Grand Knight Message

The first week of August hangs at the very top of summer, the top of the live-long year, like the highest seat of a Ferris wheel when it pauses in its turning. The weeks that come before are only a climb from balmy spring, and those that follow a drop to the chill of autumn, but the first week of August is motionless, and hot. It is curiously silent, too, with blank white dawns and glaring noons, and sunsets smeared with too much color. Often at night there is lightning, but it quivers all alone. ~Natalie Babbitt

With the summer months, we have done many things with family and friends. We have also had many activities with our Brothers and their families. Let us set our sights on coming together as a Council to celebrate during August. The newly elected officers and the directors of our Council are preparing many events for the upcoming year. Let us all be part of the activities with members of our Council, and also invite future Brothers to events. We have many attributes as a fraternal organization that can be shared throughout our churches and our community.

I can think of no better organization to be involved with that supports families, marriages, and life itself. Thanks to our brother knights who have volunteered to be officers and program committee chairmen for this year. I am humbled before God and many good Catholic gentlemen to be placed in a position of leadership with the Knights.

I ask my brother knights to continue to witness to Christ's love no matter where you are and continue our efforts of "walking the talk" and supporting our priests because I am counting on you. Let's continue our great efforts through our charitable works, unite with all people including our other Christians, strive to witness to our sense of fraternity with our brother knights, and show our patriotism whether it is here at home or abroad.

*Vivat Jesu,
Dan Richard - Grand Knight*

Family of the Month

Brother Neil and Lauren Rosenbaum

Our Family of the Month is a quiet couple that will help whenever needed. Neil teaches Karate in Founder's Hall every Thursday. They both are active in their church and their children's many activities. You will see them at events with smiles, kind words and a willingness to help where needed. This year, they will be the Family Directors for the Council. May we offer them our support where needed like they offer their support to all of us. Please help me congratulate The Rosenbaum family, Neil, Lauren and children, as our Family of the Month.

Knights of the Month

Brother Frank Dougherty

I am proud to name Brother Frank Dougherty as July's Knight of the Month. Frank has been quite involved with several council events, most notably the Peninsula Agency for the Aging (PAA) packing of dry goods and the Council-sponsored blood drives. Frank has always been in the fore-front in organizing the PAA's 2-day event. Frank has also worked diligently to advertise the blood drives sponsored by the council and work the blood drives all afternoon, together with a number of brother knight volunteers. Both events have always been highly successful. Frank is an active member of the Our Lady of Mount Carmel Church. Congratulations, Frank for a job well done!

The Immaculate Heart of Mary

 The month of August is dedicated to ***The Immaculate Heart of Mary***. The Immaculate Heart of Mary is a devotional name used to refer to the interior life of the Blessed Virgin Mary, her joys and sorrows, her virtues and hidden perfections, and, above all, her virginal love for God the Father, her maternal love for her son Jesus, and her compassionate love for all people.

By our consecration we promise to become dependent on Mary in all things: to offer all our prayers and oblations to God through Mary, and to seek every gift from God through Mary. And we do this with the greatest confidence. Since she is our mother, she knows our needs better than we; and since she is Queen of Heaven, she has immediate access to the infinite treasury of graces in the Kingdom of her Divine Son.

Mary is not only the Mother of Jesus, Son of the Eternal Father; she is also Mother of all the Father's adopted children. As their Mother, she has been given the role of molding them into the likeness of Jesus.

Every work of grace, every increase of grace, is a work of the Holy Spirit; but as in the Incarnation of the Divine Word God used human instruments, so does He in the sanctification of each individual soul. As He chose Mary as the instrument through whom He would come to us, so He chose Mary as the instrument through whom we should go to Him. And both the mystery of God coming to us through Mary, and our being led to God through Mary, is a work of the Holy Spirit. So when we speak of Mary's unique role in our sanctification, she is but the instrument the Holy Spirit uses in sharing with us the divine life of grace. It is in this sense that Mary fashions us into the likeness of Christ.

However, that this transformation - through Mary's help - be accomplished in a notable degree, there must be an awareness of her role in our sanctification, a confidence in her maternal concern and in her power under God, a surrender of oneself into her hands, and a fervent, frequent and confident seeking of her aid. This usually comes through some form of consecration to the Mother of God.

Let's pray this month to the Immaculate Heart of Mary to intercede for us and families. As we say together:

O Most Blessed Mother, heart of love, heart of mercy, ever listening, caring, consoling, hear our prayer. As you children, we implore your intercession with Jesus your Son. Receive with understanding and compassion the petitions we place before you today, especially... (special intention).

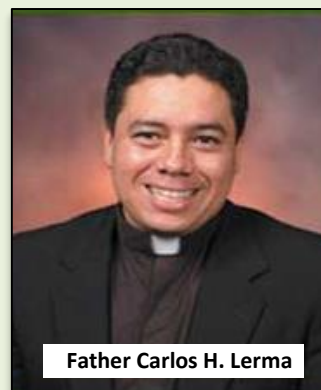

Farewell and Thank You to Father Carlos

August 2015 is Father Carlo's last Chaplain's Core posting for the Council 5480 Knightly Newsletter...

