" or the "Eternal Word Television Network."

Mother Angelica purchased satellite space and EWTN signed on in August 1981 with 4 hours a day of programming, including talk shows, Mother Angelica Live (aired two nights a week), Sunday Mass once a week, and re-runs of older Catholic programs such as Life Is Worth Living with Archbishop Fulton J. Sheen. The remainder of the time was filled with shows produced by Catholic dioceses across the country. The Mass which aired weekly became televised daily in 1991.

EWTN has become the largest religious media network in the world. It transmits 24-hour programming to more than 146 million homes in 127 countries and 16 territories on more than 5,200 cable systems, wireless cable, direct broadcast satellite (DBS), low power TV and individual satellite users. According to a 1994 cover story in the National Catholic Reporter, "Mother Angelica claims to reach 38 million homes in the US and every Latin American capital 24 hours a day. The station does this with a staff of 124 for about \$8.5 million a year, while raising about \$25 million a year in donations."

EWTN can be accessed locally on Cox cable Channel 349; DirecTV Channel 370; Dish Network Channel 261; Sky Angel Channel 143; and Sky digital Channel 589.
