GRAND KNIGHT’S REPORT

Michael Murphy

Brother Knights,

Our parish is preparing for its 150th anniversary next year. The official title is “150 Years of Faith — St. Joseph Catholic Community — A Jubilee Celebration.” There are a number of ongoing projects that will be occurring between now and the official kick-off in April 2018. The 150th History Committee, of

which I am a member, is looking to re-create some of the favorite ideas from the church's history and past celebrations. There have been three previous jubilees recorded for us to reference, the 75th held in 1946 (delayed due to World War II), the 100th in 1968, and the 125th in 1993.

The Knights of Columbus played a key role in the 125th Jubilee back in 1993—the first jubilee celebrated since our organization in 1980. One of the tasks they performed was leading a procession from the old 1868 Sykesville church to the current location (in full regalia!).

[10/15/1993] Chuck Gagen and John Curtin, members of the Knights of Columbus color guard, prepare to lead the procession away from the old St. Joseph's Catholic Church in downtown Sykesville.

Some of the other items where our Council was previously involved (that are in the planning for 2018) include the Ham and Turkey Dinner that they used to hold in the Parish Hall and the Chicken Barbeque that they held outdoors with grills on cinder blocks under huge tents. These are events which we will again be called to serve. Another item to which we would like to

become a new tradition is a huge Oktoberfest celebration. I know that our Knights are experts in beer and fun, so it should be a perfect match for us!

One permanent history gift that we had previously discussed and approved for the estimate to be performed is the transfer of a four-foot circular stained glass window of the Sacred Heart from the old downtown church and install in the current church. The window is hidden in the downtown church as you can only currently see it by either climbing into the attic, or by viewing from the back of the church when the attic light is on (which is not ever). Originally, the Sacred Heart was visible high above the altar before the church's remodeling in the late 1950's by Fr. John Kelly. That remodeling hides all of the former back sanctuary wall which was covered with a golden fabric wallcovering that is still visible inside the attic.

The Sacred Heart window, in need of some repair, would be installed inside the round window of the Narthex in our church. The sunlight on Sunday mornings would pour the radiant light of the Sacred Heart onto all those entering the church for Mass. It is a symbol of Christ's mercy and love for us all. The window would be visible for all to see, and it would be a lasting tribute by us, the Knights of Columbus Council 7612.

Attached at the end of this Communiqué are the estimates for the Sacred Heart project, and the estimate for the repair of some of the other stained glass windows in the downtown church. Please review these documents as I would like for this project to be considered as an item for discussion at our next meeting. We need to decide (a) how much, if not all, of the cost we'd like to cover, and (b) what type of fundraising we need to do to gather those funds.

Please pray for the success of this and all of our projects, and that they may always reflect the pillars of our order, Charity, Unity, Fraternity, and Patriotism.

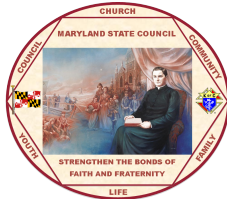

Vivat Jesus,
Grand Knight.

Knights of Columbus
INSURANCE
YOUR SHIELD FOR LIFE

COUNCIL BENEFITS ADVISOR

Mike Hurley

The following thoughts are taken from the latest edition of Knightline. Permanent life insurance is the signature KofC product. Why? It provides guaranteed protection for your loved ones. And while you are still alive, it builds cash value. It's a great solution for many basic needs, such as final expenses, income replacement and debt protection. It can also serve specialized purposes, such as estate planning and charitable giving.

Whatever the plan use, permanent life insurance is reliable. It will be there when you won't be, regardless of when that happens. Put simply: As long as you have paid your premiums, your beneficiaries will receive the guaranteed death benefit (if not more) that you established for them. There is one exception though. Should you live to the "ripe" old age of 120 years, your Knights of Columbus Permanent Life Insurance policy will pay you your death benefit. It wouldn't be the worst 120th birthday present you receive.

Remember, I am at your fraternal service. Send me an email at Michael.Hurley@KofC.org or call/text my cell # 410-913-7835.

PIT BEEF

David Love

It is getting that be time of the year were we need to start thinking of the Council's Pit Beef activities for 2017. In 2016, we brought in just over \$ 8,000 to the council through 3 events in Westminster (The fourth of July, The Maryland Wine Festival and the Fall Harvest Days.)

Do we want to do the same events? Do we want to do any other events, maybe in downtown Sykesville? Drop me a note or give me a call and let me know what you are thinking.

