Topic for September

The role of parents, familiarity with your bible, basic Catholic prayers

Brother Knights,

It seems that we only have to open the paper or turn on the television to see the trials and tribulations of the Church. Things that we thought we have moved past are back in the spotlight. These things are churning up old prejudices and in some cases real danger. There are stories of priests being assaulted simply because they are priests and for no other reason. I myself went through a period where I neglected my faith because of positions that the church had taken, this turned out not to be the answer. We are called to engage and correct things not sit on the sidelines was a hard lesson to learn.

Can I tell you that we are done with the revelations? No I cannot. The Catholic Church is thousands of years old and is made up of men (and plenty of women as well in other roles) but we are human and

imperfect and make mistakes. Deacon Kevin recently said, "With the challenges facing the Church today, no mortal man can clean up the mess. It will take a woman to really clean up the mess, and there is no woman better than Mary to take on the task." I believe that our Blessed Virgin Mary who warned us of these times through her appearances in modern times can fix this, but I am not quite ready to write off our gender. It does play well to a room of women, and there lies the problem, many times the programs that our parish has are 70 to 80% women. It is time for you to get involved in more.

Father Jim has brought a lot of change that is uncomfortable, and Deacon Kevin is challenging our mind and our understanding of the faith not just to remember but to teach. I was not quite old enough to be in the Baltimore (cont.)

(cont. from cover) Catechism era that many of you may remember, but my Father force me to learn three questions a night before I got dinner (this might be child abuse in today's standards). Many nights I eat a cold dinner or not at all, and to spite him I have promptly forgot most of it. Every once and a while some of it will surface of my conscience, so my father's efforts were not entirely in vain.

All these things are going to pull at us to disengage but to overcome these difficult times we need to do what is not comfortable and engage more. Let my thank you for your renewed effort and I look forward to hearing how the parish is having trouble finding roles for all of you.

Vivat Jesus!

Mike Kennedy, GK

Faith Formation

Some of the changes that are occurring are in the Faith formation area. Deacon Kevin is now responsible for RCIA program, Religious Education, and even training the candidates for Deacon of the Diocese, a very full plate indeed. He will be guiding the parish in Formed topics as well. (You will be able to find the area of study on the front page of this document every month- Lower Left). I have had to privilege to sit in on a number of meetings for the RCIA programs now, and it seems to be taking shape although more people are always needed.

The format will be more individualistic, there will no longer be a set time period for those wanting to join the church. Their entry will be based on grasping those concepts that make us Catholic; it may take three months or three years and will depend on how much they put into it. After an initial interview they are placed with a mentor who will then act as a guide through the process. The lessons are segmented into basic ideas that are either worked through by the mentor and candidate, or taught by volunteers each Sunday. Hospitality is provided to those classes by more volunteers (Our council among them. We will provide meals to the class on all Parish Breakfast Sundays. Logistics of this have not been decided yet). The main idea is for candidates to see lots of different faces from our community and not the same ones week after week.

This is where the challenge comes in because those faces need to be able to answer questions when they are asked, something that all of us in the Council should be able to do but sometimes are lacking. I will end my description on that note, before I out myself as the heathen I am. If you have an interest please get with Deacon Kevin and offer him your help.

Finally, an Item for the Church

We have waited a long time for Father Jim to tell us what he might want us to provide for the church. We had gone back and forth for a while with none of our clergy wanting to get nailed down to something. All you had to do was read the bulletin to see that Father Jim had started to request changes that individual donors were stepping up and taking care of; almost before we ever heard they were wanted. I felt like it was time to go try to talk to Father Jim about what we might provide for the church. So one Sunday when I had the opportunity to grab Father Jim after he finished confessions we had a talk. I explained that we were there for him and that we really wanted to provide something visible that we could point to and say we provided and that had our name on it.

He immediately started to talk about the statues of Joseph and Mary. He felt that the minimalistic style of our current statues did not present the image of our Blessed Mother and Joseph in an inspiring way. Many of you may not feel that way, and view them simply as statues, but maybe that is the problem. What I do know is they will get done with or without us and I would prefer that it be with. I researched a number of statues and then ran them by an interior design consultant that Father Jim had worked with at St Maria Goretti. This opportunity presented itself at the right time and allowed me to pick the best to put in front of Father (I found a few that had much bigger price tags). The statues pictured are some that I found on the east coast, PA of all places and our expensive, Mary \$4,400 and Joseph \$6,800. These prices do not include packing and freight for each plaster statue that weighs about 70 lbs. (cont.)

Finally, an Item for the Church

(cont. from previous) We are not locked into these, other than style and size, and if someone comes up with something similar at less cost I would welcome that, but until that point I will proceed on with these. It should go without saying that we do not have that much saved so put on your fundraising hats and let me know if you are interested in working on the committee that will be formed. This gives us something to raise funds for and there could be more things that are needed before it is all said and done.