When Reverend Father Carlos H. Lerma was in his early 20s and looking for direction in his life, he went to his parish priest for guidance. At the Sacred Heart of Jesus Church he began helping minister to the poor in his small hometown of Buga, Colombia. After a year, he sensed that this was the life to which he was called. With the help of his pastor, Fr. Carlos immediately set in motion a path to the priesthood. It would take him 12 years to get there.

For the past three years Father Carlos was the Parochial Vicar at Our Lady of Mt. Carmel. He is fluent in Spanish and English and serves as Chaplain of both Council 5480 and Council 11817. Father Carlos is a regular at council functions and will always remain behind to hear a confession. We are blessed to have had Father Carlos and will truly miss him. He begins his new assignment as Pastor of St Francis of Assisi, Amherst and St. Mary, Lovingson in Central Virginia on August 1st.

May the Lord be with you, Father Carlos.

Father Carlos H. Lerma

Brothers, I encourage all of you to get involved with at least one council program, we need help in many program committees and would be glad to have as much or as little of your time as you can spare.. The success of each of our council's programs depends on your participation and involvement. Please see me or any of the program directors as listed in the Knightly News to find out what you can do to make our programs outstanding. Do not forget about Adopt-a-Spot on August 15th, and Fr. McGivney's Birthday on August 12th. Say a prayer for his canonization more information here <http://www.fathermcgivney.org/mcg/en/guild/prayer/> If you are not a member of the McGivney Guild join here <http://www.fathermcgivney.org/mcg/en/contact/register.html> Also remember that August 15 is Assumption Day and is a holiday day of obligation.

Vivat Jesu,
Jon Sargent - Deputy Grand Knight

Tempus fugit memento mori – times flies, remember death.

The phrase, we are told, is to remind us to be conscious of our own mortality and to plan accordingly. As Catholics, we keep death always in the front of our minds because it is the gateway to paradise, but also because we want to be sure that we are preparing accordingly and living just lives, conquering sin and living for God, so that we may live with Him after death.

But death is not always easy to think about. While we live with Christian hope, we know that our death also means sadness and trial for those we love. We know that we will leave a void, and, depending on the circumstances of our own death, we may even leave loose ends. But by thinking about the unthinkable, and planning for the inevitable, we may be able to reduce those trials and tie up some of those loose ends.

That's why we are excited to introduce the Knights of Columbus Personal Planning Workbook. The Knights of Columbus Personal Planning Workbook is a no-cost tool available from me to you. The thirty-four page book is a comprehensive planning guide that will enable you to record personal information, identify personal wishes, and supplement legal documents. With the Knights of Columbus Personal Planning Workbook, you can:

- List medical information
- Identify your long-term care instructions and wishes
- Identify the location of records, documents, accounts, password, and other important concerns
- Identify charitable gifts
- Supplement your will with instructions and information on the distribution of your estate, as well as information on guardians, executors, and power of attorney
- Express your wishes for your funeral service, including identifying readings, lectors, gift bearers, pall bearers, and fraternal or military organization involvement
- Prepare a Survivors' Action Items and Concerns listing for the settlement of your estate and the execution of your last wishes
- Establish a list of people to notify
- Record information on life insurance policies and other benefits
- Express your wishes for an obituary
- Write a letter expressing your wishes to your pastor

The Knights of Columbus Personal Planning Workbook may not be the most enjoyable workbook you have ever filled out, but may be the most impactful. In a fast-paced digital age like ours, there are so many more things to plan for and to record, and so much less time in which to do it. The Knights of Columbus Personal Planning Workbook is an easy and effective way to gather your thoughts, details, data, and wishes for the benefit of your loved ones. This great resource is another extension of our founding mission, set forth by Father Michael J. McGivney, of protecting Catholic families.

As pointed as it may seem, tempus fugit memento mori reminds us that we – with certainty – will die, but that we may very well not – with certainty – know when. So why not spend a few minutes preparing for the inevitable? You'll have the comfort of knowing that you did the right thing, and the assurance that, when that time does come, you will have made a very difficult time just a little bit easier for the ones you love. To get a complimentary copy of the Knights of Columbus Personal Planning Workbook, contact me today.

Why Join the Fourth Degree...

The Fall Fourth Degree Exemplification will be held on Saturday, October 31st at Westfields Marriott in Chantilly, Virginia. The Fourth Degree of the Knights of Columbus was established on February 22, 1900, on the principle of patriotism, “love for and devotion to one’s country”. The Fourth Degree Knights focus the majority of their activities on this principle. It should always be remembered that the Fourth Degree is an important part of the Knights of Columbus- a Catholic, family, fraternal, service organization. Fostering a spirit of fraternalism within the Assembly is a vital aspect of the work of the Fourth Degree. Fourth Degree members compose a brotherhood united in their dedication to patriotism enlightened by our Catholic faith. The patriotic spirit of every member of the Knights of Columbus can be heightened if he chooses to join the Fourth Degree. To effectively celebrate and perpetuate patriotism, the Fourth Degree always needs additional members. We encourage our fellow First, Second and Third Degree Brothers to make that commitment as you elect to further your advancement to full Knighthood on October 31, 2015. See your Council Chancellor for upcoming 1st, 2nd and 3rd Degree Exemplifications. Taking the Fourth Degree is a logical step for any Knight interested in demonstrating his national pride and reaching his fullest potential. More information to follow in personal mailings.
