Grand Knight Message

Build a Domestic Church

Brother Knights, as we move into the second month of this fraternal year, I feel a great sense of excitement, and anticipation for a very successful year. The resounding success of the Taco Fest, and the upcoming Bratstravaganza are a fantastic opportunity to invite Catholic families to become a part of our Order.

I say families rather than just Catholic men, because if we are supporting Pope Francis' call to build the domestic church, we must be thinking of the family not just the man. That one of the reasons why I am so excited about these picnics, events like these that can bring families with children to us, gives us an opportunity to show these fathers a group that can support their faith and include their family. A great benefit for us and them.

Also, I have received from copies of the building the domestic church program from the Supreme Council and I will have them available to distribute at these events and at our Parishes.

Vivat Jesu, Jonathan Sargent - Grand Knight

Family and Knight of the Month

Sir Knight Jim and Karen Kazmer. The Kazmer family is always willing to lend a hand from youth and family events, where they are usually there from before the start until the end of cleanup. Jim is always helping around the council as well, using his skills as an electrical engineer to ensure our sound systems work in the main hall, lounge and the meeting room. We are a better council because of families like them that take an active part in our events. I am pleased to name Jim and Karen as our August Family of the Month.

Brother Jim Hooker. Our August Knight of the Month is someone who you don't see at every meeting. However he is probably at the hall more hours than most. Jim has been the Bingo Manager for many years. He works bingo nights and also weekends to ensure we meet all bingo reporting requirements. Recently with bingo proceeds down, several members met to discuss how to revitalize our bingo games and boost attendance. Quickly the new games were developed and new flyers printed. All done in about a month. The new games have been well received and profits are up. In addition to all his work for bingo, Jim is a catechist for RCIA and a Eucharistic Minister at the 10AM Mass at Our Lady of Mount Carmel. Jim was also previously on the parish council of OLMC. Please thank Brother Jim Hooker, our August Knight of the Month.

Deputy Grand Knight

When you attend any large meeting of the Knights of Columbus you can't help but hear at least once that, "the Knights is a family organization." What does this mean? In my opinion, it means that the Knights of Columbus has events and activities where the whole family attends. Let's focus this month on the youth aspect of that statement. While children are almost always welcome to all of our events, the Council also holds events and programs specifically geared to kids. From essay and basketball contests to laser tag and dances, we have just the thing for your child. Our picnics and barbeques always have youth activities. This month, consider bringing your whole family, kids included, to one of our events.

Vivat Jesu, John Edwards - Deputy Grand Knight

**Think You Are Too Old for Coverage? Maybe Not**

You are never too young or too old to consider purchasing life insurance. If you have a financial need for coverage, or will in the future, a permanent life insurance policy can be just the thing you need.

When you are young and presumably healthy, coverage will be very inexpensive when compared to purchasing the same policies when you are older.

If you've put off purchasing coverage, or you realize that you may need additional insurance, the Order may still be able to help you, even if other companies cannot. In fact, in 2012, the issue age of our permanent life insurance products was extended to age 80, and in 2014, the issue age of our term insurance was extended to age 70.

Naturally, your health, and whether or not you smoke, will be taken into consideration, so underwriting standards for risk and age apply. But, the extensions are a great blessing for me – and it could be for you too. Now I can help members that I couldn't help before. Are you or one of your brother knights one of those members?

Whether you're 18 or 80, the Knights of Columbus has products that will work for you and your family. I look forward to discussing coverage with you.

Chancellor's Corner**Growing Our Council**

Brothers, I look forward to growing the council with you. I will need volunteers to assist with recruitment drives at Our Lady of Mount Carmel and St. Jerome Churches and for the council Open House after Labor Day. The degree team from Immaculate Conception Council 16226 will lead the event. I will publish additional information on upcoming degree ceremonies as they become available.

Fraternally Yours, David Kerstetter, Chancellor

From the Faithful Navigator

Greetings from the Captain of Father Bader Assembly 2430. Our Faithful Navigator is at the Supreme Convention in Toronto, Canada so I am passing on what news we have so far in this new Fraternal Year. The Installation of Officers for the local Assemblies will be held immediately following the 5:00 p.m. Mass on August 13, 2016 at St. Mary Star of the Sea Chapel, located at 7 Frank Lane, Fort Monroe, Virginia. Directly following the Installation of Officers there will be a dinner hosted by the John F. Kennedy Assembly. The cost for the dinner is \$15 a person. Please contact me at (757) 310-3242 or rickschirm@hotmail.com by 8 August 2016 if you are planning on attending. And speaking of attending, we are still seeking fill-ins for those officers who will not be able to attend due to prior commitments. Again, please contact me as soon as you can. Additionally, our Assembly will have Dining Ins on 2 August and 6 September followed by praying the Rosary, and then the Assembly meeting starting promptly at 7:30 p.m.