Parish Construction and Moving

The Capital project is moving along and we have some dates that we need to be aware of concerning our equipment. If you have been keeping a careful eye, you have seen the storage building on the Northeast corner of the property. That will be the new home of everything that is in the garage behind the pastoral center. The Smoker will have a different home, more about that later. The Storage building will be done sometime mid-September. It is waiting on overhead doors and some light interior finish out. Once the contractor is able to get a Certificate of Occupancy (CO) or a Temporary CO which sometimes becomes necessary, we will be on the clock to move our equipment.

The Smoker will be moving into a fenced in enclosure in front of the white elephant (warehouse behind

the food pantry) so when you see the fencing start to go up we will be close.

Lastly the new Pastoral Center will be completed around the beginning of November and we have been asked to assist in the move from the old offices to the new. The date for that is November 10 which is one week after our first major degree and Veterans Day weekend. We will put out more information on this in the future but save the date, oil up your dollies, and dust off anything that you might have that will assist us to make the day move along quickly.

The new rectory will be to the east of our new storage building and plans are stuck at the city last I heard

Raising Awareness about Life Insurance

September is designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding surrounding life insurance, its uses, its benefits, and its variations among the general public. Each year, the Life Insurance Market Research Association (LIMRA) puts out the results from an annual survey that tracks the perceptions, attitudes, and behaviors of consumers in the United States. Unfortunately, the numbers reported this year continue to display the lack of awareness surrounding the many benefits of life insurance among today's consumers.

More than 60 percent of people polled did not have a personal financial advisor, even though 90 percent of them said they believe a family's primary wage earner needs to own life insurance. In other words, a majority of those surveyed believe life insurance is important, yet they did not seek professional assistance.

According to the study, the number one reason consumers do not purchase life insurance is because they worry it's too expensive. Many do not know how much coverage they need and what type of life insurance to buy.

If you fall into these categories, please remember that as a member of the Knights of Columbus, you have a full-time, professional brother Knight field agent to call your own. My primary responsibility is the care and service of your family's life

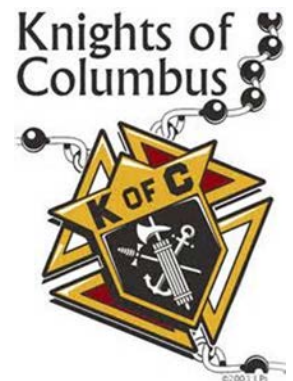

insurance, retirement and long-term care needs. I am available to provide a complimentary, comprehensive analysis to assess your situation and determine how much coverage is needed to help meet your needs within your budget.

With a solid portfolio of life insurance, long-term care, disability income and retirement products, the Knights of Columbus can help you meet all of your financial goals. Our products are designed with your needs and budget in mind. "Brother Knights caring for Brother Knights" isn't just a slogan for us. It's the value proposition we make with all Brother Knights and their families.

So, as we observe Life Insurance Awareness Month, don't leave your family's future to chance. Protect your family with the safety and guarantees of life insurance from the Knights of Columbus. Join the hundreds of thousands of your brother Knights who use our shield as their protection. Let's get together and see how the Knights of Columbus can help protect you.

First Request from Father Jim

Mr. Gigl received a call from the Parish last Wednesday from Father Jim. Father Jim wants the council to lead Rosaries before each Mass starting September 8 until we are relieved. Per Mr. Gigl, the intent is for some other group to take over at some future date but no set date was given. We will start 15 to 20 minutes prior to each mass and lead the Rosary in the form of the little white Rosary Guide many of us carry in our pockets, with the exception of at the end of the Rosary we should add the Prayer to St. Michael. This is the kind of thing we should be doing anyway so we should all plan to attend Mass early if you are not leading then you can offer support by participating since I imagine the crowds will be thin to begin. Let us show Father how it is done since the last request he made was to clean up our wood pile, this will be the first real opportunity to show him what we can do.

Fall Festival

The SAS Fall Festival is right around the corner our outdoor chefs have decided to beg out of the coordination meetings with the school this year, who can blame them. Our own Deputy Grand Knight has agreed to take over that role. I have not heard specific dates on those meetings but they should be shortly so Philip will keep us posted on that.

We will be cooking and selling Turkey Legs, Sausage on a Stick, and Corn on the Cob from the

smoker. Help will be needed in placing the smoker prior to the event. Our chefs will cook but they will need a few hands and then we will need some guys to keep counts and collect money. You may have to do some math. You may want to brush up on you catechism as well the school has a quiz booth that directs the kids over to us to help them answer the questions. I let a few down a couple of years ago so I don't expect them to be seeking me out. Please get with Philip if you can help out.

