Grand Knight Report
Brothers we are in the middle of the Lenten season, I hope we are all taking time to reflect on the meaning of Christ's sacrifice for our sins over 2000 years ago. It is a busy time for our council, we have a fund raiser this week end, we have a first degree with seven new men interested in joining our council. And we have some new leadership with Larry Loftus taking on the role of Financial Secretary. We will also be beginning our process of nominating the officers who will lead our council next fraternal year. If you are interested in taking on an active

role in the council now is the time to visit with our Trustees. I appreciate everyone's support, this has been a busy year with the move to our beautiful new sanctuary and our new meeting place.

I have chosen a Brother Knight as Knight of the month, he has done exactly what I have been asking of all my brother Knights that is step up and be an active member of our council by taking on the very demanding role as Financial secretary, Larry Loftus is my May Knight of the month. My family of the month has been involved not only with the Knights at a council level but as a chapter level and with many charitable organizations he was the first knight to ask me to get involved with this council when I transferred in 4 years ago. The Family of the Month is the Mallory's. . Many thanks to Bruce and his wife for their unselfish work for our faith.

Thought for April

Easter is coming. It is the greatest Holy Day of the Church, more important than Christmas. If you think about it, you see that it is the most wonderful sign of hope for us. The one who founded our Church, the one we believe in proved he was God. Only God has the power over death. We all will die eventually. We should hold that thought. On our deathbed, if we were president it will mean nothing unless we did God's will. If we were a billionaire it will mean nothing unless we gave it away to those who needed it. On our deathbed nothing will matter except how we loved God and our neighbor.

When you think of things in this way you see what is truly important. It's good to enjoy the things that God had put on this earth. In fact we need them. But we must properly balance our life between God and earth. And it is not proper to ignore God. His love for us is far greater than any love we have for family. So accept His love and love Him back by thinking of Him often, and talking to Him in prayer as you would a brother or good friend (which He is). When you see earth's beauty in a sunset or a small child or a flower, remember to thank Him for all the good things He has given you.