In addition, of course, if you are interested and willing to help in any way with the Pit Beef events, let me know. There is some paper work (for the county), inventory counting, and shopping that needs to be done prior to the event. Set up and prep. the morning of the event, then cooking, slicing, sandwich making, customer service and drinks during the day, then clean up and packing at the end. A couple of

hours of time for a lifetime of memories are to be shared. Students can earn service hours as well.

Westminster Farm Museum Events

- 4th of July Fireworks (all day starting at 9am, sales — 3pm 'til dark).
- MD Wine Festival (Saturday and Sunday, Sept 16th and 17th).
- Fall Harvest Days (Saturday, October 14th).

Hope to hear from you soon.

God Bless,
David

FAMILY

Jarvis Abellana

Family of the Month

Our council selected the Flemings as our Family of the Month. The success of our Family Dinner and Movie Nights gives credit to the Fleming Family for their tireless efforts. Doug and his family are the chefs in preparing the dinner menu. Kim is an active participant of "Discovering Christ", a program designed for all levels of faith, a teaching on some of the basics of Catholic Christianity and an opportunity to share fellowship, teaching, and prayer. Additionally, the Fleming family distributed baby bottles after Sunday masses for this year's Annual Baby Bottle Drive to support our local Pregnancy Center, and part of our council's Respect for Life program.

Summary of our Family Night

Another successful year of providing affordable family night out and a simple get

together for our families. Much appreciation goes to the Grasleys, the Kerrs, and the Flemings for anchoring the details and the organization. Let's end with these numbers for all 5 family events:

Total Audience – 517
Cash collected - \$1,588.00
Expense – \$869.00
Profit – \$673.00 (adjusted from \$719.00)

Harold Bernadzikowski, President
Ray Miles, Treasurer

Brothers,

It is with great enthusiasm that I can report that settlement was completed on Monday February 27th, and the Home is officially SOLD! This has been a long and slow journey and it was a concerted effort by the Board, and the Council, to accomplish it. I want to especially thank John, Dan, Roy, George, and Alex Pacifico for all of the times they went and cleaned up the home: cleaned the bathrooms, mopped the floors, mopped up the water that would leak into the Home after a rainstorm, and beyond, to keep it in presentable condition for potential buyers.

The proceeds are being kept safe and sound until the Investment Committee (Ways and Means Committee) is fully established by the Council and rules and by-laws created to govern the utilization of the funds - for whatever purpose(s) are ultimately decided.

Respectfully,
Harold B.
President

RE: Removal of Sacred Heart Window/Sykesville, MD
Restoration and Repair of Window
Resizing, adding design element and fabricate
Supply single glazing Aluminum frame/
install frames and panel into new location

Mr. Tom Schwartz,

Thank you for allowing “Great Panes” Art Glass Studio to offer our services on this project. The following outline covers all of the above reference notations, as well as the design and glass selection for your approval before the actual enlargement to the new size is begun. The original panel is approximate 42” in diameter, the new location will increase the panel to approximately 55’ plus the framing. The new frame will have 2 horizontal T bars to make the overall size of the panel structurally sound and pleasing to the eyes.

I would like to break the projected costs into phases for your explanation.

Phase 1 - Stabilizing and removal of existing panel.

Phase 2 – Design division of panel into 3 sections – church approval.

Design enlargement – church approval.

Set up hot water recycling bath for full panel.

Repair, replace or glue cracked pieces.

Pick, wash, flatten panel.

Cut approved enlargement, glaze, solder, putty, and clean.

Phase 3 – Set up work area and scaffolding.
Install frame into opening and secure.
Install panels, back a rod, and caulk or silicone.
Tear down scaffolding and clean up area.

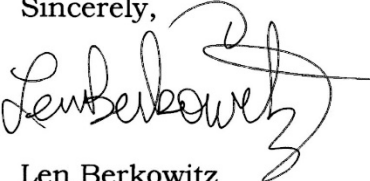

Projected total cost for labor and materials;

Phase 1 - \$ 1,660.00 - Labor
Phase 2 - \$ 7,180.00 - Labor + \$ 450.00 - Materials
Phase 3 - \$ 2,140.00 - Labor + \$ 2,385.00 - Materials
\$10,980.00 - Labor + \$ 2,835.00 - Materials

Total Cost \$13,815.00

Please feel free to call me if you have any questions about this estimate.
To get started we would need a deposit of half (\$6,907.50), and the
balance (\$6,907.50) would be due when the windows are reinstalled.

Len Berkowitz