Pro Life Events – Abby Johnson and 40 Days

September 26 will make the start of Pro – Life activities for the year. The Prayer Vigil will begin at 7pm at Planned Parenthood, 6466 John Ryan Drive, Fort Worth, TX 76132 and for the next 40 Days there will always be someone on site praying. Two nights later will be the Abby Johnson – Respect Life Night that the council is co-sponsoring with Holy Family and St. Patrick. A flyer for the event is an attachment to this newsletter. There are many other events and it would be a good time to earn your Ace Wings, if you are not sure what that is then contact our Life Director Simon and he can get you the information.

Directors and Youth Activities

This month's Chapter Meeting was somewhat of a sobering experience. The subject of the K of C Safe Environment program came up and many of us were not very pleased with what we heard. The Supreme Council is requiring a number of Officers to complete the program to be eligible for the Star Council award; these are Grand Knight, Program Director, Community Director and Family Director. I, your Grand Knight, have completed my course as has Philip as your Program Director, and we are lacking the other two positions.

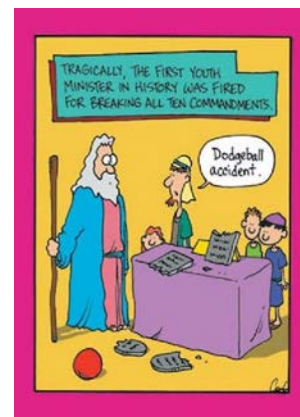

We found out Wednesday that

Supreme is in the process of removing some Grand Knights who have not completed the training, as well as being ready to remove some as soon as they know who they are, Supreme is missing Form 185 Report of Chosen Officers from those councils.

We are in an odd in between spot that I do not think will last, we are in compliance, but have not reported Community or Family Directors on our forms. Supreme has bigger problems but the longer we are without those Directors the more at risk is our chance to obtain Star Council.

Christ Renews His Parish

There are many other items I could include in this Newsletter but I am on a deadline, but one item I did want to mention in the issue is the Christ Renews His Parish Retreat. I did not think I would be able to attend but apparently God wanted me there so I was. I was pleased to see a number of men from the Council, I will not out them but if you ask I am sure they will tell. The weekend filled a gap that is present in being a Knight, and doing both makes you feel more compete. If you did not attend I will hope to see you the next time.

Prayers Before a Crucifix

Most high, glorious God,
cast Your light into the darkness
of my heart. Give me right faith,
firm hope, perfect charity and
profound humility, with wisdom
and perception, O Lord, so that I
may do what is truly Your holy will.

Amen. -St. Francis of Assisi

Behold, O kind and gentle Jesus,
I kneel before You and pray that You would
impress upon my heart the virtues
of faith, hope, and charity, with true
repentance for my sins and a firm
purpose of amendment. At the same time,
with sorrow I meditate on Your five precious
wounds, having in mind the words which
David spoke in prophecy:
"They have pierced my hands and my feet. I
can count all my bones."

We adore you O Christ and we bless you,
because by Your Holy Cross You have
redeemed the world.

MEMORARE

Remember,
O most gracious Virgin Mary,
that never was it known
that anyone who fled to thy protection,
implored thy help,
or sought thy intercession,
was left unaided.
Inspired by this confidence,
I fly unto thee,
O Virgin of virgins, my Mother.
To thee do I come,
before thee I stand,
sinful and sorrowful.
O Mother of the Word Incarnate,
despise not my petitions,
but in thy mercy, hear and answer me.
Amen.

Virgin of Tenderness by Mike Quirke

Hail, holy Queen, mother of mercy, our life, our sweetness and our hope.

To thee do we cry, poor banished children of Eve.

To thee do we send up our sighs, mourning and weeping in this valley of tears.

Turn then, most gracious advocate, thine eyes of mercy toward us, and after this our exile, show unto us the blessed fruit of thy womb, Jesus.

O clement, O loving, O sweet Virgin Mary! Pray for us, O holy Mother of God, that we may be made worthy of the promises of Christ. Amen.

Mary, Undoer of Knots, pray for me.

Virgin Mary, Mother of fair love, Mother who never refuses to come to the aid of a child in need, Mother whose hands never cease to serve your beloved children because they are moved by the divine love and immense mercy that exist in your heart, cast your compassionate eyes upon me and see the snarl of knots that exists in my life. You know very well how desperate I am, my pain, and how I am bound by these knots. Mary, Mother to whom God entrusted the undoing of the knots in the lives of his children, I entrust into your hands the ribbon of my life. No one, not even the evil one himself, can take it away from your precious care. In your hands there is no knot that cannot be undone. Powerful Mother, by your grace and intercessory power with Your Son and My Liberator, Jesus, take into your hands today this knot. [Silently, mention your request here]

I beg you to undo it for the glory of God, once for all. You are my hope.

O my Lady, you are the only consolation God gives me, the fortification of my feeble strength, the enrichment of my destitution, and, with Christ, the freedom from my chains.

Hear my plea. Keep me, guide me, protect me, o safe refuge!