Sir Knight Rick Schirm, Captain, Father Bader Assembly 2430.

Knights of Columbus Non-partisan National Voter Registration Program

2016 is a Presidential Election year. All citizens of the United States have the right to vote. All Catholic citizens should become active and informed participants in the political life of their local community and their country. This includes making sure that all Catholic citizens who are eligible to vote are registered to do so. In this important election year, the Order is asking you to please consider participating in The Knights of Columbus Nonpartisan National Voter Registration Program. This is a nonpartisan parish-based program that enables members of the Knights of Columbus to help Catholic citizens register and exercise their right to vote. To learn more about how your state and your council can participate in this important program, go to www.kofc.org/vote. To review an informative webinar presentation describing the program and related program materials, click here to register. If you have specific questions about this program, call Fraternal Mission at (203) 752-4270. Any questions from the media concerning the Knights of Columbus and political activity or any other public relations issues should be directed to Joe Cullen, Senior Communications Specialist, at (203) 800-4923 or joseph.cullen@kofc.org.

Mark your Calendar for Oktoberfest!

Last year TGAS held its annual Oktoberfest at the Columbian Center. Most of the participants were Brother Knights, their families and friends. The feedback from the Brothers was very positive. In the spirit of continuing such an entertaining event, it was decided that *this year's Oktoberfest is going to be a joint venture between the Tidewater German-American Society and the Knights of Columbus, Council 5480.* This year's Oktoberfest will also be held at the *Columbian Center on Saturday, September 24th, 2016.* Please make a note on your calendar. A detailed event flyer is in preparation and will be released (emailed) to KOC members soon. Tickets will be made available at future Council and Assembly meetings. For further information, please contact SK Wilfried Wotke at wwwotke@aol.com, or by calling 757-877-3316.

Support The Conscience Protection Act

The *Supreme Knight requests that Brothers contact Congress to protect the rights of healthcare professionals, Catholic hospitals, and all people of goodwill* who object to participating in abortion. The Conscience Protection Act of 2016 (HR 4828) gives these conscientious objectors a means for protecting their conscience rights through legal action. Immediate action is necessary. Right now, Catholic schools, churches, and other faith-based organizations are being forced to cover abortion—even late-term abortion—in their health plans. Right now, Catholic health professionals are being forced to provide and participate in abortions. *Contact your elected representatives today* and ask them to support the Conscience Protection Act.

August Movie Knight

Movie Knight returns in August. *Please join us on August 26, 2016 at 7:30 PM in the lounge for a showing of the "The Intern".* The film is a 2015 American comedy starring Robert De Niro and Anne Hathaway and is a story about a 72-year-old widower Ben Whittaker, a retired executive from a phone book company, who applies to a senior citizen intern program after retirement has become too boring for him.

This is part of the hospital's ongoing diabetes education program. Guest Speaker - Julia Hess

“The SPRED JOURNEY”

Working as a SPRED Community Religious Worker for over 35 years, Julia shares the Good News in the life of a parish SPRED program.

“We are ready to look at the present and contemplate strategies to attend to both the current and future needs of our SPRED friends . Friends who have reached a point of transition were also identified triggering a discussion. Who goes on the waiting list? ... the Friend who is no longer comfortable in an age group? or the Friend who has not yet been in the program? How does the syllabus honor the chronological age of the Friend? Can a child with a disability sense the need to move on? What are some of the signs of disconnection? When is it necessary for a group to change from one age group to another? And ... what does the change entail regarding environment; choice of activities and change of the mindset of the catechists ... to be able to recognize that the person is no longer a child, but instead an adult with adult needs. How does changing an age group affect other parishes and SPRED communities. Whew! Many thoughts and concerns ... definitely just scratched the surface ... Your thoughts are appreciated.” (exerpts from BLOG June 2014)

SPRED

This SPRED logo portrays Jesus revealing the love of his Father, standing in the midst of his people, welcoming all who yearn for God's love. Filled with the Spirit, their hands reach out in to touch the hearts of others.

SPRED prepares persons

with intellectual disabilities to fully belong in

the liturgical life of the parish. Catechists

welcome their friends with disabilities into a

small faith community. Within the

community, the friends are invited to

experience an activity of their choice like

clay, painting or other centering activity to

prepare their hearts to develop a sense of

the sacred. The Word of God is shared,

reflection on life experiences with the use of

symbols and a simple meal is enjoyed with

their mentor or helper catechist.
