Father Bob's Corner

Remember the Works of Mercy: feed the hungry, give water to the thirsty, clothe the naked, shelter the homeless, visit the sick, visit the imprisoned, or ransom the captive, and bury the dead. In this time of the pandemic, we see the heroism of those in the front lines, reaching out to help others despite the dangers they are putting themselves in. We praise them, honor them, thank them. All of us are also called, both in good times and bad, to reach out to others. As much as our life is placed on hold, it may be a time we can see how well we can practice the Works of Mercy, use our time to reach out to others. It may be through the donations we make to the many needy requests, including our parish. It may be providing food. It may be sending cards to those who lost a loved one, or are ill, or send a silly card to whoever. It may be keeping in contact with neighbors, with relatives, etc. There is much we can do without putting ourselves in unsafe circumstances, and should do. We should be concerned for the safety of others, not just ourselves. By practicing the recommended safe practices, we show our love for others. We show that we are concerned not just for ourselves, but about them. We want them safe. We love them.

Love & Prayers, Fr. Bob

Grand Knight's Message

Where has the summer gone? I cannot believe that August is already upon us. Last week, our new Degree team held its first official practice! It went very well, and we're thinking that we'll be ready to hold an official Degree ceremony sometime in the next 60 days. We have a number of members who have received their First Degree, but need the Second and Third. Thanks to those who have volunteered to be part of the team. Our annual brat fry is scheduled for 8/23 at Festival East. There will be a sign up sheet at the Aug. meeting. Please check your schedule and volunteer if able. We have a number of offices unfilled. Please consider filling one of the following: Deputy Grand Knight, Chancellor, Warden or Advocate. Duties

and responsibilities can be found at www.kofc.org. Please pray about this and let any officer know of your interest. Our next meeting will be held on Tues., August 4th. We will continue to practice social distancing at the meeting. The meeting begins @ 7PM after the 6:45 rosary.

Fraternally, Ken Reigh GK

Wisdom

The richest place to be is in someone's thoughts, the safest place to be is in someone's prayers, and the very best place to be.....in the hands of God.

Humor

A cowboy of slight stature barged into a restaurant yelling, "which of you wise guys painted my horse yellow?" A mean looking 7 footer with muscles rippling through his shirt stepped forward and said proudly, "I did it!" The cowboy quickly rearranged his thoughts and came up with, "I just thought you'd like to know----- the first coat is dry."

Degree Team

It is in the spirit of Unity and Fraternity and appreciation for the guys that stepped up, that I am announcing Council 4505 once again has a Degree exemplification team. On Monday 7/27, we held our first practice in the Gehl Center. It went very smoothly and we are planning to host a Combined Degree before our meeting September 1, 2020. It has been more than 40 years since a team from Council 4505 conducted a degree.

Did You Know?

*The church teaches that each of us has an angel, during our entire life, “as protector and shepherd.” (Catechism of the Catholic Church).
Church teaching on guardian angels traces back to Matthew’s Gospel, where Jesus says that the guardian angels of children always look upon the face of God. (Matthew 18:10).
In 1608, Pope Paul V set a specific feast day honoring guardian angels. The feast became part to the universal church calendar under Pope Clement X (1670-76).
In the 19th century, St. John of Vianney, a French priest, advised: “If you find it impossible to pray, hide behind your good angel and charge him to pray in your stead.”
On October 2, we celebrate the Memorial of the Guardian Angels.

Insurance Corner

*Are you relying solely on your group life insurance to protect your family? Let’s look at some of the shortcomings of group life insurance.
Coverage usually is inadequate. Families need anywhere from 5x’s to 10x’s annual gross income. Your agent can help you determine the correct amount.
Company could terminate coverage, go out of business, or terminate you.
Disappears when employee retires or leaves employment.
Isn’t protected with waiver of premium in case of disability.
Isn’t portable.
May tie you to an unfulfilling job.
Time off due to last illness may lapse coverage prior to death.
Doesn’t develop any values for loans or retirement.*
