

## ASSEMBLY 3414 NEWSLETTER ARTICLE

DECEMBER, 2017

It was a pleasure to present the Sir Knight of the Month certificate for the month of November to Ben Lee. When the previous Assembly Scribe had to resign due to other commitments it was Ben that stepped up to take on the responsibilities of that most important officer position. Thanks much Ben!

As we head into Christmas we are reminded that it is a season of love and giving and I am reminded of all of the significant ways all of us in this Assembly demonstrate that spirit, not only during the holiday season but year round. Think of the lives you touch with the events at the Old Soldier's Home in Orting, the Tahoma National Cemetery, participation at the Habitat for Humanity store, the program at the VA hospitals, and all the participation in ceremonials such as exemplifications, special masses, parades, etc. As we head into the New Year I look forward to working with more of you to continue to carry out this service and I thank you for all you do.

Both Janis and I wish all of you and your families a healthy, happy, and loving Christmas season.

In His name,

David Foley, FN 3414
